“26A. In cases in which any paper or papers which are to be included in the paper book under Rule 11 or Rule 67(A) of this Chapter have been omitted from the list, the office shall give notice to the Advocate concerned to the effect that unless the list is amended within four days from the receipt of such notice or an order for the exclusion of such paper or papers is obtained upon a stamped application before the expiry of that period, the paper or papers will be included in the list under the aforesaid rules, and the office shall proceed to include them on the expiry of the said period if no action is taken by the Advocate.”

*Page 99, Rule 29.*—For the proviso to the Rule substitute the following:—

“Provided that the party who refers to papers in a previous paper book, but who has not paid for the preparation of such previous paper book, shall pay the charges fixed for the sale of paper books from the Record Department if he requires a copy for his own use, and shall supply a copy at his cost to the other side unless the other side has paid for such previous paper book in which event the copy supplied to him shall not be charged for. If either party contributed to the cost of the previous paper book, copies required for the use of the Court shall not be charged for, otherwise the party referring to papers in such paper books shall pay for the copies required for the use of the Court.”

“59A. As soon as the paper book has been prepared in accordance with the preceding Rule, the Registrar shall serve two copies on the

Advocate for the appellant and shall include the case for hearing under Order XLI, Rule 11, C.P.C. If the appeal is admitted under Order XLI, Rule 11, C.P.C., the Advocate for the appellant shall be served with a notice in Form No. 25 (Civil) calling upon him to return his copies of the paper book for being examined with the original record and shall return the said copies for the said purpose within three days of the receipt of the said notice."

*Page 114, Rule 66.*—Substitute the words "General Warning List" for the words "General List" in line 3 of this Rule.

*Page 116.*—Insert the following new Rules after Rule 72 under the new heading:—

*"VI—Appeals under the Workmen's Compensation Act (VIII of 1923) and under the Indian Succession Act (XXXIX of 1925).*

73. The preparation of paper books in appeals under the Workmen's Compensation Act (VIII of 1923) and under the Indian Succession Act (XXXIX of 1925) shall be governed by the following Rules:—

74. (a) On receipt of the record from the lower court the Officer-in-charge of the Judicial Department shall serve a notice on the Advocate for the appellant informing him of the arrival of the record and calling upon him to prepare and file within seven days of the service of such notice a list of the papers which he considers to be necessary for the decision of the appeal.

(b) If the respondent enters appearance within the time allowed for such appearance, the Officer-in-charge of the Judicial Department shall serve a notice calling upon him to inspect the list filed by the appellant and state within seven days of such service whether he wishes any other papers to be included in the paper book of the case:

Provided that the Registrar may for good and sufficient reason extend the time allowed under the foregoing sub-rules by such periods, not exceeding seven days, as to him may seem proper.

75. If the respondent considers that any paper or portion of a paper which ought to have been inserted in the appellant's list under the provisions of rule 74 (a) has been omitted therefrom he may, within the period specified in Rule 74 (b), and after giving notice to the appellant of his intended application, apply to the Registrar for an order that such paper or portion of a paper be inserted in the paper book of the case:

Provided that if any such application by a respondent is disallowed by the Registrar, such respondent shall be at liberty at that time to pray for the inclusion of the papers mentioned in his application in a paper book to be prepared by him at his own cost:

Provided also that if the respondent has entered appearance out of time he shall not be permitted to pray for the inclusion in, or exclusion from, the appellant's list of any papers whatsoever if such application be not made before the actual preparation of the paper book has commenced.

76. If one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included and the Registrar allows the document to be included, the order book and list shall clearly indicate the fact that, and the party by whom, the inclusion of the document was objected to.

77. The Registrar as well as the parties and their legal agents shall endeavour to exclude from the paper book all documents (more particularly such as are merely formal) that are not relevant to the subject matter of the appeal, and generally, to reduce the bulk of the paper book, as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents.

*Note 1.*—Ordinarily a long series of documents, such as accounts, rent-rolls, inventories, etc., should not be printed in full; but the parties or their legal agents should agree to short extracts being printed as specimens.

*Note 2.*—Documents produced before the Court of first instance, but not admitted in evidence, shall not be included in the paper book

except under the orders of the Registrar obtained upon an application (unstamped) with notice to the opposite party. An Advocate desiring to refer to any such document at the hearing of the appeal before the High Court shall, at any time before the hearing, serve on the Advocate for the opposite party a typewritten copy, or a typewritten copy of the translation, as the case may be, of any such document to which he desires that reference should be made, and shall also provide two such typewritten copies or typewritten copies of the translation for the use of the Court. If he fails to do so he shall not refer to such document at the hearing and no adjournment of the appeal will be granted on this account unless the Court otherwise directs.

78. As soon as the list of papers to be included in the paper book has been settled in accordance with the foregoing rules, the Officer-in-charge of the Judicial Department shall issue a notice on the Advocate for the appellant calling upon him to prepare typewritten paper books in accordance with such list, serve a copy thereof on each of the appearing respondents and file two copies for the use of the Court before the expiry of 21 days from the date of such notice, accompanied by a certificate that copies have been served on all the appearing respondents.

79. If the respondent has under the first proviso to Rule 75 of this Chapter been allowed to prepare a separate paper book at his own cost, he shall be called upon to serve upon the appellant a copy of such paper book and to file two copies for the use of the Court within the time allowed to the appellant as aforesaid.

80. Every paper book, whether prepared by the appellant or the respondent, shall contain at the end of it a cost sheet prepared in accordance with Rule 47 of this Chapter, save that no charge shall be made for 'estimating' and 'taxing'.

81. As soon as the requirements of the preceding rules have been complied with and the appeal is otherwise ready for hearing, the Officer-in-charge of the Judicial Department shall include the case on the General Warning List in Form No. 15 (Civil), page 187, Appendix I, a copy of which shall be displayed in the manner prescribed in Rule 66 of this Chapter. This will be considered sufficient notice to the Advocates concerned that the case is ready for hearing. Where, however, any party has not entered appearance through an Advocate such notice shall be served upon him by registered post."

*Chapter XVI—Page 167, Rule 10 (b).—(i) Insert the following as Note 1 to this Rule:—*

"*Note 1.*—The words 'short notes' in this rule mean such brief notes or memoranda with respect to the date and nature of the documents, names of parties, etc., as may be necessary to identify the document or record, in case a copy is required or a list of papers for inclusion in the paper book of an appeal is to be filed."

*(ii) Number the existing note as Note 2.*

*(iii) Insert the words "and Note 1" between the words "rule" and "shall" in line 1 of Note 2.*

*Page 168, Rule 17.—(i) Number the existing note as Note 1.*

*(ii) Insert the following as Note 2:—*

"*Note 2.*—(i) Information requiring anything but short answers shall not be given. If any extract from the record or the substance of any order or decree or other document is desired, the proper course is to apply for a copy.

*(ii) Defective applications and applications in which the information asked for cannot for any reason be given shall be rejected subject to the orders of the Registrar."*

*Chapter XVII—Page 169, Rule 4.—Add the following as proviso to the Rule:—*

"Provided that if for some sufficient cause beyond his control, as to which he shall satisfy the Registrar by a proper application setting out the cause, an Advocate or party is prevented from tendering money under Rules 1 and 2 before 3 p.m. and deposit, if made on the following day, would be out of time, the Registrar may direct the money to be received by an officer of the Court and such acceptance shall be deemed to be a valid deposit on the day on which it is accepted. The money

so accepted shall be remitted to the Reserve Bank of India by the Court's office on the following day with a challan duly filled in and tendered by the Advocate or the party when depositing the money."

*Page 185, Appendix I.*—In Form No. 12 (Civil) after the word "estimate" in the last line of the paragraph beginning with the words "Under Rule" add the words "upon the Advocate."

*Page 186, Appendix I.*—In Form No. 13 (Civil) after the word "estimate" in the last line of the paragraph beginning with the words "Under Rule" add the words "upon the Advocate."

No. 1-A.(15)/36.—In exercise of the powers conferred by sub-section (2) of section 144 of the Indian Companies Act, 1913 (VII of 1913), the Central Government is pleased to direct that the following further amendments shall be made in the Auditor's Certificates Rules, 1932, the same having been previously published as required by the said sub-section, namely:—

1. Rule 8 of the said Rules shall be omitted.

2. In rule 17 of the said Rules, for the figure and words "XXVI—Miscellaneous Departments—Central—Registration of Accountants", the following figure and words shall be substituted, namely:—

"XXXVI.—Miscellaneous Departments—Miscellaneous—Registration of Accountants."

3. In rule 36 of the said Rules—

(1) In the first proviso, for clause (ii) the following clauses shall be substituted, namely:—

"(a) a graduate who has served for a total period of eight years

(a) wholly as an audit clerk, or

(b) partly (but for not less than two years) as an audit clerk and partly as an articled clerk

in the office of an Approved Accountant;

(iii) a person, other than a graduate, who has served for a total period of nine years

(a) wholly as an audit clerk, or

(b) partly (but for not less than four years) as an audit clerk and partly as an articled clerk

in the office of an Approved Accountant."

(2) For the words "For the purpose of this rule any period of apprenticeship served under the Regulations for the award of the Government Diploma in Accountancy and duly registered with the Accountancy Diploma Board, Bombay, shall be reckoned as service under articles", the following shall be substituted, namely:—

"For the purpose of this rule—

(i) any period of apprenticeship served under the regulations for the award of the Government Diploma in Accountancy and duly registered with the Accountancy Diploma Board, Bombay, shall be reckoned as service under articles, and

(ii) two years' service as an audit clerk in the office of an Approved Accountant shall be reckoned as one year's service as an articled clerk, and *vice versa*."

4. To sub-rule (1) of rule 40 of the said Rules, the following proviso shall be added, namely:—

"Provided that an Approved Accountant shall not be entitled to employ any additional articled clerk for a partner or a paid assistant in accordance with any of the clauses (c), (d) and (e), if such partner or paid assistant has any professional connection whatsoever with any other accountant or a firm of accountants entitled to act, as auditor or auditors of companies."

5. Rule 48 of the said Rules shall be omitted.

6. For rules 52 and 67 of the said Rules, the following rules shall be substituted, respectively, namely:—

"52. Save as otherwise provided in these Rules, a member of the Board, other than a member who is in the service of Government, shall hold office for three years from the date of his appointment unless the Central Government when appointing him directs otherwise."

"67. Save as otherwise provided in these Rules, a member other than a member who is in the service of Government or who is a member *ex-officio*, shall hold office for three years from the date of his appointment unless the Central Government when appointing him directs otherwise."

7. In Appendix 2 to the said Rules, for sub-clause (d) of clause 4 in Form D, and for sub-clause (d) of clause 5 in Form E, the following sub-clause shall be substituted, namely:—

"(d) that he will allow the Articled Clerk leave of absence for a period aggregating not more than one-eleventh of the service actually rendered. ### Land Sale Notices.

FORM No. 27.

Advertisement of sale.

[See paragraph 145.]

NOTICE is hereby given that the undermentioned plots of land, no longer required by Government, situated along the Bengal Dooars Railway, in the district of Rangpur, will be put up to sale at 11 o'clock on 22nd November 1937, corresponding with the 6th Aghrayan, 1344 B.S., at Lalmonirhat.

The purchasers of the several plots of land will be subject to the following conditions:—

*First*—The purchasers will have no power to make any excavations on the land nearer than fifteen feet from the railway boundary, or to plough the land nearer than three feet from the same.

*Second*—If the amount of purchase-money does not exceed Rs. 100, the whole amount must be paid down at once.

*Third*—If the amount of purchase-money exceeds Rs. 100, one-fourth of the amount must be immediately deposited. If the balance be not paid by noon of the fifteenth day after the sale, reckoning the day of sale as one, or if that day be a close holiday, then by noon of the first succeeding office day, the sale shall be cancelled, the sum deposited being forfeited to Government, and the lot again put up for sale at the risk of the defaulting purchaser, after issue of advertisement, as in the case of original sale.

*Fourth*—The plots of land will be sold revenue-free to the highest bidders.

*Fifth*—The sale will become final on receipt by the Collector of the orders of the Commissioner confirming it, and a regular conveyance will then be granted to the purchaser.

## PUBLIC SERVICE COMMISSION, BENGAL.

## NOTICE.

A competitive examination for direct appointments to the Bengal Civil Service (Executive), and the Bengal Junior Civil Service will be held in Calcutta in February 1938 in accordance with Rule IX of the Bengal Provincial Services Recruitment Rules,\* published in notification No. 7183A, dated the 22nd May 1930.

2. *Vacancies*.—The number of vacancies to be filled on the result of this examination is as follows :—

Bengal Civil Service (Executive) .. .. .	13
Bengal Junior Civil Service .. .. .	30

It is open to Government to fill from this examination any additional vacancies which may occur in these services or in the Bengal Police Service, the Bengal Excise Service, the Bengal Junior Excise Service, or the Upper Division of the Bengal Secretariat clerical services up to the date of the examination or within such period thereafter as Government may think fit to prescribe.

Each candidate will be required to specify in his application the service or services for which he desires to compete, placing them in the order of his preference, and the choice thus indicated will be final. Appointments will be assigned to successful competitors with due consideration to their choice and the number of vacancies in the services.

3. *Qualifications*.—The indispensable qualifications of a candidate are—

- (i) that he is a native of Bengal or has a permanent domicile within the Presidency of Bengal ;
- (ii) that he is a natural born subject of His Majesty, or of an Indian State in respect of whom the Governor-General in Council has made a declaration under section 262 of the Government of India Act, 1935 ;
- (iii) that he shall have attained the age of 22 and shall not have attained the age of 25 on the 1st October 1937 ;
- (iv) that he is a graduate of a recognised University ;
- (v) that he is of good character ; and
- (vi) that he is of sound health, good physique, active habits and free from organic defects or bodily infirmity.

Along with his application every candidate shall submit proof of his age as explained in the form of application and certificates, written not more than one year prior to the date of his application, from two responsible persons unconnected with his College or University, and not related to him, testifying to his private character and stating that he is a native of or has a permanent domicile within the Province of Bengal. The age limits can in no case be relaxed.

Copies of the certificates attested by the nominating authorities or by responsible persons may be submitted.

4. *Applications—Method of submission of fee, etc.*—(i) A person desiring to be admitted to the examination shall apply before the 30th November 1937 to the head of the college from which he passed his examination for the degree of Bachelor of Arts, Science, Commerce, etc. A candidate who passed the examination as a non-collegiate student shall send in his application to the Registrar, Calcutta University, together with a certificate of character signed by the Principal of his college if he was connected with one, and by the Magistrate of the district in which he is resident in other cases ; candidates from the Dacca University shall apply to the Registrar, Dacca University. All other candidates (not included in the previously mentioned categories) shall apply to the Director of Public Instruction, Bengal, Writers' Buildings, Calcutta :

Provided that in no case shall a candidate apply to more than one of these authorities, and that such applications shall always be made through their Durbars by persons resident in a State in India.

(ii) Applications shall be made, in the form shown in Schedule I, copies of which may be obtained from the heads of Colleges, the Registrars of the Calcutta and Dacca Universities, and the Director of Public Instruction, Bengal.

(iii) No application will be taken into consideration by the nominating authority unless it is accompanied by non-Judicial stamps of the value of Rs. 5 or a chalan showing payment into a Government treasury in Bengal of the sum of Rs. 5. This payment is obligatory whether such application is subsequently rejected or not and no claim for a refund of this fee will be entertained. *Applications stamped with postage stamps will not be accepted.*

(iv) No allegation that an application form or letter respecting such form, has been lost or delayed in the post will be considered unless the person making such allegation produces a Post Office registration receipt or certificate of posting. Candidates who delay their applications until a late date will do so at their own risk.

5. *Nomination*.—The heads of colleges, the Registrars of the Calcutta and Dacca Universities and the Director of Public Instruction, Bengal, shall forward to the Secretary, Public Service

\*Copies of these Rules (price annas six) are obtainable from the Sales Office, Writers' Buildings, Calcutta.

Commission, Bengal, before the 14th December 1937, the applications of candidates nominated in accordance with the allotment of nominations shown in Schedule II and shall certify the moral character of each candidate so nominated. The application of non-collegiate students nominated by the Registrar of the Calcutta University should be supported by the character certificates mentioned in paragraph 3 above. In making these nominations, due regard should be paid to the desirability of different classes and communities being represented in the public service. Care should be taken to nominate only such candidates as are likely to pass the medical examination since experience shows that a considerable number of candidates successful in the literary examination fail to pass the medical test.

**6. Selection certificates.**—The Public Service Commission will issue certificates of selection to such of the nominated candidates, not exceeding 200 in all, as they consider, qualified to appear at the examination. The selection or rejection of a candidate by the Commission shall be final, and no candidate shall be admitted to the examination unless he holds such a certificate :

In making their choice the Public Service Commission will give all possible consideration to the cases of candidates of the minority communities and the backward classes and shall call for further nominations from the heads of colleges or Commissioners of Divisions if the number of selected Muhammadan candidates does not reach 45 per cent. of the total number selected.

**7. Particulars of candidates.**—The Public Service Commission may require such further proof or particulars from the candidates as they may consider necessary, and may make enquiries regarding their character and domicile.

**8. Examination fee and time-table.**—Every candidate to whom a certificate of selection has been issued will, within a week from the date of its receipt, deposit in the nearest treasury in Bengal a sum of Rs. 50 as examination fee and forward the receipt for the same to the Secretary, Public Service Commission, Bengal. No part of the fee will be returnable to a candidate. Delay in this respect may render a candidate's name liable to removal from the list of examinees. On complying with this requirement, the candidates will receive from the Secretary a time-table for the examination. The examination will commence on the 18th February 1938, and will be held at the Presidency College, Calcutta.

**9. Canvassing.**—Any attempt on the part of a candidate to enlist support for his application through persons of influence or officials of Government will disqualify him for appointment. Spontaneous recommendations from persons interested in the candidates, or otherwise known to them, will be disregarded.

**10. Ineligibility of Government servants.**—Unless specially exempted by the Public Service Commission, no person holding a substantive appointment in Government service or an appointment on probation against a substantive vacancy under Government is eligible to appear at the competitive examination. Whenever such exemption is granted, the candidate will be subject to selection by the Commission, as if he were duly nominated under paragraph 5 above. Persons holding purely temporary posts under Government should submit their applications in the manner prescribed in paragraph 4 above.

**11. Syllabus of examination and marks.**—The examinations will be held in the subjects and according to the syllabus shown in Schedule III which also indicates the numerical value to be attached to each paper at the examination.

As the possession of a knowledge of a provincial vernacular is an essential condition of appointment, candidates, whose ordinary spoken and written language is not Bengali, must take up translation from English into one of the provincial vernaculars named below :—

- (i) Bengali, (iii) Urdu,
- (ii) Hindi, (iv) Nepali,

and *vice versa* in the compulsory paper. Successful candidates, however, who have offered any language other than Bengali in that paper and are appointed to a service for which there is a Departmental Examination, will be required to pass completely the Departmental Examinations in Bengali within two years of the date of their appointment to the service.

**12. Medical Examination.**—As soon as the results of the examinations have been declared, a proportion of the candidates who have qualified will be called upon to appear before a Medical Board for a certificate of their fitness for Government service in form A of Schedule IV of the Bengal Provincial Services Recruitment Rules. An order to appear before the Medical Board must not however be understood to mean that the candidate, if found fit, will necessarily receive an appointment as the number of candidates who will be summoned for medical examination will be slightly in excess of the total number of vacancies, and the question of his appointment will depend upon the results of the medical examination taken as a whole. The regulations governing the physical examination of candidates are set forth in Schedule IV of the Bengal Provincial Services Recruitment Rules and intending candidates are advised before they apply for admission to the examination to satisfy themselves that they are likely to qualify as physically fit under those regulations, for experience has shown that a considerable number of the candidates at the competitive examinations are subsequently rejected by the Medical Board as unfit.

W. ISLAM,

Secretary, Public Service Commission, Bengal.

The 17th September 1937.

## SCHEDULE I.

Write your surname here.....

## Application form.

**For the use of candidates seeking admission to the competitive examination for appointment to the Bengal Civil Service (Executive) and the Bengal Junior Civil Service.**

*N. B.*—1. Copies of the form may be obtained on application to the Principals of Colleges, Registrars of the Calcutta and Dacca Universities, and the Director of Public Instruction.

2. Before filling up the form the candidate should verify from the rules and the syllabus that he is eligible for admission to the examination.

3. The form should be filled up in the candidates' own handwriting and returned **by the 30th November 1937** to the Principal of the College by collegiate students, to the Registrar, Calcutta University, by non-collegiate students, to the Registrar, Dacca University, by candidates from that University, and to the Director of Public Instruction, by all other candidates.

Applications received after the prescribed date will not be accepted.

4. If a candidate who fills up and returns the application form does not receive an acknowledgment for the same within a reasonable time, he should at once communicate the fact to the authority to whom the form was returned.

5. Should any of the particulars furnished be found to be false within the knowledge of the candidate, he will, if appointed, be liable to be dismissed. The wilful suppression of any material fact will also be similarly penalized.

6. Every candidate must submit with his application form a copy of his Matriculation certificate duly attested by a Magistrate or other responsible person. If the Matriculation certificate does not contain sufficient particulars to show that the candidate is qualified by age to enter for the examination, a certificate from the candidate's University or College showing his date of birth as recorded on entering the University or College must also be furnished. The age of a candidate as recorded on entering his University is regarded as correct unless there is a proof to the contrary. If a candidate claims that his age is other than as so recorded, he must submit with his application the evidence on which he bases his claim. In such a case the Public Service Commission, Bengal, will require among other evidence a satisfactory explanation of the circumstances in which a wrong age was recorded at the time of entry into the University. They will also require a statement of any attempts made by the candidate to have the University record amended and of the results of such attempts. The statement of age must tally with the statement of age made in any previous application of this nature and will be deemed absolutely final. No revision of such a declaration will be allowed at a later period for any purpose whatever.

7. Every candidate must submit with his application non-judicial stamps of the value of Rs. 5 or a chalan showing payment into a Government treasury in Bengal of the sum of Rs. 5. No part of this fee will be returnable to any applicant, whatever the result of his application. Applications unaccompanied by the fee, or stamp with postage stamps, will be ignored.

13. If the time since leaving school is not fully accounted for by the replies given above, account for the remainder here with dates.

If you have been in employment at any time state the names and addresses of your employers.

---

14. Give the names, professions and present addresses (in full) of the two referees from whom you submit certificates as to your character and domicile.
- 

15. (a) Are you free from pecuniary embarrassments ?

(b) If you are under liability to repay money advanced by an institution or party for your education, state the particulars.

---

16. (a) Have you appeared at any previous examination for Government service ?

(b) If so, state—

(i) when ?

(ii) for what appointment ?

---

17. Have you applied for admission to any other examination, (*e.g.*, Indian Audit and Accounts Service Examination, Railway Service Examination, etc.) during the year ?
- 

18. (a) Have you previously been rejected for any appointment in Government service ?

(b) If so, state—

(i) whether you were rejected on the result of a medical examination and, if so, on what occasions you were rejected and for what service you were competing ;

(ii) if you were not rejected on the result of a medical examination, on what occasions you were rejected and for what reasons, if known.

---

19. For which service do you desire to compete. If for more than one, state the order of your preference.

*Declaration of choice of subjects for examination.*

Place your initials against the subjects in which you wish to be examined if you are chosen for admission to the examination and state the language you choose for compulsory translation. A candidate having once made a declaration as to the optional subjects which he wishes to take up for examination will not be permitted, except for very special reasons, to alter his choice of subjects, and in no circumstances will any such application be considered which reaches the Secretary, Public Service Commission, Bengal, after the 2nd January 1938. Refer for guidance to the accompanying syllabus :—

## SCHEDULE III.

## Syllabus for the competitive examination for appointment to the Bengal Civil Service (Executive) and the Bengal Junior Civil Service.

					Maximum marks.
<i>I.—Compulsory subjects—</i>					
1.	(a) Translation from English into Bengali, Hindi, Urdu, Nepali, French or German	..	..	..	100
	(b) Translation from Bengali, Hindi, Urdu, Nepali, French or German into English	..	..	..	100
2.	English Composition..	..	..	..	200
3.	Elementary Mathematics (chiefly problems)	..	..	..	200
4.	General paper	..	..	..	200
5.	An outline of Modern Indian and English Constitutional Law—				
	(a) Indian Constitutional Law	..	..	..	125
	(b) English Constitutional Law	..	..	..	75
					200
	Total	..	..	..	1,000

Students whose ordinary spoken and written language is not Bengali will be required to take up translation from one of the four Indian vernaculars mentioned above (*viz.*, Bengali, Hindi, Urdu, Nepali) into English and *vice versa*. Only those whose spoken and written language is Bengali are allowed to take up French or German in the compulsory subjects.

There will be one paper in each of the compulsory subjects. No candidate will be considered for an appointment unless he secures  $33\frac{1}{3}$  per cent. of the marks in each of the first two compulsory subjects, and unless he secures at least 160 marks in the *viva-voce* test; if he fails to secure 25 per cent. of the marks in any of the other two compulsory subjects, he will score no marks in that subject.

There will be a *viva-voce* test, held at the same time as the written examination, the maximum marks for which will be 400, the minimum qualifying marks being 160. The marks awarded at the *viva-voce* test will be added to those secured at the written examination.

The *viva-voce* examination will be in matters of general interest, not in matters of academic interest; it is intended to test the candidate's alertness, intelligence and general outlook.

					Maximum marks.
<i>II.—Optional subjects—</i>					
Any two or more of the following : provided that the total number of marks for all the subjects taken under this head must not exceed 600					
1.	English Literature	..	..	..	300
	(a) General History of English Literature	..	..	..	150
	(b) English Literature from 1832 to the present day..	..	..	..	150
2.	Mathematics	..	..	..	300
	(a) Pure	..	..	..	150
	(b) Mixed	..	..	..	150
3.	Physics	..	..	..	300

22.	Hindu Law and Muhammadan Law	..	..	..	..	..	150	
23.	Statistics	..	..	..	..	..	150	

(i) There will be two papers in each of the optional subjects 1-13 and one paper only in each of the remaining subjects. Candidates who select as their optional subjects Physics, Chemistry, Botany, Geology, Physiology or Zoology and have not produced evidence that they possess a degree in the subject or subjects selected will be required to pass a practical test. If they fail to satisfy the examiners in this test they will earn no marks in the whole subject.

(ii) If a candidate fails to secure 25 per cent. of the marks in any one of the optional subjects selected he shall score no marks in that subject.

(iii) In awarding marks in all the subjects the candidate's knowledge of English, as shown by the answers, will be taken into account.

(iv) Ten per cent. of the marks obtained in any paper will be subject to deduction for bad writing and untidiness.

(v) The following details may prove helpful to a candidate as indicating the standard and nature of the examination :—

### I.—COMPULSORY SUBJECTS.

#### 1.—Translation and Retranslation.

The examination will be directed to test not the extent of the candidate's knowledge of any literature (English, Bengali, Hindi, Urdu, Nepali, French or German), but only facility in rendering from one language into another with reasonable accuracy and elegance. In the case of candidates whose ordinary written and spoken language is not Bengali and who did not take up Bengali as their vernacular at the University examinations the tests in this paper will be equivalent to the tests in the subject prescribed in the rules for the lower standard of the Departmental Examination in Bengali for Civil officers, and such candidates will after appointment and before confirmation be required to pass the Departmental Examination by the higher standard in Bengali.

#### 2.—English Composition.

Questions will be set to test the candidate's power of writing clear and expressive English. They will include letter-writing on given subjects, the rapid summarisation of the subject matter of passages in prose of about 500-600 words in length and the detailed paraphrase of poetry.

The general standard of the subject matter will be that of the pass B.A. degree of an Indian University.

### 3.—Elementary Mathematics.

Vulgar and Decimal Fractions. Ratio and Proportion. Areas and Volumes of Simple Figures and Solids. Percentages. Simple Interest. Easy Factors. Simple Equations. Graphs of Simple Equations and of Sets of Data. Elementary Geometry of the Straight Line, Triangle and Circle.

The paper will consist largely of Problems with Arithmetical Data.

### 4.—General Paper.

Questions will be set on current topics, general history or similar subjects with which an educated candidate should be acquainted.

### 5.—Outline of Modern Indian and English Constitutional Law.

#### A.—Indian Constitutional Law.

From the East India Company up to 1935, with special reference to :—the East India Company ; transfer of power to Crown ; Provinces and Presidencies ; Legislative Councils ; Indian Council Acts ; control by the Government of India ; Minto-Morley Reforms ; financial settlement ; Montagu-Cholmsford Report ; Government of India Act, 1919 ; Report of the Joint Committee on Indian Constitutional Reforms ; Government of India Act, 1935 ; position of Burma.

#### B.—English Constitutional Law.

A general study of the subject with special reference to the Nature of Constitutional Law and its place in Jurisprudence ; Nature of Parliamentary Sovereignty ; House of Commons ; House of Lords ; Functions of the Crown in Parliament ; Cabinet ; Right to Personal Freedom ; Right of Freedom of Discussion ; Right of Public Meeting ; Conventions of the Constitution.

### Books recommended indicating the standard required.

#### A. Indian Constitutional Law.

Indian Administration by M. R. Palande.

The Government of India by Sir Courtenay Ilbert, (1922).

An Introduction to Indian Administration by M. R. Palande (1937).

#### B. English Constitutional Law.

The English Constitution by Bagehot (with an introduction by the Earl of Balfour).

English Political Institutions by J. A. R. Marriott (3rd edition).

Dicey's Law of the Constitution.

## II.—OPTIONAL SUBJECTS.

### 1.—English Literature.

(a) General history of English literature. Questions will be set to test the candidate's knowledge of the more important works of the greater writers from (and including) Chaucer to the present day.

(b) English literature from 1832 to the present day. Candidates will be expected to know the work of the greater writers of the age, and to be able to understand such literature in relation to the main social and historical developments of the age.

*Note.*—In either paper, questions on the history of literary forms, style and prosody will not be excluded.

### 2.—Mathematics.

#### (a) Pure.

##### (i) Algebra.

Binomial theorem.

Convergency, divergency and summation of series.

Variation.

Theory of limits.

Inequalities.

Continued fractions.

Determinants.

Elementary theory of equations including the approximate solution of numerical equations.

**(ii) Geometry.**

Geometry of the triangle, circle and conic sections.

Analytical Geometry of the straight line and conic sections.

Trigonometry : circular and hyperbolic functions : properties of triangles : summation of series : De Moivre's theorem : factorisation : expansion of the circular and hyperbolic functions in series.

Geometry of three dimensions : plane straight line : conicoids : generating lines of conicoids : curvature of surfaces.

**(iii) Differential and integral calculus.**

Theory of limits : differentiation : maxima and minima : summation of series : partial differentiation : integration : definite integrals : reduction formulæ : differential equation of the first and second orders : Fourier's series ; applications to the geometry of curves.

**(b) Mixed.****(i) Statics.**

Statics of single particle.

Statics of systems of particles.

Friction.

Centre of mass.

Principle of virtual work.

Equilibrium of strings.

Machines.

**(ii) Dynamics of a particle.**

Velocity, acceleration, laws of motion.

Projectiles.

Impact.

Work and energy.

Motion of a particle in a plane under the influence of forces : orbits.

**(iii) Hydrostatics.**

Fluid pressure : centre of pressure on curved surfaces.

Conditions of equilibrium of a floating body.

Theory of the Metacentre.

Hydraulic and pneumatic machines.

**(iv) Astronomy.**

Elementary spherical trigonometry : refraction : parallax : precession : nutation : aberration : the sun and the moon : eclipses : measurement of time : the equation of time : determination of latitude and longitude : sextant : the principal instruments in an observatory : descriptive discussion of the principal constellations : comets : nebulae.

**3.—Physics.****(a) General, Heat and Light.****(i) General Properties of Matter.**

Gravitation, elasticity, viscosity, surface tension, Kinetic theory of gases.

**(ii) Heat.**

Thermometry, expansion, calorimetry, change of state, conduction, radiation, thermodynamics.

**(iii) Light.**

Reflection and refraction, dispersion and chromatic aberration, spherical aberration, optical instruments, velocity of light, the spectrum, interference, diffraction and polarisation.

**(b) Magnetism and Electricity.**

The electrostatic field, conduction, condensers, specific inductive capacity, magnetism permanent and induced, electric current, magnetic force due to currents, electro-magnetic induction, electrolysis, heating effects, thermo electricity, discharge of electricity through gases, radio activity, structure of the atom.

**(c) Practical.**

The practical examination involves experimental work ranging over the above syllabus.

The standard is indicated by the following text books :—

General Properties of matter	..	..	..	} Poynting and Tomson.
Heat .. ..	..	..	..	
Light .. ..	..	..	..	Preston.
Magnetism and Electricity	..	..	..	J. J. Thomson.

**4.—Chemistry.****(a), (b) and (c) Inorganic, Organic and Practical.**

Kinetic Theory of Molecules and its applications; Dalton's Atomic theory; Atomic and molecular weights; Structural Chemistry and Stereo-isomerism; Periodic Law; Radio activity and modern views regarding the constitutions of matter. Laws of true solution; Colloidal solution; Ionic theory and its applications. Conditions of Chemical equilibrium in a homogeneous and a heterogeneous system; Rate of chemical transformation; Catalysis. Phase rule and its application to one and two component systems. Nature of energy and its transformation in Thermo Chemical and Electro Chemical reactions.

The common elements and their important compounds; the inert gases; complex inorganic amines and cyanides. Manufacture of the common industrial products—organic and inorganic—with special reference to Indian conditions. The following organic compounds and their simple derivatives :—methane and ethane; ethylene and acetylene; benzene, toluene, anthracene, pyridine and naphthalene, methyl, ethyl and propyl, alcohol, ethyl acetoacetate and ethyl malonate; lactic, oxalic, malonic, succinic, malic, tartaric, and citric acids; fumaric and maleic acids, glycerol and urea. Chemistry of esters, ethers, amines, carbohydrates, cyanogen, derivatives, diazo, and Azocompounds. Application of catalysts and organo-metallic compounds in organic synthesis; Composition, Purification and Analysis of organic compounds.

Qualitative analysis of a sample containing for inorganic radicals; identification of a common organic compound; simple gravimetric and volumetric estimation.

**5.—Classical languages.****(i) Latin.****(a) Translation.**

The paper shall consist of (a) passages for translation from Cicero or Caesar and Virgil or Lucretius, (b) a passage or passages from one or more of the following—Livy, Tacitus, Horace, (c) a piece of English prose for translation into Latin. 150 marks of which 75 shall be given to (c).

**(b) Language, Literature and Grammar.**

The paper shall consist of questions on Accidence, Syntax, Latin philology and literature, Roman History, the geography and organisation of the Empire.

A choice of questions shall be allowed.

**(ii) Greek.****(a) Translation.**

The paper shall consist of (a) passages for translation from Homer and Demosthenes, (b) a passage or passages from one or more of the following—Thucydides (excluding speeches), Euripides (excluding choruses), Xenophon, Plato, (c) a piece of English prose for translation into Greek. 150 marks of which 75 shall be given to (c).

(b) *Language, Literature and Grammar.*

The paper shall consist of questions on Accidence, Syntax, the development of the literature in its chief forms, the contributions of the Greeks to the development of civilisation, history and geography.

A choice of questions shall be allowed.

(III) **Sanskrit.**(a) *Translation, (b) Language, Literature and Grammar.*

The object of the examination will be more to draw out what a candidate knows than to test his knowledge. It is not expected that he should be an expert or a specialist in any branch of Sanskrit Literature, but he should have a grasp of both the language and Literature, Vedic and Classical.

He should have a general knowledge of Sanskrit Grammar, Vedic and Classical. This knowledge will be tested not by asking him to quote rules, but by their application to language.

He will be required to translate easy passages in English from Vedic or Classical Sanskrit Literature, but not from commentaries. He may be asked to compose in Sanskrit, to write an essay in Sanskrit, to summarise a given passage in English or Sanskrit and to translate into either language.

(iv) **Arabic.**(a) *Translation.*

(i) From English into Arabic and (ii) from Arabic into English.

(b) *Language, Literature and Grammar.*

Muhammadan civilisation including—

(i) History and (ii) Literature—

(i) The outline of *Muhammadan History* from the beginning of Islam up to the fall of the Abbasides of Baghdad in the middle of 13th century A. D.

(ii) A general knowledge of the History of *Arabic Literature*. Grammar according to modern method and elements of Arabic Prosody and Rhetoric.

(v) **Persian.**(a) *Translation.*

All translation will as far as practicable be from and into the present day language of Iran.

(b) *Language, Literature and Grammar.*

Candidates must possess a fair knowledge of the general outlines of the literary history of Persia with special study of a particular period, e.g., the Ghaznavi and Saljuki period, and first-hand knowledge of a few selected authors, such as Firdausi, Unsuri, Minuchihri, Anvari, Naisir-i-Khisran, Khyyam, etc. Questions on grammar shall demand from the candidates not mere cramming and reproduction from memory but intelligent practical application of the grammatical rules, requiring some discrimination.

(vi) **Pali.**(a) *Translation.*

(i) Passages, prose and verse of moderate difficulty for translation from Pali into English.

(ii) A passage of moderate difficulty for translation from English into Pali.

(b) *Language, Literature and Grammar.*

1. Knowledge of literature will include—

(i) A knowledge of canonical literature and commentaries as well as literature outside the canon,

(ii) History of Buddhism from its rise to the 7th century A. D.,

(iii) Indian civilisation as depicted in the canonical Pali literature, and

(iv) Indian thought and ideals at the time of the rise of Buddhism.

2. The questions on language and grammar will include—

- (a) Elementary knowledge of Sanskrit grammar ;
- (b) Elementary knowledge of the principles of comparative philology ; and
- (c) Knowledge of Indian inscriptions from the earliest times to the 2nd century A. D.

A fairly wide choice of questions will be given.

(vii) Urdu.

(a) Translation.

- (i) From English into Urdu and (ii) from Urdu into English.

(b) Language, Literature and Grammar.

- (i) A general knowledge of the history of Urdu language and literature.
- (ii) Grammar according to modern method and elements of Urdu Prosody and Rhetoric.

6.—History.

(a) Indian History.

A knowledge of Ancient, Mediæval and Modern India will be required. The main stress will be laid on the period 1500-1920 A. D. Sketch historical maps will be required of candidates. A knowledge of political, military and economic history will be demanded as also of modern constitutional development. The broad outlines of religious and cultural history should be known ; also the history of foreign countries, so far as it directly affected the history of India.

(b) English and European History.

The main stress in this paper will be laid on English History, knowledge of European History being only required in so far as it more or less directly links up with English History. Chief importance will be attached to the period 1500-1920 A. D. Political, military, cultural, economic and constitutional history will also be required. Sketch maps will be essential. The growth and history of the British Empire should be known.

7.—Philosophy.

(a) Metaphysics and Ethics.

Definition and Province. Relation of Ethics and Metaphysics to cognate subjects. Methods of Metaphysics and Ethics. *A priori* and *a posteriori* Theories. Discussion of the principal Categories of knowledge. Relation of the Finite to the Infinite, the Conditioned to the Unconditioned, etc. The influence of Evolution on Metaphysical and Ethical Thought. Leading Theories of the Constitution of the World. Naturalism and Idealism. Theories of the nature of the Soul and its relation to the Body. The idea of the Self. The idea of God. Relation of God to the World and the Soul. Immanence and Transcendence, Agnosticism, Septicism, Pantheism, Theism, Immortality, Optimism and Pessimism.

The moral Consciousness, Postulates of Mortality, Human Freedom, Moral Obligation, Ethical Standards. Individual and Society. The Social Organism. Duties and Virtues. Theories of Punishment. The nature of Moral Progress.

(Candidates will be expected to possess a general knowledge of the history of Metaphysics and Ethics, both Eastern and Western, ancient and modern.)

(b) Psychology.

Scope and Province. Relation of Psychology to cognate subjects. Methods of Psychology. Varieties of Psychological Study. Relation of Mind to Body. Consciousness and Subconsciousness Suggestion. Mental processes. Sensation and its Organic Basis. Perception. Ideation. Memory and Imagination. Judgment. The Development of the Categories. Reasoning. Belief. The Growth of the Conception of the Self. The Various Selves. Feelings and Emotions. The Psychology of Will. Group Psychology. Social Psychology.

(Students are expected to possess a general knowledge of the history of Psychological Theory.)

### 8.—Economics.

#### (a) Political Economy ; (b) Economic History and application to India.

**Political Economy.**—This subject will include the Organization of Production ; theories of Consumption, Value, Monopoly and Distribution ; the problems of Population, Labour and Industrial Peace ; the theories of Money, Prices, Credit and Banking ; the mechanism and theory of International Trade and Foreign Exchange; the principles of Public Finance.

Candidates will be expected to show familiarity with the economic conditions and development of India and to be able to apply the principles of Political Economy to Indian conditions.

They are also expected to have some knowledge of the industrial history of England.

### 9.—Botany.

#### (a) and (b) Theoretical Course.

Scope of Botany. Difference between plant and animal. Outlines of the modern systems of classification.

Vegetable cell. Cell contents, Cell division, Tissues and tissue systems.

Morphology (including histology) and Life history of Algae (*Chroococcus*, a desmid, *Spirogyra*, *Ulothrix*, *Vaucheria* and *Chara*), Fungi (Yeast, *Mucor*, *Peronospora*), Muscineae (a moss plant, *Marchantia*), Pteridophyta (a fern, *Lycopodium*, *Sellaginella* and *Equisetum*) and Gymnospermia (*Cycas*-*Pinus*).

General morphology, histology and life history of Angiosperms. Physiology of plants including the principal experiments. Outlines of the Ecology of plants with special reference to the conditions of Bengal.

Distribution of plants in time and space.

A knowledge of the systematic position, morphological characters, use and cultivation of the more common economical plants of Bengal (viz., rice and other cereals, pulses, common vegetables, fruit trees, sugar producing plants, jute, indigo, cotton and the common timber trees).

#### (c) Practical Course.

Knowledge of microtechnic including free hand section cutting for microscopical examination. Drawing of dissection of flowers and microscopical sections. Referring common plants of Bengal to their natural orders. Identification of plants by analytical tables. Simple physiological experiments.

### 10.—Geology.

The examination in Geology shall consist of (a) and (b) two theoretical papers, and (c) one practical paper.

(a) and (b). The theoretical course shall consist of—

#### Dynamical and Structural Geology.

Geological function of Air, Water and Life. Earthquakes and volcanoes. Secular upheavals and subsidence. Different types of structures met with in the crust of the earth. Earth sculpture. Origin of the Himalaya mountains. Water-supply.

#### Mineralogy and Petrology.

Physical and chemical characters of the more important minerals including their origin and commercial use. Classification of rocks. The leading rock-types of Building materials.

#### Paleontology and Historical Geology.

Use of fossils. Leading types of fossils. Principles of correlation. The standard stratigraphical scale. Characters and distribution of the series of rocks found in India.

(c) The practical examination shall include (i) the identification and description of rocks and minerals, (ii) the description of microscopic sections of rocks, (iii) the recognition of important genera of fossils and (iv) the drawing and interpretation of geological maps and sections.

## 11.—Physiology.

### (a) and (b) Theoretical Course.

#### *General Physiology.*

1. The Cell-membrane, Physico-Chemical processes—diffusion, Osmosis and Dialysis, Osmotic-pressure, Electrolytes, Ionisation, Surface tension, Absorption. Properties of colloids, Catalysis and Endymeaction.

#### *Chemical Physiology.*

2. Chemical composition of the body, Chemistry of carbohydrates, fats, liquids and proteins, Chemical Physiology of blood and lymph. Coagulation, Hæmolysis, Precipitins, Tests for blood. Immunity.

#### *Histology.*

3. Histology and development of the cell, Segmentation of ovum and formation of germinal membranes, Microscopical appearances of blood, lymph and milk. Minute structure of the various organs and tissues of the animal body.

#### *Physiological Processes.*

4. The Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are (1) that widowed daughters incapable of re-marriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. For forms of application and rules of the Fund apply to the Accountant-General, Bengal, Imperial Secretariat Buildings, Calcutta.

2. **Mahomed Nasir** of village Kamrul, police-station Indas, district Bankura,
3. **Abdus Salam Mahomed Abul Husain**, son of **Maulvi Abdus Samad**, of Bankura town,
4. **Ubbadur Rahim**, Pleader, Bankura, Respondents.

#### Report.

The petitioner **Mahomed Illias Chowdhury** was one of four candidates for election to the Bengal Legislative Assembly from the Bankura (Rural) Muhammadan Constituency.

The respondent No. 1 polled 2,327 votes and was declared elected.

The petitioner polled 613 votes.

Respondent No. 2 polled 567 votes.

Respondent No. 3 polled 111 votes.

Respondent No. 4 was nominated but thereafter withdrew his candidature.

The name of the returned candidate was published in the Gazette on the 3rd February 1937, and the petitioner duly filed his petition within 14 days.

He challenged the validity of the election on the ground that respondent No. 1 had been guilty of bribery and undue influence, which are corrupt practices under Part I of the First Schedule to the Government of India (Provincial Elections) (Corrupt Practices and Election Petitions) Order, 1936.

Paragraph 7 of that Order provides that if in the opinion of the Commissioners any such corrupt practice has been committed in the interests of a returned candidate the election shall be void.

The petitioner prayed for declarations that the election was void, and that he had been duly elected.

The petitioner supplied further particulars of the charges, and respondent No. 1 (who is referred to hereafter as the respondent) filed a written statement denying each charge categorically.

The following issues were framed:—

- (1) Is the respondent or his agent guilty of the corrupt practice, viz., bribery, as alleged in clauses (a) to (g) and (i) of the particulars mentioned in Annexure "A" to the petition?
- (2) Was the respondent and/or his agent guilty of undue influence and intimidation as alleged in clause (h) of Annexure "A" to the petition?
- (3) To what relief, if any, is the petitioner entitled?

The petitioner on the 5th August called oral evidence in support of his case.

Kazi Fazlul Karim, the petitioner's polling agent at Indas and Krishnagar Dak Bungalow, deposed that Mohammed Idris, the respondent's polling agent, gave money to certain persons whose names the witness did not know.

The witness could do no more than draw an inference that voters were bribed, because he saw money in their hands, and his evidence that Mohammed Idris, who was the only polling agent for the respondent, was continually leaving the polling booth is hard to believe.

This witness was brought up and married from the house where the respondent lives. He admits being responsible for this petition and it was suggested that he was hostile to the respondent. There is evidence that there has been considerable litigation amongst the members of the family, and there are grounds for the suggestion that this petition was part of the family feud.

The next witness, Shafi, stated that the respondent had promised members of the congregation at the mosque at Punisole to make them a present of 20 bighas of land if they would vote for him.

The witness was cross-examined. His vouchers which are attached to the return of election expenses contain no reference to his alleged journey to Punisole on the date alleged. His evidence of a bribe to Osman Mullick is equally open to criticism. It was put to him in cross-examination that the house which he described as Osman Mullick's baitakhana was in many important respects different to the actual building, and his story that Osman Mullick openly called his attention to the bribery in front of a number of persons is hardly credible.

Syed Md. Hossain, who spoke to the promise at the mosque, made many inconsistent statements, and although he says he went to Punisole on the 20th December his vouchers show that he did not incur any expenses after the 19th. No reliance could be placed on his evidence, and the same remark applies to the other witness, Shah Abdus Salam, who could not remember if he took any money from the petitioner in connection with the election, and whose evidence as to his movements is contradicted by his signed vouchers attached to the petitioner's return of election expenses.

The statements of Rai Sahib Bhola Nath Mitra had but little probative value. He says that he saw Rs. 100 handed to Budai Hazari and that he heard the respondent say "get me all the votes you can." This certainly does not prove that the Rs. 100 was a bribe to induce Budai Hazari to procure votes.

Evidence for the petitioner was heard on the 5th and 6th August. On the 9th August the Advocate for the petitioner said that he had instructions to withdraw the petition; but when the Commissioners intimated that any such application at this stage was unlikely to be successful in view of the invidious position in which under the rules the respondent would then be placed, he continued to call evidence. After the midday adjournment the Advocate stated that he now had instructions from the petitioner not to proceed further with the case.

The respondent then entered the witness box and denied on oath that he had committed any corrupt practice as alleged, or at all, and Mohammed Idris similarly denied the charges with which he was alleged to be connected.

The Commissioners are of opinion that the evidence adduced failed to establish any corrupt practice; and that the petition should be dismissed with costs which they assess at Rs. 2,000 to be paid to the respondent. In their opinion the respondent was duly elected, and they will report to His Excellency the Governor of Bengal accordingly.

**DEFENCE DEPARTMENT.**

Simla, the 18th September 1937.

**Part B.****CANTONMENTS—REGULATIONS.**

No. 707.—In exercise of the powers conferred by section 280 of the Cantonments Act, 1924 (II of 1924), and in supersession of the Cantonment Fund Servants Rules, 1925, the Central Government is pleased to make the following Rules, the same having been previously published as required by sub-section (1) of the said section, namely:—

**RULES.****PRELIMINARY.**

1. (1) These rules shall be called the Cantonment Fund Servants Rules, 1937.

(2) They shall apply to all persons to whom the Cantonment Fund Servants Rules, 1925, applied and to all persons appointed under these Rules.

2. In these rules, unless there is anything repugnant in the subject or context,—

- (a) the “Act” means the Cantonments Act, 1924;
- (b) “dependant” shall have the same meaning as that assigned to it in the Provident Funds Act, 1925;
- (c) “depositor” means a servant on whose behalf a deposit is made under these rules;
- (d) “menial servant” means daftari, peon, bheesti, mali, lamp-lighter, chowkidar, coolie or sweeper;
- (e) “salary” includes all fixed monthly allowances by way of pay or personal allowances, paid from cantonment funds, but does not include allowances granted to meet specific expenditure such as travelling, horse, conveyance or house rent allowances, whether daily, monthly or yearly;
- (f) “servant” means a person holding a substantive whole time appointment under a Board whether in receipt of a pension from public revenues or not, but does not include any servant who may be serving in a post which is pensionable from public revenues;
- (g) “sweeper” means any person who is actually employed in collecting or removing or disposing of filth or rubbish, in cleansing roads, drains or slaughter houses or in driving carts used for the removal of filth or rubbish; and
- (h) “temporary servant” means a servant appointed under rule 9.

## PART I—GENERAL.

*Cantonment Fund Servants.*

3. Chapters I to XI of the Fundamental Rules made by the Secretary of State in Council under section 96-B of the Government of India Act, and the Supplementary Rules made by the Governor General in Council under the rules contained in the said Chapters, shall, so far as they are not inconsistent with these rules, be deemed to apply to all servants. The powers of a local Government referred to in the said Fundamental Rules shall be exercised in respect of such servants by the Officer Commanding-in-Chief the Command.

4. Subject to the provisions of the Act and of the rules made thereunder, every Board shall determine what servants are required for the proper and efficient execution of its duties, and shall fix the salaries to be paid to such servants out of the Cantonment Fund.

5. The sanction of the Board shall be obtained to all proposals for altering the number, designations and grades of its servants and the salaries, fees and allowances payable to them. Such proposals shall ordinarily be taken into consideration at the time of framing the budget but may, at the instance of the Executive Officer, be taken into consideration at any time;

Provided that no proposal adversely affecting any servant who has been in the permanent service of the Board for more than five years and is drawing a salary of not less than fifty rupees per mensem shall be considered except at a special meeting convened for the purpose.

Provided also that the previous sanction of the Officer Commanding-in-Chief the Command shall be obtained as required by rules 45, 46 and 47 of the Cantonment Account Code, 1924, save in the case of the appointments of temporary servants under rule 9.

6. (1) All first appointments to service (other than menial service) under a Board shall be on probation, and no person shall be confirmed in his first appointment until he has satisfied the authority which has appointed him by probationary service for such period, not being less than six months, as that authority may determine, that he is fully qualified to hold such appointment.

(2) For the purposes of these rules a servant who has been confirmed in his appointment after a period of probationary service shall be deemed to have commenced his service from the date of his appointment on probation.

7. (1) The Executive Officer shall appoint all servants whose salary on appointment will not exceed twenty-five rupees per mensem; all other servants shall be appointed by the Board.

(2) The Executive Officer shall—

(a) apportion and control and superintend the performance of the duties of,

(b) disburse the salaries of, and

(c) deal with applications for leave of absence from, and, subject to the provisions of sub-rule (1), make officiating appointments in vacancies caused by the grant of leave to,

all servants:

Provided that the Medical Officer in charge of the Cantonment hospital or dispensary shall perform the functions referred to in clauses

(a) and (b) in respect of all servants employed in the Cantonment hospital or dispensary.

(3) No person shall be appointed under this rule who has been dismissed from employment under the Central Government or any Provincial Government or any Board or local authority, or has been sentenced by a criminal court to imprisonment or to transportation or has been ordered to find security or has been bound over for good behaviour under the Code of Criminal Procedure, 1898, or has been sentenced by a criminal court for any offence under Chapter IX. A. of the Indian Penal Code or has been adjudged insolvent by a competent court.

8. (1) The Board or the officer appointing a servant may discharge such servant—

- (a) during his period of probation;
  - (b) on his being declared by a medical officer approved by the Board to be medically unfit for further service;
  - (c) on his attaining the age of 55 years or on the expiration of any further period for which he is retained in service after attaining that age;
  - (d) in pursuance of a provision contained in a written contract between such servant and the Board; or
  - (e) in pursuance of a reduction or revision of establishment,
- and not otherwise.

(2) A servant in receipt of a monthly wage, who is discharged during a period of probation, shall, in the absence of a written contract to the contrary, be entitled to one month's notice before discharge or to one month's wages in lieu thereof, and a servant not having attained the age of fifty-five years who is discharged otherwise than during such period in pursuance of a reduction or revision of establishment shall, in the absence of a written contract to the contrary, be entitled to three months' notice before discharge or to three months' wages in lieu thereof.

(3) There shall be paid to a servant not having attained the age of fifty-five years who is discharged in pursuance of clause (b) or clause (c) of sub-rule (1) a compensatory gratuity calculated at the rate of half a month's pay for each complete year of qualifying service subject to a maximum of 6 months' pay where his qualifying service has been less than 15 years and of 12 months' pay where his qualifying service has been more than 15 years:

Provided that no gratuity shall be paid, if—

- (a) the servant has been offered and has refused an alternative appointment on approximately equal pay under the same Board, which was in the opinion of the Board of a suitable nature; or
- (b) the servant's service has not, in the opinion of the Board, been efficient and faithful.

*Explanation 1.*—For the purpose of this rule “qualifying service” means continuous service under the Board and, where there has been a break in service, the last period of continuous service:

Provided that the Board may, in its discretion, include in the computation of qualifying service the amount of any leave earned but not taken by the servant concerned.

*Explanation II.*—For the purposes of this rule “pay” means substantive pay at the rate applicable to the servant concerned at the time of his discharge.

(4) The Board may, in its discretion, grant leave to any servant not having attained the age of fifty-five years who is discharged in pursuance of clause (e) of sub-rule (1) up to the full amount due subject to the maximum of leave admissible under the Fundamental Rules at any one time. Such leave shall commence from the commencement of the three months' notice referred to in sub-rule (2).

(5) If a servant in the absence of a written contract authorising him so to do, and without reasonable cause, resigns his employment or absents himself from his duties without giving one month's notice to the Board, he shall be liable to forfeit such sum, not exceeding one month's wages, out of the wages due to him, as the Board may, by general or special order, direct.

9. When in the opinion of the President of the Board the employment of temporary servants is necessary, the President shall appoint such temporary servants on such conditions as may be considered necessary:

Provided that—

- (a) the President of the Board in the exercise of this power shall not act in contravention of an order of the Board prohibiting the employment of temporary servants for any particular work, and shall report in writing every appointment under this rule for the approval of the Board at the next meeting following the appointment;
- (b) all such appointments shall be reported by the President of the Board to the Officer Commanding-in-Chief the Command for confirmation, the report being made after the approval of the Board has been obtained in accordance with clause (a), and being accompanied by a full explanation of the conditions which have given rise to the appointments; and
- (c) if the approval of the Board or the confirmation of the Officer Commanding-in-Chief the Command is withheld in the case of any such appointment, the appointment shall be terminated forthwith.

10. The Officer Commanding-in-Chief the Command may, if in his opinion the number of servants employed or proposed to be employed by a Board or the salary assigned by the Board to any such servant is excessive, require the Board to reduce the number of such servants or the amount of such salary, as the case may be, within such time as he may fix, and the Board shall, subject to the provisions of sub-rule (1) of rule 8 and of any lawful contract between the servant and the Board, comply with such requisition:

Provided that reasonable opportunity shall be given to the Board to show cause in writing why such reduction should not be made.

*Suspension, removal, dismissal, etc., of Cantonment Fund Servants.*

11. The Board, or the officer appointing a servant, may for reasons to be recorded in writing, censure, withhold increment or promotion from, fine, suspend, reduce, remove or dismiss such servant:

Provided that, in the case of a servant who is in receipt of a monthly salary exceeding twenty-five rupees, the powers conferred by this rule shall be exercised only by the Board:

Provided further that—

- (i) no fine shall be imposed upon any servant other than a menial servant and in no case shall a fine in any one month exceed one week's salary of the servant fined;
- (ii) no servant shall be removed or dismissed otherwise than on proof of dishonesty or of repeated neglect or disobedience of orders, or of continued inefficiency or of insolvency or habitual indebtedness or of any other circumstance by reason of which the officer or Board concerned is of opinion that his retention in service would be detrimental to the efficient administration of the Cantonment; and
- (iii) a list of all punishments inflicted under this rule by the Executive Officer shall be submitted monthly to the Board.

12. (1) No order of dismissal, removal or reduction shall be passed on a servant (other than an order based on facts which have led to his conviction in a criminal court) unless he has been informed in writing of the grounds on which it is proposed to take action, and has been afforded an adequate opportunity of defending himself. The grounds on which it is proposed to take action shall be reduced to the form of a definite charge or charges, which shall be communicated to the person charged together with a statement of the allegations on which each charge is based and of any other circumstances which it is proposed to take into consideration in passing orders on the case, and a list of documents and witnesses by which each charge is to be sustained. He shall be required, within a reasonable time, to put in a written statement of his defence and to state whether he desires to be heard in person. If he so desires or if the authority appointing the servant so directs, an oral inquiry shall be held. At that inquiry oral evidence shall be heard as to such of the allegations as are not admitted, and the person charged shall be entitled to cross-examine the witnesses, to give evidence in person and to have such witnesses called, as he may wish, provided that the officer conducting the inquiry may, for special and sufficient reason to be recorded in writing, refuse to call a witness. The proceedings shall contain a sufficient record of the evidence and a statement of the findings and the grounds thereof.

This rule shall not apply where the person concerned has absconded, or where it is for other reasons impracticable to communicate with him. All or any of the provisions of the rule may in exceptional cases, for special and sufficient reasons to be recorded in writing, be waived, where there is a difficulty in observing exactly the requirements of the rule and these requirements can be waived without injustice to the person charged.

(2) A copy of the finding and grounds thereof shall be delivered to the servant personally or by registered post. In the event of the

servant appealing, the whole proceedings, together with his service roll or service book, if any, shall be forwarded with the memorandum of appeal.

(3) In the case of a menial servant, an equally elaborate inquiry need not be made, but there shall be delivered to him personally or by registered post a copy of the document, showing the ground or grounds on which his reduction, removal or dismissal was ordered.

13. Any servant who has been reduced, removed or dismissed by the Executive Officer shall be entitled to appeal to the Board within 30 days from the date of delivery of the document showing the grounds on which his reduction, removal or dismissal was ordered. If his appeal is rejected by the Board, there shall be delivered to him personally or by registered post a copy of the order passed by the Board and he shall be entitled, within 30 days from the date of delivery of the copy of the said order, to submit a further appeal to the Officer Commanding-in-Chief the Command whose decision shall, subject to the provision made in rule 15, be final.

14. Any person who has been reduced, removed or dismissed by the Board shall, within 30 days from the date of delivery of the copy of the document showing the grounds of his reduction, removal or dismissal, be entitled to appeal to the Officer Commanding-in-Chief the Command whose decision shall, subject to the provision made in rule 15, be final.

15. (1) The Central Government shall, on the application of the servant concerned, other than a menial servant appointed by the Executive Officer, if such application has been made within 30 days from the date of delivery to the servant of the decision of the Officer Commanding-in-Chief, the Command, be competent to revise any order passed by the Officer Commanding-in-Chief, the Command, in exercise of a power conferred by rule 13 or 14.

(2) The application to the Central Government shall be submitted through the Board and the Officer Commanding-in-Chief, the Command.

#### *Gratuity on retirement.*

16. If a servant is not a Government official, and is not eligible to subscribe to the Cantonment Provident Fund, the Board may grant him a gratuity, but no pension, on retirement. The amount of such gratuity shall not exceed the sum which would be payable if the service in respect of which it is paid had been service under the Central Government.

#### *Service Books.*

17. (1) A service book—

(a) may, at the discretion of the Board, be kept for every menial servant,

(b) shall be kept for every servant other than a menial servant, whose salary is Rs. 20 a month or over.

(2) Service books shall be maintained in the form prescribed in the Civil Service Regulations.

18. The service book shall be supplied to every such servant at his own cost on his first appointment. It shall be kept in the custody of the Executive Officer and may be given up to the servant if he resigns or is discharged without fault, an entry being first made therein to this effect.

19. (1) Full details of the service, pay, leave, periods of suspension from employment or other interruptions in service and references to any records, specially to any good or bad services shall, as occasion arises, be entered in the service book by the Executive Officer.

(2) The Executive Officer shall see that all entries in the service book are duly made and attested. There shall be no erasure or over-writing, all corrections being neatly made and properly attested.

20. It shall be the duty of every servant to see that his service book is properly kept up, and that the entries on the first page are attested annually.

#### *Service Rolls.*

21. (1) A Service Roll shall be maintained in the form prescribed in Volume I of the Civil Account Code for every servant for whom a service book is not maintained under rule 17, and who is not eligible to subscribe to the Cantonment Provident Fund.

#### *Termination of Service.*

22. (1) No servant, other than a menial servant, shall be retained in the service of a Board after he attains the age of 55 years except with the sanction of the Officer Commanding-in-Chief, the Command.

(2) In the case of a servant whose year, or year and month, of birth is known, but not the exact date, the 1st July, or 16th of the month, respectively, shall be deemed to be the date of birth for the purpose of determining the date on which he attains the age of 55 years, for the purpose of this rule.

#### *Security to be furnished by certain servants.*

23. (1) The Executive Officer shall require every servant who is entrusted with the receipt, custody or control of property or monies or securities for money, to furnish security for the due discharge of his office, of a value equivalent to the aggregate value of the maximum amount of monies or securities for money which the servant concerned is ordinarily likely to have in his hands at any one time.

(2) No security shall be accepted other than a deposit of:—

- (a) cash;
- (b) Government securities;
- (c) shares in the Imperial Bank of India;
- (d) debentures or other securities for money issued by or on behalf of a local authority; or
- (e) a fidelity insurance policy approved by the Board and issued by an insurance company approved by the Central Government.

*Explanation.*—For the purpose of clause (a) “cash” shall be deemed to include a Savings Bank deposit if pledged to the President of the Board.

(3) The securities, shares, and debentures referred to in clauses (b), (c) and (d) of sub-rule (2) shall be accepted at their market value at the time of deposit.

(4) The premia for the policy referred to in clause (e) of sub-rule (2) shall be paid by the Board and the amount thereof shall be deducted from the salary of the servant.

24. Every servant, to whom rule 23 applies, shall execute a bond in the appropriate form included in Schedule I. Such security bonds shall be kept in the same custody as the other valuables belonging to the Board.

25. The Executive Officer shall on or about the first day of January in each year submit to the Board a report as to the sufficiency of the security furnished by or on behalf of its servants.

26. The Executive Officer shall deal in the manner prescribed in the Government Securities Manual with all monies and securities deposited as security by or on behalf of servants of the Board.

27. Any servant failing to furnish the security required by these rules for more than one month after he has been called on to do so shall be liable to forfeit his appointment.

28. Deposits given as security shall not be claimable till after the lapse of 6 months from the date on which the depositor leaves the service of the Board.

#### *Casual Leave.*

29. A servant shall not be entitled to casual leave as a matter of right and such leave shall only be granted to any servant for adequate reasons at the discretion of the Executive Officer, subject to the conditions laid down by the Government of the Province in which the Cantonment is situate for Government servants of similar status.

#### *Travelling Allowance.*

30. A Board may fix the rate of travelling allowance to be drawn by its servants; such rate shall not exceed the rate for the time being admissible to Government servants of the corresponding class employed under the Government of the Province in which the Cantonment is situate.

#### *Pension.*

31. Save in the case of a servant who is a Central Government or any Provincial Government official, service paid for from the Cantonment fund shall not qualify for pension.

#### *Courses of Training.*

32. The rules regarding travelling and daily allowances applicable to employees of the corresponding class of the Provincial Government within whose territorial jurisdiction a cantonment is situate shall be applicable to servants who are deputed by a Board to undergo a course of training.

## PART II—PROVIDENT FUNDS.

*Establishment of Fund.*

33. The Board shall establish and maintain a Provident Fund for the benefit of its servants.

*Rate and realization of subscription.*

34. (1) Every

- (a) menial servant appointed or promoted on or after the date of the commencement of these rules to an office of which the salary is not less than Rs. 20 per mensem, may be permitted,
- (b) servant (other than a menial servant) so appointed or promoted shall be required

by the Board to subscribe at the rate of 6½ per cent. or one anna in the rupee, of his salary, to the Provident Fund. Subscriptions shall be recovered by the Board by deduction from every salary bill presented, and shall be credited at once to the fund. In making such deductions fractions of a rupee of salary shall be omitted.

(2) A servant who is liable to subscribe to the Provident Fund by reason of his drawing a salary of not less than Rs. 20 per mensem, shall not cease to be a subscriber if his pay is reduced below Rs. 20 per mensem.

(3) A servant who is eligible to subscribe to the Provident Fund may be permitted, on confirmation, to subscribe with retrospective effect from the date of his appointment on probation. The arrears of his subscription in respect to his probationary service shall be recovered in monthly instalments not exceeding double the number of months for which such subscriptions are due. The arrears of contribution due from the Board in respect of the servant's probationary service shall be credited simultaneously with the arrears of subscription.

35. All servants employed under the Cantonments Act, 1910, who were subscribers to a Provident Fund maintained during such service and who are continued in the employment of the Board under the Cantonments Act, 1924, shall be continued as subscribers to the Provident Fund established under these rules and the amount at the credit of every such servant shall be brought forward in the accounts maintained under these rules.

36. The Provident Fund account of any servant employed by a local authority other than a Board, whose services are transferred to a Board, may be transferred to the Provident Fund of the Board and, after such transfer, these rules shall be applicable to such account:

Provided that only approved service under the Board shall be taken into consideration in calculating any bonus payable under rule 39.

*Insurance Policies.*

37. (1) A depositor may substitute for the whole or part of his subscriptions to the Provident Fund the premia for a policy of insurance effected on his own life, if he satisfies the Board as to the due payment of the premia:

Provided that, if the depositor fails to satisfy the Board of the due payment of the premia, or the policy falls due, lapses or becomes in any way encumbered, the depositor shall—

- (a) commence or resume payment of the amount of subscription for which the policy was substituted; and
- (b) repay to the Provident Fund the total amount of subscriptions for which premia have been substituted, in default of which the Board may deduct that amount from the salary of the depositor by instalments not exceeding one-third of his salary and credit it to his account in the Fund.

(2) The depositor shall, and the Board shall not, be responsible for payment of such premia.

#### *Nominations.*

38. (1) The Executive Officer shall require every depositor at the time of making his first deposit to make a nomination conferring the right to receive the amount that may stand to his credit in the Provident Fund in the event of his death before ceasing to be a servant of a Board.

(2) A depositor who, at the time of making his first deposit, has one or more dependants shall send to the Executive Officer a nomination in Form A set forth in Schedule II in favour of that dependant, or of one or more of his dependants, as the case may be.

(3) A depositor who has no dependant shall similarly nominate a person or persons in Form B set forth in Schedule II:

Provided that a nomination made under this sub-rule shall be deemed to have been duly made in accordance with the rules of the Provident Fund only for so long as the subscriber has no dependant.

(4) If a depositor at any time acquires a dependant, he shall send to the Executive Officer a nomination as provided in sub-rule (2) and, if he has under sub-rule (3) nominated any person other than a dependant, he shall formally cancel the previous nomination.

(5) A depositor may in his nomination distribute the amount that may stand to his credit in the Provident Fund amongst his nominees at his own discretion.

(6) A nomination may be cancelled by a depositor and replaced by any nomination which is permitted to be made under this rule.

(7) Nominations shall, whenever possible, be in the handwriting of the depositor and signed by him, and shall be attested by two witnesses.

(8) Current nominations shall be carefully recorded by a responsible officer of the Board.

#### *Contribution by the Board to deposit account of each servant.*

39. (1) The Board shall make a contribution to the deposit account of each depositor at the rate of  $3\frac{1}{4}$  per cent. or one-half anna in the rupee on the salary of the depositor. Such contribution shall be credited to the Provident Fund, month by month, in favour of such servant, together with any deduction made from his salary under rule 34. The contribution shall be charged in the cantonment accounts to Head H—Contributions for General Purposes.

(2) (a) In addition to the contribution made under sub-rule (1), the Board may, if it deems fit, make further contributions, hereinafter called bonuses, to be credited to the Provident Fund in favour of any servant as follows:—

- After 10 years approved service, 2 months' pay.
- After 15 years approved service, 3 months' pay.
- After 20 years approved service, 3 months' pay.
- After 25 years approved service, 4 months' pay.
- After 30 years approved service, 4 months' pay.

Such bonuses may be cumulative, that is, a servant who has received a bonus after serving 10 years may, after serving 5 years more, receive a second bonus, and so on. Approved service shall be reckoned as from the date of commencement of service, irrespective of the date a servant becomes a subscriber to the Provident Fund, but no application for a bonus shall be considered unless it is preferred within six months from the date at which the depositor becomes eligible for a bonus.

(b) Approved service may, where the Board deems fit, include previous service under another Board or other Boards if such other Board or Boards pays or pay a share of the bonus proportionate to the length of such previous service. The Board shall not credit the bonus to the Provident Fund until it has received the proportionate share or shares.

(c) Approved service may, where the Board deems fit, also include previous service under the same Board.

(3) For the purpose of sub-rule (2), "pay" means the pay of the depositor on the date on which he becomes eligible for a bonus.

(4) In special circumstances and with the previous sanction of the Central Government in each case the Board may grant to any servant a bonus of such amount as the Central Government may approve, although no bonus, or a bonus of smaller amount, may be admissible under sub-rule (2). A bonus may be granted under this sub-rule in respect of service rendered wholly or in part before its commencement.

(5) No contribution shall be made by the Board on the subscription paid by the depositor for any period during which he has been suspended as a penalty for misconduct.

#### *Investment.*

40. (1) All subscriptions and contributions under these rules shall be credited into the Provident Fund and paid into the Imperial Bank of India (Savings Bank) or into the Post Office Savings Bank, as the case may be, between the 1st and 4th of the month on which they become due. Such other sums as may subsequently become due in any month shall be credited to the Provident Fund and so paid into the Imperial Bank or the Post Office Savings Bank as to ensure that interest may accrue as quickly as possible.

(2) Such deposits may be invested in Government Securities in accordance with rule 46 of the "Rules for the guidance of depositors in the Post Office Savings Bank", and may also be invested in Government of India loans.

(3) The entire amount of the interest realised on the investment of the Provident Fund shall be distributed proportionately for credit to the accounts of all the subscribers to the Provident Fund.

*Accumulations when payable.*

41. The amount of the subscriptions and contributions with the interest earned thereby at the credit of a depositor shall become payable by the Executive Officer from the Provident Fund:—

- (a) on the death of the depositor, subject to the proviso to sub-rule (3) of rule 38, to the person or persons nominated by him in accordance with that rule, in the proportion specified in the nomination; or
- (b) when the depositor ceases to be a servant of the Board, to the depositor,

and shall be disposed of in the manner provided in section 4 of the Provident Funds Act, 1925:

Provided that, if the depositor ceases to be a servant of the Board by reason of his transfer to the employment of another Board, the amount of the subscriptions and contributions and the interest earned thereby at his credit shall become payable, at his option, either to the depositor himself or by money order to the credit of his account in the Provident Fund of the Board to whose employment he has been transferred:

Provided further that the whole or any part of the amount of the contributions made by the Board to the account of the depositor, together with the interest earned thereby may be deducted from the amount payable under this rule and be paid to the Board, if

- (a) the depositor has been dismissed from the service of the Board for misconduct or has resigned the service of the Board within five years of his appointment thereto otherwise than on medical grounds established to the satisfaction of the Board; or
- (b) the amount to be deducted is due under a liability incurred by the depositor to the Board.

*Advance for special purposes.*

42. (1) No withdrawal of the amount at the credit of a depositor in the Provident Fund shall be allowed except as provided in rule 41:

Provided that, when the pecuniary circumstances of a subscriber are such that in the opinion of the Board the indulgence is absolutely necessary, a temporary advance, not ordinarily exceeding three months' pay and in no case exceeding the amount of the depositor's own subscriptions to the fund with interest thereon, may be allowed from the sum at his credit.

(2) The following are instances of the objects for which such advances may legitimately be allowed:—

- (a) to pay expenses incurred in connection with the illness of a subscriber or of a member of his family;

- (b) to pay for the passage of any member of a subscriber's family, coming from beyond the sea to join him or requiring to make a journey beyond the sea;
- (c) to pay expenses in connection with marriages, funerals, or ceremonies which by the religion of the subscriber it is incumbent upon him to perform, and in connection with which it is obligatory that expenditure should be incurred;
- (d) to build a house for occupation by the subscriber himself at the place where he is actually serving or at which he is permitted to reside while in active service.

(3) Advances shall not be confined rigidly to the objects set forth in sub-rule (2) but shall be made with due regard to the requirement contained in the proviso to sub-rule (1) as illustrated by the examples set forth in sub-rule (2).

43. (1) The order sanctioning the advance shall state the specific purpose for which the advance is granted. Where this purpose is of a confidential nature, it may be communicated to the audit officer personally and confidentially.

(2) When an advance has been granted to a subscriber, subsequent advances shall not, except for strong reasons to be recorded in writing by the Board, be granted to him until at least twelve months have elapsed since the complete repayment of the last advance taken.

44. (1) Advances shall be recovered at the discretion of the Board in not less than twelve instalments or more than twenty-four. A subscriber may, however, at his option make repayment in less than twelve instalments or may repay two or more instalments at the same time.

(2) In determining the advance to be sanctioned, due regard shall be paid to the amount of subscriptions lying to the credit of the applicant. The amount of the advance shall be a sum expressed in whole rupees and ordinarily, the monthly instalments shall also be in whole rupees, the advance applied for being raised or reduced, if necessary, to enable instalments to be thus fixed.

(3) Recoveries shall be made monthly, commencing from the first payment of a full month's salary after the advance is granted, but no recovery shall be made from a subscriber while he is on leave of any kind other than casual leave.

● (4) When two or more advances are made under sub-rule (2) of rule 43, each advance shall be treated separately, and a monthly deduction of not less than one twenty-fourth of each advance shall be made until that advance is cleared.

(5) The instalments shall be paid by compulsory deductions from salary, and shall be in addition to the usual subscription.

45. When an advance is repaid, as regards principal, in not more than twelve instalments, a 13th instalment, representing interest, and equivalent to 4 per cent. of the amount of the advance, shall be paid in the month following that in which the last instalment is paid. Similarly, an additional instalment equivalent to 8 per cent. of the total

amount of the advance shall be paid when the advance is repaid in more than twelve instalments. In calculating such additional instalments a fraction of a rupee if it exceeds eight annas, shall be taken at the next higher whole rupee, and if it does not exceed eight annas shall be ignored.

46. The sum at the credit of a depositor shall not be liable to forfeiture on dismissal or on conviction by a Criminal Court, except for an offence for which the penalty of forfeiture of the whole of the offender's property is prescribed by law.

47. A copy of the account of each depositor shall be furnished to him as soon as possible after the close of the financial year to which the account relates, or at the time of payment in the case of accounts closed in accordance with rule 41.

*Prohibition of voluntary deposits.*

48. No deposits from servants other than those authorised by these rules shall be credited to the Provident Fund.

*Subscription during leave.*

49. Servants shall not be permitted to subscribe to the Provident Fund while absent on leave other than leave on full average salary. They may at their option subscribe while absent on leave on full average salary.

50. A servant who desires to subscribe during such leave shall notify his intention in advance in order to allow of the deductions from his leave allowances being noted in his leave and pay certificate; and a servant who has notified such intention shall not be permitted to discontinue subscribing during leave:

Provided that, if he fails to notify his intention in advance, he may be allowed to pay his subscription during leave in cash.

*Dead Accounts.*

51. On a depositor leaving the service his account shall be closed, and unless the amount at his credit be withdrawn, in the case of balances not exceeding Rs. 10 within one year, and in the case of balances exceeding Rs. 10 within three years, it shall be written off as a dead account, and not repaid save under the orders of the Officer Commanding-in-Chief, the Command.

52. The Board may withdraw from the Post Office Savings Bank all monies lying in deposit on or after the date of the commencement of these rules on account of the Provident Fund, and deposit them in the Imperial Bank of India (Savings Bank).

**Calcutta University.**

Senate House, the 18th September 1937.

**NOTICE.**

The Senate will proceed in the month of August 1938 to the election of a Tagore Professor of Law for a term of one year, to commence on the 1st August 1939.

The salary of the Professorship is Rs. 9,000 per annum and the Professor will be expected to deliver a course of not less than twelve lectures on one of the following subjects:—

- (i) Moslem Law as administered in British India.
- (ii) The Law of Arbitration with special reference to British India.
- (iii) The Law of Carriers by Land, Water and Air with special reference to India.

The salary of the Professor will be paid in twelve *equal monthly instalments*, the first instalment to be paid on the first day of the month following that in which the first lecture is delivered.

Candidates for the Professorship are required to forward their applications to the Registrar on or before the 1st May 1938, stating on which of the above-named three subjects they are prepared to lecture. Each candidate will forward, with his application, one hundred copies of a brief synopsis of his proposed lectures and, if he so pleases, the same number of copies of his introductory lecture.

The Professor will, not later than the month of August following his election, forward to the Registrar a complete copy (manuscript or typewritten) of the lectures which he proposes to deliver. The copy will be forthwith referred by the Faculty of Law to a Committee of not more than three persons to be selected for their special competence in this behalf, who will examine the same, and, before the expiry of two months from the date of the submission of the copy by the Professor to the Registrar, report to the Faculty whether the work is complete and ready for the press. If, upon such report, the Faculty are satisfied that the work is complete, the Professor will commence to deliver his lectures within three months from the date of the resolution of the Faculty and shall complete the delivery thereof in another three months. The copy of the lectures delivered will remain in the custody of the Registrar and shall be sent to the press, as soon as practicable, after delivery thereof.

If the Professor fails to submit the copy of the lectures, or if the copy submitted be found, on examination, to be incomplete and not ready for the press, the matter will be referred to the Faculty of Law, upon whose recommendation the Senate may either extend the time or cancel the appointment.

**NOTIFICATION No. 2595/Ex.**

(1) The next B.A., B.Sc. (Pass, Subsidiary and Honours) and B.Com. Examinations of this University will be held in the months of February and March, 1938, on the dates and time already notified in the Time-table.

(2) The Entry forms for admission to the examination after they have been duly filled in, and signed by the candidates and duly certified by the Heads of the Departments concerned, where necessary, must be presented by the candidates to the Provosts of the Halls concerned not later than Wednesday, the 15th December 1937. The Entry forms are obtainable at the office of the Provosts of the Halls concerned. Entry forms which are not complete in respect of all entries made therein, will not be accepted by Provosts.

Irregular candidates must submit to the Provost of the Hall two copies of the Entry form, one being marked "Duplicate".

*Irregular candidates must state in the Examination Entry form whether they attended classes during the current session, i.e., in 1937-38.*

Attention of the candidates is drawn to the following rules regarding payment of annual fee for retaining names of students on the University roll:—

Students who wish to retain the right of appearing at a subsequent examination after ceasing to be regular students, shall pay an annual fee of Rs. 5 for the privilege of retaining their names on the University roll. This fee shall be payable in the first term of each session. Should any such student fail to pay the fee at the proper time, he shall be required to pay a fee of Rs. 10 per annum: Provided that the Vice-Chancellor shall have power to remit the penalty in such cases as he may deem fit.

(3) Candidates must submit their Intermediate certificates to the Provosts for verification of the correctness of their names written in the Entry forms. The Provosts will not accept the Entry forms without the Intermediate certificates. Candidates must take back their Intermediate certificates attached to their Examination Entry forms from the Provost of the Hall within a fortnight after the examination is over, failing which the Provost will not be responsible for their safe-keeping.

(4) In the case of candidates, who have been granted special permission to appear at the examination, the authority granting them such special permission must be quoted in the Entry forms of the candidates.

(5) Candidates who are required under the rules to pay half the usual examination fees, must obtain at the time of depositing fees a certificate on the Examination Entry form, from the Examination Section of the University, to the effect that they paid their examination fees but did not appear at the examination.

(6) Candidates (other than candidates for the examinations in Subsidiary subjects of Honours Schools) must deposit their proper examination fees and all other outstanding dues up to the end of the session 1937-38 in the Accounts office of the University on the due dates for certification that all dues including the seat-rent, tuition fees, etc., have been paid in full.

(7) Candidates for Subsidiary Examinations will be required to pay arrear dues, if any, up to the fifth instalment and examination fee.

(8) The following are the dates and time for payment of examination fees:—

The Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of

the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are (1) that widowed daughters incapable of re-marriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. For forms of application and rules of the Fund apply to the Accountant-General, Bengal, Imperial Secretariat Buildings, Calcutta.

## DISTRICT REPORTS ON WEATHER AND CROPS.

For the week ending on the 22nd September 1937.

**Summary.**—During the week the rainfall was generally light except in parts of North and East Bengal where the fall was moderate. Transplantation of winter paddy is nearing completion; weeding continues. Lands are being prepared for early spring crops in places. Prospects of standing crops are generally fair. The average price of common rice for the province has fallen by about 0·73 per cent, as compared with that of the previous week :—

## GOVERNMENT OF BENGAL.

### Finance Department.

#### Finance.

#### NOTIFICATION.

No. 10606F.—2nd October 1937.—In exercise of the powers conferred by sections 4 and 5 of the Bengal Legislative Chambers (Members' Emoluments) Act, 1937, the *Governor* is pleased to make the following rules, namely:—

#### Rules.

1. (i) These Rules may be called the Bengal Legislative Chambers (Members' Allowances) Rules, 1937.

(ii) They shall be deemed to have come into force on the 1st April 1937:

Provided that they shall not entitle any member to further payment of mileage or daily allowance in respect of any journey or halt for which he has received payment under Subsidiary Rule 99.

2. In these rules—

(1) "Act" means the Bengal Legislative Chambers (Members' Emoluments) Act, 1937.

(2) "Chamber" means the Bengal Legislative Council or the Bengal Legislative Assembly as the context may require.

(3) "Member" means a member as defined in the Act, namely, a Member either of the Bengal Legislative Council or of the Bengal Legislative Assembly, other than the Governor's Council of Ministers, the President of the said Council, the Speaker of the said Assembly, Parliamentary Secretaries, Parliamentary Under-Secretaries and Parliamentary Private Secretaries, if any.

(4) "Session" means the whole period of a legislative session from the time when the Chamber is assembled to the time when it is prorogued.

(5) "Meeting" means the meeting of the Chamber or of a Committee of the Chamber during the session or out of the session, or a meeting to which a member is summoned out of the session for the transaction of business connected with his duties as a member of the Chamber

(6) "Usual place of residence" means the place where a member generally resides for at least six months in the year.

(7) "House" means the building in which the meeting is held.

(8) "Mufassal member" means a member whose usual place of residence is outside a radius of 25 miles from the House.

(9) "Mileage allowance" means—

(i) in the case of journeys by rail or steamer, an allowance at the rate prescribed in the Act, namely, at the rate of one and a half times first class fare;

(ii) in the case of journeys by road—

(a) for journeys not exceeding 30 miles, an allowance at the rate of annas six per mile if the journey is performed by motor vehicles, and annas eight per mile if the journey is performed otherwise;

(b) for journeys exceeding 30 miles, an allowance at the above rates for the first 30 miles and at half the above rates for the excess over 30 miles.

*Note.*—Where mileage allowance is claimed at the rate of annas eight per mile, the member drawing the bill shall certify that no part of the journey in question was performed by motor vehicles.

(10) "Conveyance allowance" means a conveyance allowance at the rate prescribed by the Act, namely, at the rate of Rs. 2-8 per diem.

(11) "Day" means a calendar day beginning and ending at midnight.

3. A member may draw conveyance allowance for any day on which he attends a meeting.

4. No member may draw mileage allowance and daily allowance for the same day.

5. No member who arrives at and leaves the place of meeting on the same day may draw daily allowance for that day.

6. No member may draw daily allowance for any day after—

(a) the close of the session;

(b) the completion of the business for which a member is summoned out of session.

7. No member whose usual place of residence is within a radius of 5 miles from the House and no member who ordinarily carries on his professional business within a radius of 5 miles from the House may draw mileage allowance or daily allowance for attending the meeting.

8. No member whose usual place of residence is within a radius of 25 miles from the House and no member who ordinarily carries on his professional business within a radius of 25 miles from the House may draw daily allowance.

9. Subject to rules 4 to 8, a member who has to leave his usual place of residence or the place where he ordinarily carries on his professional business for the purpose of attending meetings or transacting business connected with his duties as a member of Chamber may draw mileage allowance and daily allowance.

*Note.*— Mileage allowance to a member will be paid to and from his usual place of residence, if within the province, or to and from the headquarters of his constituency if his usual place of residence is outside the province.

10. Notwithstanding anything contained in rule 12, if a member attends the first meeting of its session of the Chamber and stays throughout the session, he may draw daily allowance for the whole session:

Provided that he has attended all meetings of the Chamber during the session or, in the case of absence from any meeting, has explained such absence to the satisfaction of the President or the Speaker, as the case may be:

Provided further that where daily allowance is drawn under the authorisation of the President or the Speaker, as the case may be, for days of absence, the allowance shall be drawn at the following rates:—

(a) For the first six days of absence in a session, at full rates;

(b) For a further twelve days of absence in a session, at half rates;

(c) For days of absence in excess of eighteen in a session, no allowance.

11. If a member does not arrive or leave on the day of the meeting, he will be considered to arrive on the day before the meeting and to leave the day after the meeting even if, as a matter of fact, he arrives some days before or leaves some days after. He will, therefore, be entitled to mileage allowance for the day before and the day after the meeting, and to daily allowance for the day of the meeting only, and not for any other days during which he may reside in the place where the Chamber or Committee is sitting, before or after the meeting.

12. (a) In the case of adjournments or intervals between meetings of seven days or less a mufassal member who stays at the place of meeting for the intervening period may draw daily allowance for that period. A mufassal member who returns to his usual place of residence may draw mileage allowance, but the amount drawn shall in no case exceed the amount which would have been admissible if he had elected to stay at the meeting place, and drawn daily allowance.

(b) In the case of adjournments or intervals between meetings of more than seven days a mufassal member may return to his usual place of residence in the intervening period and may draw mileage

allowance. If he stays at the place of meeting he may draw daily allowance but the amount drawn shall not exceed the amount which he would have drawn as mileage allowance had he returned to his usual place of residence.

13. Where a meeting lasts over the week-end, mileage allowance is not admissible to a member who leaves the place of meeting during the week-end, but he may draw daily allowance for the week-end provided he is present at the opening meeting after the week-end; otherwise he may draw daily allowance only for the days on which he actually attended meetings.

14. In the case of protracted sittings of three weeks' duration or over, a member may return to his usual place of residence once during that period at the public expense, and in such cases he may draw one single first class fare by rail or steamer and mileage by road. But any member who stays away from the place of meeting for such a length of time as necessitates his being absent for more than six consecutive meetings shall forfeit his right to this concession.

15. (a) For the purpose of calculating mileage allowance, a journey between two places is held to have been performed by the shortest of two or more practicable routes or by the cheapest of such routes as may be equally short: Provided that when there are alternative railway routes and the difference between them in point of time and cost is not great, mileage allowance should be calculated on the route actually used.

(b) The shortest route is that by which the traveller can most speedily reach his destination by the ordinary modes of travelling.

(c) If a member travels by a route which is not the shortest but is cheaper than the shortest, his mileage allowance should be calculated on the route actually used.

*Note.*—When a member travels by a route which is not the direct or the cheapest route, it is necessary that he should show in the travelling allowance bill, the details of the journey and the various stages by which it was made.

By order of the Governor,

D. GLADDING,

#### **Report.**

The petitioner Mahitosh Saha was a candidate at the last General Election for the Bengal Legislative Assembly from the Burdwan Central (Rural) General Constituency. There were four other candidates, and respondents Nos. 1 and 2 were elected. The respondent No. 1 obtained 33,421 votes, the respondent No. 3 obtained 23,344 votes, and the petitioner obtained 2,371 votes. The second respondent, who with the first respondent, is represented in these proceedings, obtained 2,383 votes. The petition was duly submitted to His Excellency the Governor,

and was admitted and published in the *Calcutta Gazette* on the 24th June 1937. It contained four lists of charges which included (A) irregularities, (B) corrupt practices, viz., illegal entertainment on a large scale of electors, carriage of voters, circulation at various centres of pamphlets which did not contain the name of the printer or publisher, promises made to voters to induce them to vote. Charges of undue influence were made in list "C". List "D" is a list of mis-statements and omissions said to be found in the return of election expenses. The petitioner prayed that the election of respondents Nos. 1 and 2 be declared void and set aside and a recount ordered, and that he might be declared to be elected. The parties appeared before this court on 12th July 1937 in response to a summons for directions. The Advocate-General appearing for the first respondent contended that certain allegations should be struck out inasmuch as no particulars had been given in the petition. The Commissioners were of opinion that the petitioner should have an opportunity of furnishing the particulars required and they ordered this to be done by the 19th July. In view of the nature and the number of charges the petitioner was ordered to furnish further security for Rs. 5,000 and that security has been lodged. Issues were framed on the 3rd of August, and the 9th August was fixed for the hearing of the petition, and it appeared in the list for that day but was not taken up as a part-heard matter was before the Tribunal. The hearing of that matter was concluded to-day and this petition was called on. Mr. Majumdar who had been appearing for the petitioner informed the Tribunal that he now had no instructions. As no appearance has been made on behalf of the petitioner, and no evidence has been adduced in support of the charges, the contesting respondents pray that the petition should be dismissed. The Commissioners are of opinion that the petition should be dismissed and that respondents Nos. 1 and 2 have been duly elected. They assess the costs at Rs. 1,000 to be divided equally among the two contesting respondents, and they will advise His Excellency the Governor of Bengal accordingly.

### NOTIFICATIONS.

No. 3439P.H.—30th September 1937.—**Mr. R. Grant**, Chief Inspector and Secretary, Bengal Smoke Nuisances Commission, has been granted by the High Commissioner for India an extension of leave on half average pay for eleven days.

**Tippera.**—No. 3458P.H.—2nd October 1937.—In pursuance of rule 8 of the rules for the preparation, publication and execution of projects for water-supply, sewerage or drainage by municipal authorities, it is hereby notified for general information that the scheme for the extension of the supply of filtered water in the Comilla Municipality has been approved by the Governor of Bengal, and that the particulars of the said scheme are as follows:—

1. (a) The scheme is designed to remodel the existing distribution system by laying larger mains with a view to increase the pressure of water throughout the whole of the western end of the town including the Kandirpar area.

(b) The estimated capital cost of the scheme is Rs. 30,500.

(c) There will be no additional maintenance cost on account of the projected works.

(d) The cost of Rs. 30,500 will be met as follows:—

Government grant - Rs. 10,166.

Loan from Government - Rs. 5,334.

Contribution from the municipal fund—Rs. 15,000.

(c) The loan of Rs. 5,334 will be repaid in 20 years by *forty* half-yearly instalments of Rs. 191 each, interest at 3½ per cent.

2. (a) The total annual charge by reason of the water-supply which is met from the water-rate is Rs. 19,500 approximately.

(b) The percentage of such water-rate on the annual value of holdings is 5 per cent.

(c) The average incidence of such water-rate per head of the population in the water-rate area of the municipality is annas 13-9p.

3. The scheme will be taken into consideration on or after the 15th November 1937, and any objection or suggestion with regard thereto, which may be received by the undersigned before that date will be duly considered.

**Tippera.**—No. 3470P.H. — 5th October 1937.—In pursuance of rule 8 of the rules for the preparation, publication and execution of projects for water-supply, sewerage, or drainage by municipal authorities, it is hereby notified for general information that the scheme for the supply of filtered water to the southern section of the Chandpur Municipality has been approved by the Governor

of Bengal, and that the particulars of the said scheme are as follows:—

1. (a) The scheme is designed on the decentralised storage system for a daily supply of 67,500 gallons of filtered and chlorinated water to the municipal area on the southern bank of the Dakatia khal and will replace the existing small waterworks in Puranbazar which give a scanty supply to only a limited number of persons in that section of the municipality. The raw water of the Dakatia khal will be pumped by oil engines for eight hours daily, and during the saline periods the pumping of water from the khal will be arranged so as to synchronise with the tidal conditions. The scheme provides also arrangements for fire protection.

(b) The estimated capital cost of the scheme is Rs. 1,58,449.

(c) The annual maintenance cost is estimated at Rs. 8,358.

(d) The cost of Rs. 1,58,449 will be met as follows:—

Government grant—Rs. 52,816.  
Loan from Government—Rs. 95,000.  
Donations—Rs. 10,633.

(e) The loan of Rs. 95,000 will be repaid in twenty-five years by annual instalments of Rs. 5,921-8 each, interest being at 3½ per cent.

2. (a) The total annual charge to be incurred by reason of the water-supply and to be met by a water-rate will be Rs. 14,277.

(b) The percentage of such water-rate on the annual value of holdings will be 6¼ per cent.

(c) The average incidence of such water-rate per head of the population in the water-rate area of the southern section of the municipality will be Rs. 1-9-8.

3. The scheme will be taken into consideration on or after the 15th November 1937, and any objection or suggestion with regard thereto, which may be received by the undersigned before that date, will be duly considered.

## DEPARTMENT OF INDUSTRIES AND LABOUR.

### NOTIFICATIONS.

Simla, the 22nd September 1937.

No. L.-3070.—The following draft of certain rules which the Central Government proposes to make in exercise of the powers conferred by sub-sections (2), (3) and (4) of section 26, read with section 24, of the Payment of Wages Act, 1936 (IV of 1936), and in supersession of the Payment of Wages (Railways) Rules, 1937, in so far as they relate to Federal Railways as defined in the Government of India Act, 1935, is published as required by sub-section (5) of section 26 of the first named Act for the information of all persons likely to be affected thereby, and notice is hereby given that the draft will be taken into consideration on or after the 27th December 1937.

Any objection or suggestion which may be received in respect of the draft before the date specified will be considered by the Central Government.

### DRAFT RULES.

1. *Title and application.*—(1) These rules may be called the Payment of Wages (Federal Railways) Rules, 1937.

(2) These rules apply in respect of the payment of wages to persons employed upon any federal railway (including factories) by or under a Railway Administration.

2. *Definitions.*—In these rules, unless there is anything repugnant in the subject or context,—

- (a) “the Act,” means the Payment of Wages Act (IV of 1936);
- (b) “the Authority” means the authority appointed under sub-section (1) of section 15 of the Act;
- (c) “the Court” means the court mentioned in sub-section (1) of section 17 of the Act;
- (d) “deduction for breach of contract” means a deduction made in accordance with the provisions of the proviso to sub-section (2) of section 9;
- (e) “deduction for damage or loss” means a deduction made in accordance with the provisions of clause (c) of sub-section (2) of section 7;
- (f) “Federal Railway” has the same meaning as in the Government of India Act, 1935;
- (g) “Form” means a form appended to these rules;
- (h) “Inspector” means an inspector authorized by or under section 14 of the Act;
- (i) “person employed” does not include any person to the payment of whose wages the Act does not apply;
- (j) “section” means a section of the Act;

(k) “paymaster” means the Railway Administration or other person or persons who may be nominated as such by the Railway Administration under clause (c) of section 3;

(l) “the Supervisor” means the supervisor of Railway Labour appointed under sub-section (1) of section 71G of the Indian Railways Act (IX of 1890);

(m) words and expressions defined in the Act shall be deemed to have the same meaning as in the Act.

3. *Register of Fines.*—(1) On any railway of which the Railway Administration has obtained approval under sub-section (1) of section 8 to a list of acts and omissions in respect of which fines may be imposed, the paymaster shall maintain a Register of Fines in Form I.

(2) At the beginning of the Register of Fines there shall be entered serially numbered the approved purpose or purposes on which the fines realized are to be expended.

(3) When any disbursements are made from the fines realized, a deduct entry of the amount so expended shall be made in the Register of Fines, and a voucher or receipt in respect of the amount shall be affixed to the Register. If more than one purpose has been approved the entry of the disbursement shall also indicate the purpose for which it is made.

4. *Register of deductions for damage or loss.*—On every railway in which deductions for damage or loss are made the paymaster shall maintain the Register required by sub-section (2) of section 10 in Form II.

5. *Register of Wages.*—A Register of Wages shall be maintained by every Railway Administration and may be kept in such form as the paymaster finds convenient but shall include the following particulars:—

- (a) the gross wages of each person employed for each wage period;
- (b) all deductions made from those wages, with an indication, in each case, of the clause of sub-section (2) of section 7 under which the deduction is made;
- (c) the wages actually paid to each person employed for each wage period.

6. *Maintenance of Registers.*—The registers required by rules 3, 4 and 5 shall be preserved for twelve months after the date of the last entry made in them.

7. *Places for displaying notices.*—The Supervisor shall specify such place or places on the railway, other than factories, as he thinks fit (hereinafter referred to as “specified place” or “specified places”) for the display of notices, lists and rules under rules 8, 12 and 16.

8. *Notice of dates of payment.*—The paymaster shall display, in a conspicuous place at or near the main entrance of every factory in his jurisdiction, and at the specified place or specified places, a notice, in English and in the language of the majority of the persons employed at such

factories or places showing for not less than two months in advance, the days on which wages are to be paid.

9. *Prescribed authority.*—The Supervisor shall be the authority competent to approve, under sub-section (7) of section 8, acts and omissions in respect of which fines may be imposed and, under sub-section (8) of section 8, the purposes to which the proceeds of fines shall be applied.

10. *Application in respect of fines.*—Every Railway Administration requiring the power to impose fines in respect of any acts and omissions on the part of employed persons shall send to the Supervisor—

- (a) a list, in English, in duplicate, clearly defining such acts and omissions;
- (b) in cases where the Railway Administration itself does not intend to be the sole authority empowered to impose fines, a list, in duplicate, showing, by virtue of office, such of its officers as may pass orders imposing fines and the class of establishment on which any such officer may impose fine.

11. *Approval of list of acts and omissions.*—The Supervisor may, on receipt of the list prescribed in sub-rule (a) of rule 10, and after such enquiry as he considers necessary, pass orders in respect of the list referred to in clause (a) of rule 10 either—

- (a) disapproving the list,
- (b) approving the list either in its original form or as amended by him, in which case such list shall be deemed to have been approved under sub-section (7) of section 8:

Provided that no order disapproving or amending the list shall be passed unless the Railway Administration shall have been given an opportunity of showing cause orally or in writing against such order.

12. *Posting of list.*—The Railway Administration shall display at or near the main entrance of every factory, and at the specified place or specified places, a copy in English, together with a literal translation thereof, in the language of the majority of the persons employed at such factory or place, of the list approved under rule 11.

13. *Persons authorized to impose fines.*—No fine may be imposed by any person other than the Railway Administration, or a person holding an appointment named in the list referred to in sub-rule (b) of rule 10.

14. *Procedure in imposing fines and deductions.*—No fine shall be imposed on and no deductions made from a person employed upon a railway except in accordance with the procedure laid down in the rules and regulations in force on the Railway Administration and no fine shall be imposed or deduction made until the employed person has been given an opportunity of showing cause against such imposition or deduction.

15. *Information to paymaster.*—The person imposing a fine or directing the making of a deduction for damage or loss shall at once inform the paymaster of all particulars

necessary for the completion of the register prescribed in Rule 3 or Rule 4, as the case may be.

16. *Deductions under the proviso to sub-section (2) of section 9.*—(1) No deduction under the proviso to sub-section (2) of section 9 shall be made from the wages of an employed person who is under the age of fifteen years or is a woman.

(2) No such deduction shall be made from the wages of any employed person unless:—

- (a) there is provision in writing in the terms of the contract of employment requiring him to give notice of the termination of his employment and
- (i) the period of this notice does not exceed fifteen days or the wage-period, whichever is less; and
- (ii) the period of this notice does not exceed the period of notice which the employer is required to give of the termination of that employment;
- (b) this rule has been displayed in English and in the language of the majority of the employed persons at or near the main entrance of the factory, and at the specified place or specified places, concerned, and has been so displayed for not less than one month before the commencement of the absence in respect of which the deduction is made;
- (c) a notice has been displayed at or near the main entrance of the factory, and at the specified place or specified places, concerned, giving the names of the persons from whom the deduction is proposed to be made, the number of days' wages to be deducted and the conditions (if any) on which the deduction will be remitted.

Provided that where the deduction is proposed to be made from all the persons employed in any departments or sections or factories of the railway, it shall be sufficient, in lieu of giving the names of the persons in such departments, sections, or factories to specify the departments, sections, or factories affected.

(3) No such deduction shall exceed the wages of the person employed for the period by which the notice of termination of service given falls short of the period of such notice required by the contract of employment.

(4) If any conditions have been specified in the notice displayed under clause (c) of sub-rule (2), no such deduction shall be made from any person who has complied with such conditions.

17. *Annual Return.*—Every Railway Administration in which during the year ending the 31st March any fines have been imposed or any deductions for breach of contract or for damage or loss have been made from wages, shall send a return in Form III so as to reach the Supervisor not later than the 15th of May following the end of the year to which it relates.

20. *Penalties.*—Any breach of rules 3, 4, 5, 6, 8, 12, 15 and 17 of these rules shall be punishable with fine which may extend to two hundred rupees.

## FORM IV.

ABSTRACT OF THE PAYMENT OF WAGES ACT,  
1936, AND THE RULES MADE THEREUNDER.*Whom the Act affects.*

1. The Act applies to the payment of wages to persons in this factory receiving less than Rs. 200 a month.

2. No employed person can give up by contract or agreement his rights under the Act.

*Definition of wages.*

3. "Wages" means all remuneration payable to an employed person on the fulfilment of his contract of employment.

It includes bonus and any sum payable for want of a proper notice of discharge.

It excludes:—

- (a) the value of house-accommodation, supply of light, water, medical attendance, or other amenity or of any service excluded by the Central Government;

(b) the employer's contribution to a pension or provident fund;

(c) travelling allowance or concession or other special expenses entailed by the employment;

(d) any gratuity payable on discharge.

*Responsibility for and method of payment.*

4. The manager of the factory is responsible for the payment under the Act of wages to persons employed under him, and any contractor employing persons is responsible for payment to the persons he employs.

5. Wage-periods shall be fixed for the payment of wages at intervals not exceeding one month.

6. Wages shall be paid on a working day within 7 days of the end of the wage-period (or within 10 days if 1,000 or more persons are employed).

The wages of a person discharged shall be paid not later than the second working day after his discharge.

## 7. Payments in kind are prohibited.

### *Fines and deductions.*

8. No deductions shall be made from wages except those authorised under the Act (*see* paragraphs 9—15 below).

9. (1) Fines can be imposed only for such acts and omissions as the employer may, with the previous approval of the Supervisor, specify by a notice displayed at or near the main entrance of the factory and after giving the employed person an opportunity for explanation.

#### (2) *Fines—*

- (a) shall not exceed half-an-anna in the rupee,
- (b) shall not be recovered by instalments, or later than sixty days of the date of imposition;
- (c) shall be recorded in a register and applied to such purposes beneficial to the employed persons as approved by the Supervisor;
- (d) shall not be imposed on a child.

10. (a) Deductions for absence from duty can be made only on account of the absence of the employed person at times when he should be working, and such deductions must not exceed an amount which is in the same proportion to his wages for the wage-period, as the time he was absent in that period is to the total time he should have been at work.

(b) If ten or more employed persons, acting in concert, absent themselves without reasonable cause and without due notice, the deduction for absence can include wages for eight days in lieu of notice, but:—

- (1) No deduction for breaking a contract can be made from a person under 15 or a woman,
- (2) There must be a provision in writing which form part of the contract of employment, requiring that a specific period of notice of intention to cease work not exceeding 15 days or the period of notice which the employer has to give to discharge a worker, must be given to the employer and that wages may be deducted in lieu of such notice.
- (3) The above provision must be displayed at or near the main entrance of the factory.
- (4) No deduction of this nature can be made until a notice that this deduction is to be made has been posted at or near the main entrance of the factory.
- (5) No deduction must exceed the wages of the employed person for the period by which the notice he gives of leaving employment, is less than the notice he should give under his contract.

11. Deductions can be made for damage to or loss of goods expressly entrusted to an employed person or for loss of money for which he is required to account, where such

damage or loss is due to his neglect or default.

Such deduction cannot exceed the amount of the damage or loss caused and can be made only after giving the employed person an opportunity for explanation.

12. Deductions can be made, equivalent to the value thereof, for house accommodation, amenities, or services (other than tools and raw material) supplied by the employer, provided these are accepted by the employed person as a part of the terms of his employment and have in the case of amenities and services been authorised by order of the Central Government.

13. (a) Deductions can be made for the recovery of advances, or for adjustment of over-payment of wages.

(b) Advances made before the employment began can only be recovered from the first payment of wages for a complete wage-period but no recovery can be made of advances given for travelling expenses before employment began.

(c) Advances of unearned wages can be made at the paymaster's discretion during employment.

14. Deductions can be made for subscription to and for repayment of advances from any recognised provident fund.

15. Deductions can be made for payments to co-operative societies approved by the Central Government or to the postal insurance, subject to any conditions imposed by the Central Government.

### *Inspections.*

16. An Inspector can enter on any premises, and can exercise powers of inspection (including examination of documents and taking of evidence) as he may deem necessary for carrying out the purposes of the Act.

### *Complaints of deductions or delays.*

17. (1) Where irregular deductions are made for wages, or delays in payment take place, an employed person can make an application in the prescribed form within 6 months to the Authority appointed by the Local Government for the purpose. An application delayed beyond this period may be rejected unless sufficient cause for the delay is shown.

(2) Any legal practitioner, official of a registered trade union, Inspector under the Act, or other person acting with the permission of the Authority can make the complaint on behalf of an employed person.

(3) A single application may be presented by, or on behalf of, any number of persons belonging to the same factory the payment of whose wages has been delayed.

### *Action by the Authority.*

18. The Authority may award compensation to the employed person in addition to ordering the payment of delayed wages or the refund of illegal deductions.

If a malicious or vexatious complaint is made, the Authority may impose a penalty not exceeding Rs. 50 on the applicant and order that it be paid to the employer.

*Appeal against the Authority.*

19. An appeal in the prescribed form against a direction made by the Authority may be preferred within 30 days in Madras, Bombay, Calcutta, to the Court of Small Causes and elsewhere to the District Court—

- (a) by the paymaster if the total amount directed to be paid exceeds Rs. 300;
- (b) by an employed person, if the total amount of wages withheld from him or his co-workers, exceeds Rs. 50;
- (c) by a person directed to pay a penalty for a malicious or vexatious application.

*Punishments for breaches of the Act.*

20. Any one delaying the payment of wages beyond the due date, or making any unauthorised deduction from wages is liable to a fine upto Rs. 500, but only if prosecuted with the sanction of the Authority or the appellate Court.

21. The paymaster who,—

- (1) does not fix a wage-period, or
- (2) makes payment in kind, or
- (3) fails to display at or near the main entrance of the factory this Abstract in English and in the language of the majority of the employed persons, or
- (4) breaks certain rules made under the Act,

is liable to a fine not exceeding Rs. 200.

A complaint to this effect can be made only by the Inspector, or with his sanction.

The 23rd September 1937.

No. M.-1028 (1). The following draft of certain further amendments to the Indian Coal Mines Regulations, 1926, which it is proposed to make in exercise of the powers conferred by section 29 of the Indian Mines Act, 1923 (IV of 1923), is published as required by sub-section (7) of section 31 of the said Act for the information of all persons likely to be affected thereby and notice is hereby given that the said draft will be taken into consideration on or after the 3rd January 1938.

The Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are (1) that widowed daughters incapable of re-marriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. For forms of application and rules of the Fund apply to the Accountant-General, Bengal, Imperial Secretariat Buildings, Calcutta.

WHEREAS it is expedient further to amend the Indian Companies Act, 1913, for the purposes hereinafter appearing; It is hereby enacted as follows:—

VII of  
1913.

Short title.

1. This Act may be called the Indian Companies (Amendment) Act, 1937.

Amendment of  
section 86I,  
Act VII of 1913.

2. In clause (a) of sub-section (I) of section 86I of the Indian Companies Act, 1913 (hereinafter referred to as the said Act), for the figure "84" the figure "85" shall be substituted.

VII of  
1913.

Amendment of  
section 134,  
Act VII of 1913.

3. In sub-section (I) of section 134 of the said Act,—

(a) after the words "profit and loss account" the words "or the income and expenditure account, as the case may be" shall be inserted; and

(b) for the words "a copy of the balance-sheet" the words "copies thereof" shall be substituted.

Amendment of  
section 235,  
Act VII of 1913.

4. To section 235 of the said Act the following sub-section shall be added, namely:—

“(3) Nothing contained in sub-section (1) shall operate to extend the period of limitation in respect of any application which was already barred by limitation at the commencement of the Indian Companies (Amendment) Act, 1936.”

Amendment of  
section 237,  
Act VII of 1913.

5. In section 237 of the said Act,—

(a) in sub-section (6), the words beginning with “and it shall be the duty of” and ending “which he is reasonably able to give”, and the words beginning with “For the purposes of this sub-section” and ending “whether that person is or is not an officer of the Company” shall be omitted;

(b) after sub-section (6) the following sub-section shall be inserted, namely:—

“(7) When any proceedings are instituted under this section it shall be the duty of the liquidator and of every officer and agent of the Company past and present (other than the defendant in the proceedings) to give all assistance in connection with the prosecution which he is reasonably able to give, and for the purposes of this sub-section the expression agent in relation to a Company shall be deemed to include any banker or legal adviser of the Company and any person employed by the Company as auditor, whether that person is or is not an officer of the Company.”; and

(c) existing sub-section (7) shall be re-numbered as sub-section (8), and in that sub-section as so re-numbered, for the word, brackets and figure “sub-section (6)” the word, brackets and figure “sub-section (7)” shall be substituted.

Amendment of  
section 277F,  
Act VII of 1913.

6. In clause (2) of section 277F of the said Act, after the words “managing agent” the words “of a Company not being a banking Company” shall be inserted.

Amendment of  
section 277M,  
Act VII of 1913.

7. (1) Section 277M of the said Act shall be re-numbered as sub-section (1) of that section and, in the said section so re-numbered, for the words “A banking Company shall not form or hold shares in any subsidiary Company except a subsidiary Company of its own” the words “A banking Company shall not form any subsidiary Company except a subsidiary Company” shall be substituted.

(2) To the said section as so re-numbered the following sub-section shall be added, namely:—

“(2) Save as provided in sub-section (1), a banking Company shall not hold shares in any Company of an amount exceeding fifty per cent. of the issued share capital of that Company.

Provided that nothing in this sub-section shall apply to shares held by a banking Company before the commencement of the Indian Companies (Amendment) Act, 1936.”

XXII of  
1936.

Amendment of  
First Schedule,  
Act VII of 1913.

8. In the First Schedule to the said Act, in Regulation No. 56 of Table A, for the words “by at least three members” the following shall be substituted, namely:—

“in accordance with the provisions of clause (c) of sub-section (1) of section 79 of the Indian Companies Act, 1913.”

## STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to remove certain inaccuracies and correct certain errors which crept into the Indian Companies Act, 1913, in the course of the recent extensive amendment of that Act by the Indian Companies (Amendment) Act, 1936. The Notes on Clauses which follow set forth in detail the nature of each provision of the Bill.

N. N. SIRCAR.

## NOTES ON CLAUSES.

*Clause 2.*—The figure “84” in section 86I, sub-section (1) (a), of the Indian Companies Act, 1913, is a mistake for “85”. The proposed amendment rectifies this mistake.

*Clause 3.*—A comparison of section 134 of the Indian Companies Act, 1913, with section 131 indicates that in the former section mention of the income and expenditure account in the case of a company not trading for profit has been inadvertently omitted, and that the wording fails to indicate that the documents to be filed with the Registrar of Companies should include the profit and loss account or income and expenditure account as well as the balance-sheet. The proposed amendment rectifies these errors.

*Clause 4.*—Before section 235 of the Indian Companies Act, 1913, was amended by the 1936 Amending Act, the period of limitation prescribed for an application under the section was that applicable to a suit. It was not intended that retrospective effect should be given to the change whereby that period of limitation was increased, but the manner in which the amendment was made makes it possible that in some cases such an effect might actually be produced. Clause 3 rectifies this oversight.

*Clause 5.*—The presence in sub-section (6) of section 237 of the Indian Companies Act, 1913, of the words which are now to be removed from that sub-section and re-enacted as a separate sub-section has the effect of confining the obligation to assist the prosecution to those cases only in which the Registrar of Companies on the advice of the Advocate-General or public prosecutor institutes proceedings whereas the obligation was intended to extend to all proceedings instituted under the section. The proposed re-arrangement of the section corrects this error.

*Clause 6.*—This removes an inconsistency between clause (2) of section 277F of the Indian Companies Act, 1913, and section 277H which recognises the capacity of a banking company to act as managing agent of another banking company.

*Clause 7.*—There is an inconsistency between section 277M of the Indian Companies Act, 1913, and clause (1) of section 277F which permits a banking company to hold and deal in shares. Section 277M was aimed merely at prohibiting a banking company from forming or possessing subsidiary companies whose purposes were other than banking purposes. The wording of the section was however defective in that it inadvertently prohibited a bank from holding any shares of a subsidiary company of a company other than itself. The redraft of the section proposed by this clause corrects the error.

*Clause 8.*—Regulation 56 of Table A is by virtue of sub-section (2) of section 17 of the Indian Companies Act, 1913, compulsorily included in the Articles of Association of all companies. The Regulation however was not amended so as to remove its inconsistency with section 79 (1) (c) of the Act. This oversight is now corrected.

## GOVERNMENT OF INDIA.

## Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 23rd August, 1937:—

L. A. BILL No. 27 OF 1937.

*A Bill to regulate the import into British India of drugs and medicines.*

WHEREAS it is expedient to regulate the import into British India of certain drugs and medicines; It is hereby enacted as follows:—

Short title,  
extent and  
application.

1. (1) This Act may be called the Import of Drugs Act, 1937.

(2) It extends to the whole of British India.

(3) Nothing in this Act shall apply to any drug to which the Dangerous Drugs Act, 1930, applies.

II of 1930.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context,—

(a) "drug" means any chemical substance, or combination of chemical substances, used or which may be used as a medicine, or in the preparation of a medicine, or as an ingredient in a medicine, whether such medicine is for human beings or for animals, and whether for internal or external application, and includes organo-metallic compounds, and vaccines, sera and other biological products;

(b) "medicine" includes patent and proprietary medicines;

(c) "misbranded drug" means a drug the covering or container of which bears any statement or device relating to the drug or the ingredients contained therein, which is false or calculated to mislead;

(d) "standard quality" when applied to a drug or medicine means that the drug or medicine complies with the standard set forth in the Schedule or fixed by the Central Government in exercise of the power conferred by section 5;

(e) "prescribed" means prescribed by rules made under section 6.

Prohibition of  
import of drugs  
and medicines.

3. From such date as may be fixed by the Central Government by notification in the Official Gazette in this behalf, no person shall bring into British India,—

(a) any drug which is not of the standard quality as laid down by or under this Act, or

(b) any misbranded drug, or

(c) otherwise than under and in accordance with the terms of a licence issued under this Act any patent or proprietary medicine the formula of which is undisclosed, or

- (d) any drug or medicine the import of which is prohibited by rule made under section 6:

Provided that nothing contained in this section shall apply to the import subject to the prescribed conditions of samples of any drug or medicine for the purpose of examination, test or analysis:

Provided further that the Central Government may by notification in the Official Gazette permit subject to any conditions specified in the notification the import of any specified drug or class of drugs not being of the standard quality.

Application of law relating to Sea Customs and powers of Customs' officers.

4. (1) The law for the time being in force relating to Sea Customs and to goods the import of which is prohibited by section 18 of the Sea Customs Act, 1878, shall apply in respect of drugs and medicines the import of which is prohibited under section 3 of this Act, and the officers of Customs and the officers empowered under the Sea Customs Act, 1878, to perform the duties imposed by that Act on a Customs Collector and other officers of Customs shall have the same powers in respect of such drugs and medicines as they have for the time being in respect of goods the import of which is prohibited by section 18 of the Sea Customs Act, 1878.

VIII of 1878.

VIII of 1878.

VIII of 1878.

(2) Without prejudice to the provisions contained in sub-section (1), the Customs Collector or any officer authorised by the Provincial Government in this behalf may detain any package imported into British India which he suspects to contain any drug or medicine the import of which is prohibited under section 3 and shall forthwith report such detention to such officer as the Provincial Government may appoint in this behalf, and if required by such officer forward the package or samples of any suspected drug or medicine found therein to such officer.

Power to lay down standards of quality.

5. (1) The Central Government may, by notification in the Official Gazette, alter the Schedule, and if it does so the Schedule shall be deemed to be amended accordingly.

(2) The Central Government may, by a like notification, lay down a standard quality for any drug not specified in the Schedule.

Power of Central Government to make rules.

6. (1) The Central Government may, by notification in the Official Gazette, make rules for the purpose of giving effect to the provisions of this Act.

(2) Without prejudice to the generality of the foregoing power such rules may —

- (a) prescribe the form and conditions of the licence for the import of a patent or proprietary medicine and the fee that may be charged therefor;
- (b) prescribe the conditions subject to which samples of drugs or medicines may be imported for the purpose of examination, test or analysis;
- (c) prescribe the places at which drugs and medicines may be imported and prohibit their import at any other place;
- (d) regulate the submission by importers and the securing of samples of drugs and medicines for examination, test or analysis, and the manner

of examination, test and analysis of such samples, and prescribe the charges that shall be made for any examination, test or analysis;

- (e) prescribe the evidence to be supplied, whether by accompanying documents or otherwise of the quality of drugs for which admission to British India is sought, the procedure of the Customs officials in dealing with such evidence, and the manner of storage at places of import of drugs and medicines detained pending admission to British India;
- (f) prohibit the import of drugs or of any specified drug except under a licence to import and prescribe the form and conditions of such licence and the fees to be paid therefor;
- (g) provide for the exemption from the provisions of this Act of drugs brought into British India for the purpose only of transport through and export from British India;
- (h) prescribe conditions to be observed in the packing in bottles, containers or packages of imported drugs and medicines;
- (i) regulate the mode of labelling drugs or medicines imported for sale in packages and the matter which may or may not be included in such labels;
- (j) prescribe the maximum proportion of any poisonous substance which may be added to or contained in any drug, and prohibit the import of any drug in which that proportion is exceeded;
- (k) require that the name of any drug shall be conspicuously printed on the label or wrapper of any patent or proprietary medicine containing the drug;
- (l) prohibit the import of any biological or organo-metallic compound after a prescribed period from the date of its manufacture;
- (m) prescribe the authority which shall discharge any function arising out of the administration of this Act.

Offence.

7. (1) Whoever contravenes the provisions of any rule made under section 6 shall be punishable with fine which may extend to five hundred rupees.

(2) Whoever having been convicted of an offence under sub-section (1) is again convicted of an offence under that sub-section shall be punishable with fine which may extend to one thousand rupees.

Confiscation.

8. Where any offence has been committed which is punishable under this Act the drug or medicine in respect of which the offence has been committed shall be liable to confiscation.

Procedure.

9. No magistrate shall try an offence under this Act unless he is a Presidency Magistrate or a Magistrate of the first class or a Magistrate of the second class specially empowered by the Provincial Government in this behalf.

## THE SCHEDULE.

## STATEMENT OF OBJECTS AND REASONS.

The Government of India have for some time past following the report of the Drugs Enquiry Committee been considering, in consultation with local Governments, the question of implementing the recommendation made by the Committee for controlling the import, manufacture and sale of drugs and medicines in India. The recommendations are based on a vast volume of evidence, both oral and written, collected by the Committee during its extensive tour in the country, and they have received widespread support in India. Government has been pressed in the Legislature, by commercial bodies, and in the public press of India without distinction of party to implement the recommendations of the Committee. In addition, the question was debated in the Council of State in September, 1935. The subject is one which is primarily the concern of provincial Governments, and Central legislation can only deal with imports. Certain recommendations, for instance, those relating to the manufacture, storage and sale of drugs, education and control of pharmacists, are essentially for provincial Governments to deal with. The Bill excludes such matters.

(b) any market in which on any one day of the preceding twelve months one hundred or more persons have been so employed; or

(xxvii) employed in any occupation involving the handling and manipulation of radium or X-rays apparatus, or contact with radioactive substances.”

Amendment of  
Schedule III,  
Act VIII of 1923.

12. In Schedule III to the said Act,—

- (a) before the entry relating to lead poisoning or its sequelæ, the following shall be inserted, namely:—

“PART A.

Anthrax	...	...	Any employment—
			(a) involving the handling of wool, hair, bristles or animal carcasses or parts of such carcasses, including hides, hoofs and horns; or
			(b) in connection with animals infected with anthrax; or
			(c) involving the loading, unloading or transport of any merchandise.
Compressed air illness or its sequelæ.			Any process carried on in compressed air.
Poisoning by lead tetra-ethyl			Any process involving the use of lead tetra-ethyl.

## PART B.”;

(b) in the entry relating to lead poisoning or its sequelæ, to the words in the first column the words “excluding poisoning by lead tetra-ethyl” shall be added, and for the words “or its preparations or compounds” in the second column the words “or any of its preparations or compounds except lead tetra-ethyl” shall be substituted; and

(c) for the existing entry relating to compressed air illness or its sequelæ the following entries shall be substituted, namely:—

‘Arsenical poisoning or its sequelæ.	Any process involving the production, liberation or utilisation of arsenic or its compounds.
Pathological manifestations due to— - (a) radium and other radio-active substances; (b) X-rays.	Any process involving exposure to the action of radium, radio-active substances, or X-rays.
Primary epitheliomatous cancer of the skin.	Any process involving the handling or use of tar, pitch, bitumen, mineral oil, paraffin, or the compounds, products or residues of these substances.”

## STATEMENT OF OBJECTS AND REASONS.

A number of ambiguities and minor defects have come to light in recent years in the course of the administration of the Workmen's Compensation Act. A bill to deal with these was prepared in 1936 and provincial Governments were requested to give it wide publicity and to invite opinions on it. The views received by the Government of India were generally favourable but certain modifications have been made to meet criticisms received and one of the proposals originally made has been omitted as it formed the subject of a separate Act which was passed during the last Delhi session of the Indian Legislature. The notes on clauses explain the purpose of the present proposals in detail.

T. A. STEWART.

SIMLA;

The 13th August, 1937.

## NOTES ON CLAUSES.

*Clause 2.*—The reference is to the dependents of a deceased workman and the changes are formal.

*Clause 3.*—See note on clause 13.

*Clause 4.*—The change is formal: section 5, as it stands, is not divided into subsections.

*Clause 5(a).*—The clause as it stands at present opens with the words “no proceedings for the recovery of compensation”. These are too wide as they can be read as covering not merely the original application but subsequent proceedings for recovering compensation under section 31. Thus, for example, when an award for temporary disablement has been secured, the workman may, at a later stage, find it necessary to apply to the Commissioner because the employer has discontinued the payments. The period of limitation prescribed by this clause should be confined to the first application.

The revised clause omits the words “and before the workman has voluntarily left the employment in which he was injured”. A workman cannot give notice earlier than is practicable and a second condition is unnecessary or unreasonable.

Finally, the redraft makes it clear that “instituted” refers to claims instituted before the Commissioner. The necessity of making the point clear has arisen as a result of a ruling given by the Calcutta High Court to the effect that “instituted” means instituted before the employer, which has the effect of enabling a workman who once claimed compensation from an employer to bring a case before the Commissioner without any limitation of time.

(b) (i), (ii).—The amendments are verbal and consequential.

(b) (iii).—The amendment is desirable because the clause, as it stands, appears to cover only cases where the employer himself had knowledge of the accident. It thus excludes, for example, the case where a manager or other person competent to receive notice under section 10(2) is aware of the accident.

(c) (i).—The amendment is verbal and consequential.

(c) (ii).—The Bombay High Court has ruled that if the first six months' delay is satisfactorily explained no explanation of subsequent delay, however long, is necessary. It is unreasonable that a workman who has a satisfactory excuse for the first six months should thereby be enabled to claim without any limitation of time.

*Clause 6.*—The object is to cover the case where the workman, although regularly visited by a medical practitioner, deliberately disregards his advice or instructions. Further, the word "thereafter" is at present misplaced. The point is that the workman should not be penalised in respect of any conduct before the refusal or disregard takes place.

*Clause 7.*—The sub-section was designed to ensure that the shipowner (who is ordinarily liable under the Merchant Shipping Act for funeral expenses of a seaman) should not be subjected to a further payment out of compensation on this account. It is operative only where there are no dependants. In such cases, if the shipowner himself incurs the funeral expenses section 8(4) protects him adequately; while if some other person incurs the funeral expenses, the sub-section operates to deprive that person of the ordinary right of recovery under section 8(4).

*Clause 8.*—This is consequential on the enactment of the Factories Act, 1934.

*Clause 9.*—The sub-section, as it stands at present, prescribes as a condition for transfer that a party to the proceedings shall satisfy the Commissioner that transfer is proper. This causes difficulty where no parties are present, *e.g.*, where the workman dies in one province and his dependents live in another. The amendment is designed to remove this difficulty.

*Clause 10.*—Persons other than legal practitioners appearing before the Commissioners under written authorities have victimised or attempted to victimise workers. The proposed change will render it necessary for persons who are not legal practitioners or officials of registered trade unions or officials of Insurance Companies, to obtain the Commissioner's permission before appearing.

*Clause 11(a).*—It is doubtful if the clause, as it stands, covers lifts or vehicles propelled by steam or electricity. The amendment is designed to remove any ambiguity which may exist on the point and will bring the wording in line with that in clause (vi) (a) of the Schedule.

(b).—This is consequential on the enactment of the Factories Act, 1934.

(c) and (d).—These clauses have already been brought within the scope of the Act by notifications. The amendment of the Act offers a suitable opportunity of including them in the Schedule.

*Clause 12.*—The substantive change proposed is the removal of the condition that a workman who contracts compressed air illness or poisoning by lead tetra-ethyl should have served for the preceding six months under the employer whom he served when the accident occurred. These diseases, unlike most industrial diseases, do not develop gradually and the condition is unreasonable in their case. The opportunity has been taken, in this clause and clause 3 of the Bill, to re-arrange the provisions regarding industrial disease in a more convenient form, and to add formally to Schedule III certain occupational diseases which have already been brought within the scope of the Act by Notification.

2. For clause (b) of sub-section (1) of section 3 of the Indian Naturalization Act, 1926, the following clause shall be substituted, namely:—

VII of  
1926.

“(b) that he is not a British subject, or a subject of any State in America, or a subject of and having his domicile of origin in the European territories of any State situated wholly or partly in Europe, or a subject of any State of which an Indian British subject is prevented by or under any law from becoming a subject by naturalization;”.

## STATEMENT OF OBJECTS AND REASONS.

The question of the grant of local naturalization certificates under the Indian Naturalization Act, 1926 (VII of 1926), to subjects of certain European States has been the subject of consideration for some time past in view of the fact that a large number of Portuguese Indians, who come mostly from Goa, have settled in Bombay and apply for naturalization. They cannot be naturalized under the Indian Naturalization Act, 1926, for one of the requirements of section 3(1) (b) of that Act is that any person desiring naturalization under the Act must not be a subject of any State in Europe or America. They could therefore only obtain British national status by applying for naturalization under the British Nationality and Status of Aliens Act, 1914, but this avenue to naturalization would rule out a good number on the requirement of section 2(1) (b) that the applicant “has an adequate knowledge of the English language” whereas under the Indian Naturalization Act, 1926, an adequate knowledge of a language which has been declared by the Central Government to be a principal vernacular of the province, and not knowledge of English, is required. It has also been found that the expression “a subject of any State in Europe or America” used in section 3(1) (b) of the Indian Act is virtually incapable of a satisfactory construction where such ‘bi-continental’ States as Turkey and Russia are concerned. It has, therefore, been decided to amend section 3(1) (b) of the Indian Naturalization Act, 1926, so as to provide for the naturalization under that Act of subjects of European or partly European Powers who do not have their domicile of origin in Europe.

## GOVERNMENT OF INDIA.

## Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 27th August, 1937:—

L. A. BILL No. 32 OF 1937.

*A Bill further to amend the law relating to the protection of Inventions and Designs.*

WHEREAS it is expedient further to amend the law relating to the protection of Inventions and Designs; It is hereby enacted as follows:—

Short title.

1. This Act may be called the Indian Patents and Designs (Amendment) Act, 1937.

Amendment of section 2, Act II of 1911.

2. In clause (N) of section 2 of the Indian Patents and Designs Act, 1911 (hereinafter referred to as the said Act), the words "manner of" shall be omitted.

Amendment of section 5, Act II of 1911.

3. In section 5 of the said Act,—

(a) in sub-section (I),—

(i) for the words "examine every application, and if he considers" the words "refer every application to an Examiner and if satisfied on the report of the Examiner" shall be substituted;

(ii) in clause (c), the words "*prima facie*" shall be omitted;

(iii) for clause (f) the following clauses shall be substituted, namely:—

"(f) the invention has been publicly used in any part of British India or has been made publicly known in any part of British India, or

(g) the invention as described and claimed is of no utility, or

(h) the specification relates to more than one invention, or

(i) in the case of an application claiming priority under section 78A, the specification describes and claims an invention substantially larger than or substantially different from the invention by virtue of which priority is claimed, or

(j) in the case of an application for a patent of addition under section 15A, the invention described and claimed in the specification is not an improvement or modification of that described and claimed in the original specification,";

(b) after sub-section (I) the following sub-section shall be inserted, namely:—

"(IA) If the Controller considers, at any time before the acceptance of an application, that the invention claimed therein has been wholly or in part claimed in a specification published on or after the date which the patent applied for would bear if granted, appertaining to an application for a patent which if granted will be of prior date to the patent applied for, he may require that the applicant's specification be amended by the insertion of a reference to such other specification, by way of notice to the public.";

(c) in sub-section (2), after the word "amendment" the words "or the insertion of a reference" shall be inserted; and

(d) in the proviso to sub-section (4),—

(i) the words "by any period not exceeding three months" shall be omitted; and

(ii) for the words "during, but not beyond the period of extension so requested" the words "for any period so requested not exceeding in all three months from the expiration of the said period of twelve months" shall be substituted.

Amendment of  
section 10, Act II  
of 1911.

4. In clause (b) of the proviso to sub-section (2) of section 10 of the said Act, after the word "patent", where it occurs for the first time, the words "or by any proceedings taken for obtaining a direction of the Controller under the provisions of sub-section (1A)" shall be inserted.

Amendment of  
section 14, Act II  
of 1911.

5. In the proviso to sub-section (2) of section 14 of the said Act,—

(a) the words "by any period not exceeding three months" shall be omitted; and

(b) for the words "during, but not beyond, the period of extension applied for" the words "for any period so applied for not exceeding in all three months from the expiration of the time for payment" shall be substituted.

Amendment of  
section 15, Act II  
of 1911.

6. In section 15 of the said Act, for sub-sections (5) and (6) the following sub-sections shall be substituted, namely:—

"(5) The Central Government or the High Court to which a petition is referred shall in considering the petition have regard to the nature and merits of the invention in relation to the public, to the profits made on the patent and to all the circumstances of the case.

(6) If it appears to the Central Government or to the High Court when the petition is referred to it, that the patent has not been sufficiently remunerative, the Central Government or the High Court, as the case may be, may by order extend the term of the patent for a further term not exceeding five or in exceptional cases ten years or may order the grant of a new patent for such term as may be specified in the order and subject to any restriction, conditions and provisions which the Central Government or the High Court, as the case may be, may think fit."

Amendment of  
section 26, Act II  
of 1911.

7. In sub-section (1) of section 26 of the said Act,—

(a) for clause (b) the following clauses shall be substituted, namely:—

"(b) that any invention included in the statement of claim was not, at the date of application for a patent, a new manufacture or improvement;

(bb) that any invention included in the statement of claim had, before the date of the application for a patent thereon, been publicly used in any part of British India or been made publicly known in any part of British India;

(bbb) that the inventor had, before the date of the application for a patent, by secret or experimental user made direct or indirect profits

from his invention in excess of such an amount as the Court may in consideration of all the circumstances of the case deem reasonable;"; and

- (b) in clause (c), after the word "not" the words "or, where the application was a joint one, that no one of the applicants was" shall be inserted.

Amendment of section 29, Act II of 1911.

8. In sub-section (2) of section 29 of the said Act, for the words "this Act" the word and figure "section 26" shall be substituted.

Substitution of of new section for section 38, Act II of 1911.

9. For section 38 of the said Act the following section shall be substituted, namely:—

Public use or knowledge of invention.

"38. The public use or knowledge of an invention before the date of the application for a patent thereon shall not be deemed a public use or knowledge within the meaning of clause (f) of sub-section (1) of section 5, or clause (d) of sub-section (1) of section 9 or clause (bb) of sub-section (1) of section 26 if the knowledge has been obtained surreptitiously or in fraud of the true and first inventor or has been communicated to the public in fraud of such inventor or in breach of confidence:

Provided that such inventor has not acquiesced in the public use of his invention, and that, within six months after the commencement of such use, he applies for a patent."

Substitution of new section for section 40, Act II of 1911.

10. For section 40 of the said Act the following section shall be substituted, namely:—

Provisions as to exhibitions.

"40. The exhibition of an invention at an industrial or other exhibition to which the provisions of this section have been extended by the Central Government by notification in the Official Gazette, or the publication of any description of the invention during the period of the holding of the exhibition, or the use of the invention for the purpose of the exhibition in the place where the exhibition is held, or the use of the invention or the publication of any description thereof, during or after the period of the holding of the exhibition, by any person elsewhere without the privity or consent of the inventor shall not prejudice the right of the inventor to apply for and obtain a patent in respect of the invention, or the validity of any patent granted on the application:

Provided that—

- (a) the exhibitor exhibiting the invention gives to the Controller previous notice in the prescribed form; and
- (b) the application for a patent is made before or within six months from the date of first exhibiting the invention."

Amendment of section 47, Act II of 1911.

11. In sub-sections (2) and (3) of section 47 of the said Act, the words "within the prescribed time" shall be omitted.

Substitution of new section for section 52, Act II of 1911.

12. For section 52 of the said Act the following section shall be substituted, namely:—

Provisions as to exhibitions.

"52. The exhibition of a design, or of any article to which a design is applied, at an industrial or other exhibition to which the provisions of

this section have been extended by the Central Government by notification in the Official Gazette, or the publication of a description of the design, during the period of the holding of the exhibition, or the exhibition of the design or the article or the publication of a description of the design by any person elsewhere during or after the period of the holding of the exhibition, without the privity or consent of the proprietor, shall not prevent the design from being registered or invalidate the registration thereof:

Provided that—

- (a) the exhibitor exhibiting the design or article, or publishing a description of the design, gives to the Controller previous notice in the prescribed form; and
- (b) the application for registration is made within six months from the date of first exhibiting the design or article or publishing a description of the design."

Amendment of section 53, Act II of 1911.

**13.** In sub-section (1) of section 53 of the said Act, after clause (a) the following clause shall be inserted, namely:—

"(aa) to import for the purposes of sale, without the consent of the registered proprietor, any article to which the design or any fraudulent or obvious imitation thereof has been applied; or"

Insertion of new section 59A in Act II of 1911.

**14.** After section 59 of the said Act, the following section shall be inserted, namely:—

Information relating to patents.

"59A. A person making a request to the Controller in the prescribed manner as respects any patent specified in the request or as respects any application for a patent so specified, for information to be furnished to him by the Controller of any such matters as may be prescribed affecting that patent or application, shall be entitled, subject to the payment of the prescribed fee, to have information supplied to him accordingly."

Substitution of new section for section 60, Act II of 1911.

**15.** For section 60 of the said Act the following section shall be substituted, namely:—

Privilege of reports of Examiners.

"60. Reports of Examiners made under this Act shall not in any case be published or be open to public inspection."

Amendment of section 65, Act II of 1911.

**16.** In section 65 of the said Act, the word "and", in the first three places where it occurs, shall be omitted, and for the words "compelling the production of documents and awarding costs" the words "compelling the discovery and production of documents, issuing commissions for the examining of witnesses and awarding and realising costs" shall be substituted.

Insertion of new section 70A in Act II of 1911.

**17.** After the heading "*Evidence, etc.*" and before section 71 of the said Act, the following section shall be inserted, namely:—

Evidence before the Controller.

"70A. Subject to any rules made under section 77, in any proceeding under this Act before the Controller, the evidence shall be given by affidavit, in the absence of directions by the Controller to the contrary; but in any case in which the Controller thinks it right so to do

he may take evidence *viva voce* in lieu of or in addition to evidence by affidavit or may allow any party to be cross-examined on the contents of his affidavit."

Insertion of new section 71A in Act II of 1911.

Evidence of documents in Patent office.

**18.** After section 71 of the said Act the following section shall be inserted, namely:—

"71A. Printed or written copies or extracts, purporting to be certified by the Controller and sealed with the seal of the Patent Office, of or from patents, specifications and other documents in the Patent Office, and of or from registers and other books kept there, shall be admitted in evidence in all Courts in British India, and in all proceedings, without further proof or production of the originals:

Provided that a Court may, if it sees reasons to doubt the accuracy or authenticity of the copies tendered in evidence, require the production of the originals or such further proof as it considers necessary."

Substitution of new section for section 72, Act II of 1911.

Transmission of copies of specifications, etc., and inspection thereof.

**19.** For section 72 of the said Act, the following section shall be substituted, namely:—

"72. Copies of all such specifications, drawings and amendments left at the Patent Office, as become open to public inspection under the provisions of this Act, shall be transmitted, as soon as may be, after the printed copies thereof are available, to such authorities as the Central Government may appoint in this behalf, and shall be open to the inspection of any person at all reasonable times at places to be appointed by those authorities and approved by the Central Government."

Amendment of section 78A, Act II of 1911.

**20.** In sub-section (I) of section 78A of the said Act,—

(a) after the words "assignee shall" the words "either alone or jointly with any other person," shall be inserted; and

(b) for the words "be entitled to a patent for his invention or to registration of his design under this Act, in priority to other applicants; and the patent or registration shall have" the words "be entitled to claim that the patent that may be granted to him under this Act, for the said invention or the registration of the said design under this Act, shall be in priority to other applicants and shall have" shall be substituted.

Amendment of Schedule, Act II of 1911.

**21.** In the Schedule to the said Act, for the words "Before the expiration of", where they occur in the penultimate entry, the words "In respect of" shall be substituted.

Amendment of section 18, Act VIII of 1878.

**22.** In section 18 of the Indian Sea Customs Act, 1878, after clause (f) the following clause shall be inserted, namely:—

"(ff) goods made or produced beyond the limits of British India and intended for sale, and having applied thereto, a design in which copyright exists under the Indian Patents and Designs Act, 1911, in respect of the class to which the goods belong or any fraudulent or obvious imitation of such design except the application of such design has been made with the license or written consent of the registered proprietor of the design:"

VIII of 1878.

## STATEMENT OF OBJECTS AND REASONS.

The necessity for amending the law in order to put a stop to the import of goods bearing pirated designs registered under the Indian Patents and Designs Act, 1911, has recently been brought to notice and experience has shown that certain further amendments of that Act to improve the law in minor respects are desirable. The proposals in the Bill, which are explained in the notes on clauses, are designed to achieve these objects.

## NOTES ON CLAUSES.

*Clause 2.*—The words “manner of” are redundant.

*Clause 3 (a) (i).*—The amendment is designed to bring the law into conformity with existing practice and is based on section 6 of the United Kingdom Patents and Designs Act, 1907.

*Clause 3 (a) (ii).*—This is designed to enable the Patent Office to cite prior specifications and documents by way of anticipation of the invention and brings the law into conformity with existing practice.

*Clause 3 (a) (iii) (f).*—Previous public use or knowledge of an invention is a ground on which the Controller can refuse the grant of a patent in opposition proceedings under section 9. The amendment now proposed will enable the Controller to consider this ground and take action under section 5 when considering an application for a patent initially.

*Clause 3 (a) (iii) (g).*—The requirement of utility is indispensable for an invention. While a patent can be revoked by a High Court on the ground of lack of utility, there is no specific provision under which the Controller can refuse an application for a patent on the same ground. The amendment will remove the defect.

*Clause 3 (a) (iii) (h).*—This corresponds to the existing clause (f) of section 5 (1).

*Clause 3 (a) (iii) (i).*—Applicants claiming the benefits of section 78A of the Act frequently include in their Indian specifications subject-matter in excess of that disclosed in the corresponding specifications filed by them abroad on the date claimed for the Indian patent. The amendment provides for the examination of this aspect of the priority specifications.

*Clause 3 (a) (iii) (j).*—Every alleged modification for which a patent of addition is sought under section 15A of the Act may not be a fit subject for such a patent. The amendment will enable the Patent Office to regulate the grant of patents of this class.

*Clause 3 (b).*—This corresponds to section 8 of the United Kingdom Patents and Designs Act, 1907, and is intended to safeguard the interests of the public where the grant of a patent is likely to conflict with a prior grant. It conforms to existing practice.

*Clause 3 (c).*—This amendment is consequential on the amendment in clause 3 (b) above.

*Clause 3 (d).*—This makes it clear that the extension of time permissible is 3 months from the date of the expiration of the period of 12 months.

*Clause 4.*—A minor amendment which follows the provision in section 12(4) (b) of the United Kingdom Patents and Designs Act, 1907.

*Clause 5.*—The same reasons apply as in the case of the amendment proposed in clause 3 (d) above.

*Clause 6.*—At present there is no statutory obligation on the part of the Central Government to follow the principles laid down for the High Court in section 15 (5), but in disposing of cases they generally follow these principles. The amendment brings the criteria for Government and High Courts into line and removes minor defects.

*Clause 7 (a).*—This amendment incorporates in this sub-section the definition of “new invention” now contained in section 38 (1) and brings the criteria in respect of novelty applicable in High Court proceedings into line with those which have to be followed by the Controller.

*Clause 7 (b).*—The amendment is necessary to cover joint applications; cf. section 3 (3).

*Clause 8.*—The existing wording seems to authorise defendants in infringement proceedings, to raise for the consideration of the Court questions which are specifically reserved for the Central Government by sections 22, 23 and 25 of the Act. The proposed amendment will remove the defect.

*Clause 9.*—Sub-section (1) of section 38 has been omitted as its provisions have been replaced by clauses (bb) and (bbb) of the proposed section 26 (1). The amendment of sub-section (2) of section 38 is consequential on the amendments proposed in sections 5 (1) and 26 (1) (b).

*Clause 10.*—The existing sub-section (2), which is intended to apply to exhibitions held outside India, has been omitted in the proposed amendment, which, with minor changes, follows the existing sub-section (1) and is comprehensive enough to cover exhibitions held within as well as outside India. The amended section also renders unnecessary the issue of a certificate by the Central Government and protects the rights of the invention for the grant of a patent even in cases where disclosure of the invention is made after the holding of the exhibition.

*Clause 11.*—The prescription of time serves no useful purpose.

*Clause 12.*—The same reasons apply here as in the case of the amendment in clause 10 above.

*Clause 13.*—To deal with the piracy of designs abroad it is essential that the owner should have a remedy against the importer of pirated designs without being required to prove that the importer was aware that the design was pirated.

*Clause 14.*—This addition is based on section 44A of the United Kingdom Patents and Designs Act, 1907, and is designed to assist the public.

*Clause 15.*—The amendment is consequential on the amendment in clause 3 (a) (i).

*Clause 16.*—The amendments relating to the deletion of the word “and” and the addition of the words “discovery and” before the word “compelling” are formal. The other amendments will empower the Controller to receive evidence by commission, which is desirable as witnesses who can give useful evidence often reside at a great distance from Calcutta, and to order the realisation of costs awarded by him.

*Clause 17.*—This is based on section 77 of the United Kingdom Patents and Designs Act, 1907, and will enable the Controller to prevent waste of time, as parties frequently summon witnesses to prove matters which could be adequately proved by affidavits.

*Clause 18.*—At present parties to proceedings in Courts, instead of obtaining on payment certified copies of public documents which are open to the inspection of the public in the Patent Office, arrange for the issue of sub-poenas by Courts on the Controller for the production of original documents. This practice causes unnecessary inconvenience.

*Clause 19.*—Copies of only those specifications which are open to public inspection are transmitted and not of all specifications. Moreover, copies transmitted are not certified or sealed with the seal of the Patent Office. The amendment brings the law into conformity with practice and also empowers the Central Government to appoint the authorities to whom copies of specifications are to be sent and to approve the places where inspection centres should be opened.

*Clause 20 (a).*—This is a verbal amendment which will enable persons to apply for a patent jointly with others.

*Clause 20 (b).*—This amendment makes it clear that any person who has applied for protection for any invention or design outside British India is not entitled to a patent or to registration of his design in British India as a matter of course; the application merely enables a claim which is good on its merits to secure priority and to be dated back.

*Clause 21.*—A formal amendment.

*Clause 22.*—This amendment will assist in stopping the import of goods bearing pirated designs. The section cited provides for the prohibition of import into British India of certain classes of goods.

## Legislative Assembly Department.

The following Bill\* was introduced in the Legislative Assembly on the 27th August, 1937:—

L. A. BILL No. 33 of 1937.

*A Bill further to amend the Indian Mines Act, 1923, for certain purposes.*

WHEREAS it is expedient further to amend the Indian Mines Act, 1923, for the purposes hereinafter appearing; It is hereby enacted as follows:—

IV of  
1923.

Short title.

1. This Act may be called the Indian Mines (Amendment) Act, 1937.

Amendment of  
section 2, Act XI  
of 1936.

2. In section 2 of the Indian Mines (Amendment) Act, 1936—

XI of  
1936.

(a) in sub-section (1), for the words “the following sub-section shall be deemed to be inserted” the words “the following sub-section shall be inserted” shall be substituted, and

(b) sub-section (2) shall be omitted.

Amendment of  
section 9, Act IV  
of 1923.

3. In section 9 of the Indian Mines Act, 1923 (hereinafter referred to as the said Act),—

IV of  
1923.

(a) to sub-section (1) the following words shall be added, namely:—

“and shall not be disclosed to any person other than a Magistrate or an official superior unless the Chief Inspector or the Inspector considers disclosure necessary to ensure the safety of any persons”;

(b) in sub-section (2), for the words “to any one, other than a Magistrate or an officer to whom he is subordinate” the following words shall be substituted, namely:—

“contrary to the provisions of sub-section (1)”;

(c) in sub-section (3), for the words following the words “under this section” the following words shall be substituted, namely:—

“except with the previous sanction of the Central Government”.

Amendment of  
section 30A,  
Act IV of 1923.

4. In section 30A of the said Act, for clauses (a), (b), (c) and (d) the following clauses shall be substituted, namely:—

“(a) requiring the establishment of Central rescue stations for groups of specified mines or for all mines in a specified area and prescribing how and by whom such stations shall be established;

(b) providing for the management of central rescue stations, and regulating the constitution, powers and functions of and the conduct of business by the authorities charged with such management;

\*The Governor General has been pleased to accord the sanction necessary under section 67 of the Government of India Act as set out in the Ninth Schedule to the Government of India Act, 1935, and modified by paragraph 12 of the Government of India (Commencement and Transitory Provisions) Order, 1936.

- (c) prescribing the position, equipment, control, maintenance and functions of central rescue stations;
- (d) providing for the levy and collection of a duty of excise (at a rate not exceeding one anna per ton) on coke and coal produced in and despatched from mines specified under clause (a) in any group or included under clause (a) in any specified area, the utilisation of the proceeds thereof for the creation of a central rescue station fund for such group or area, and the administration of such funds;
- (e) providing for the formation, training and duties of rescue brigades; and
- (f) providing generally for the conduct of rescue work in mines."

#### STATEMENT OF OBJECTS AND REASONS.

Section 2 of the Indian Mines (Amendment) Act, 1936, enlarged, temporarily for a period of two years, the powers vested in the Chief Inspector or an Inspector to issue orders applicable to individual mines where danger is apprehended. It was intended that permanent legislation should be undertaken after the whole question of safety in mines had been investigated by a Committee. The Coal Mining Committee has recommended that the temporary powers should be made permanent, and *clause 2* of the Bill is designed for this purpose.

*Clause 3* is designed to remove certain defects in section 9 of the Indian Mines Act, 1923, which prohibits the Mining Inspectorate from disclosing to any but specified officers information acquired by him in the course of an inspection except with the consent of the Central Government. As in the course of an inspection of a mine evidence of danger to adjacent mines may be secured, it is desirable to permit the disclosure of such information to persons likely to be affected, without special permission. It is proposed also to provide that prosecutions for unlawful disclosure of information should have the previous sanction of the Central Government.

*Clause 4* seeks, in recasting section 30A of the Mines Act [introduced by the Indian Mines (Amendment) Act, 1936], to remove defects which came to notice in drafting regulations under the section and especially to provide for the imposition of a duty on coal and coke for defraying the cost of rescue stations. The section as it now stands provides for the allocation of the expense of such stations among mines served by such stations and for the recovery from owners or agents of mines of the sums payable. The realization of the cost direct from the mineowners would present considerable difficulties and it is administratively more convenient to meet the cost by a small levy on despatches.

The following Bill was introduced in the Legislative Assembly on the 23rd August, 1937:—

L. A. BILL NO. 23 OF 1937.

*A Bill to provide for the continuance in force of certain rules and regulations.*

WHEREAS it is expedient to provide for the continuance in force of certain rules made under the Indian Electricity Act, 1910, and certain regulations made under the Indian Boilers Act, 1923; It is hereby enacted as follows:—

Short title.

1. This Act may be called the Rules and Regulations Continuance Act, 1937.

Continuance in force of rules and regulations made under Act IX of 1910 and Act V of 1923.

2. Rules made before the 31st day of March, 1937, under section 37 of the Indian Electricity Act, 1910, and regulations made before the 28th day of March, 1937, under section 28 of the Indian Boilers Act, 1923, by the Governor General in Council shall, on and from the said dates respectively, be deemed to have been made under the said sections of the said Acts by the authority substituted for the Governor General in Council by the Indian Electricity (Amendment) Act, 1937, and the Indian Boilers (Amendment) Act, 1937, respectively, and shall continue to be in force until superseded by rules or regulations made under the said sections of the said Acts by the Central Electricity Board or the Central Boilers Board, as the case may be.

IX of 1910.

V of 1923.

X of 1937.

XI of 1937.

## STATEMENT OF OBJECTS AND REASONS.

Section 5 of the Indian Electricity (Amendment) Act, 1937, and the corresponding section of the Indian Boilers (Amendment) Act, 1937, transferred to Central Boards the Governor General in Council's powers to make rules and regulations under section 37 of the Indian Electricity Act, 1910, and section 28 of the Indian Boilers Act, 1923, respectively. A doubt has been expressed as to whether the Indian Electricity Rules, 1937, and the Boiler Regulations, 1935, made by the Governor General in Council before the Amendment Acts were brought into force, have survived the transfer of his powers to Central Boards which was effected by those Acts. To avoid this doubt, it is proposed to legislate in the Rules and Regulations Continuance Bill for the continuance in force of the rules and regulations made by the Governor General in Council, as if they had been made by the Central Electricity and Boilers Boards.

## SUPPLEMENT.

### Official Papers.

#### DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 27th September 1937.

#### First Forecast of the Winter Rice Crop of Bengal, 1937-38.

(Note.—On an average of the five years ending 1935-36, the area under winter rice in Bengal has represented some 20·7 per cent. of the total area under winter rice in India.)

*Character of the season.*—Rainfall was general in May, but in the months of June and July it was deficient in most of the districts. Insufficient rainfall delayed the sowing and transplanting operations and adversely affected the crop in its early stage. Rainfall in August and in the first part of September facilitated late transplantation particularly in the affected districts of North Bengal and in parts of West Bengal and it generally effected an improvement in the prospects and condition of the crop. In the districts of Chittagong and Bakarganj excessive rain fell all

through the season which followed by floods did considerable damage to young plants and seedlings and delayed transplantation. Pamari insects also caused damage to young seedlings in Bakarganj. The present condition of the crop is fair.

*Acreage.*—According to the figures returned by the District Officers, the total acreage under winter rice is 15,798,800 acres as compared with 15,487,100 and 15,803,600 acres in the corresponding and final forecasts of last year.

*Outturn.*—From the summary of the district returns appended it will be seen that one district returns a crop of 111 per cent., one a normal crop and the rest varying from 96 to 75 per cent. of the normal.

According to the above estimates, the Provincial outturn works out to 86 per cent. as against 88 and 106 per cent. of the normal estimated in the corresponding and final forecasts respectively of last year.

M. CARBERY,

Director of Agriculture, Bengal.

## APPENDIX I.

## First Forecast of the Winter Rice Crop of Bengal, 1937-38.

District.	Estimated normal area under winter rice.	Estimated area under winter rice.		Estimated outturn as a percentage of the normal yield per unit of area.		Date by which the sowing of broadcast winter rice generally commenced this year and whether that date was early, normal or late.	Date by which the transplanting of winter rice commenced this year and whether that date was early, normal or late.	Remarks by District Officers.
		Last year.	This year.	Last year.	This year.			
	Acres.	Acres.	Acres.					
24-Parganas.	840,800	740,000	789,800	133	83	Beginning of July. Normal.	Middle of July. Normal.	Increase in area is due to favourable weather.
Nadia ..	186,800	175,500	280,000	83	83	May to middle of June. Late.	Middle of July. Late.	Increase is due to increased cultivation of <i>aman</i> owing to apprehension of flood which considerably damaged <i>aus</i> paddy last year. Weather has not been very favourable. Want of sufficient rainfall has caused the outturn to fall below normal.
Murshidabad.	416,200	437,600	432,000	125	111	June. Normal ..	June in Kandī; July in Sadar and Lalbagh. Normal. Beginning of August in Jangipur. Late.	Decrease in area as compared with the last year is due to lack of rainfall at the proper time in Sadar and Jangipur. Slight damage was caused to the crop grown on the "beel" land by flood in Jangipur.
Jessore ..	434,000	400,700	367,500	64	77	April and May. Normal.	July. Normal ..	Decrease in area is due to insufficient rainfall at the time of sowing and transplantation. The outturn is apprehended to fall below normal on account of insufficient rainfall.
Khulna	905,800	793,000	790,000	100	83	Beginning of June. Normal.	Latter part of July.	The decrease in area is due to insufficient rain at the time of sowing. Effect of weather on the cultivation and growth of the crop has been fair in Sadar and Bagerhat but not very favourable in Sakthira. Want of timely rain is responsible for decrease of outturn.
Burdwan	657,100	560,900	514,100	100	83	Third week of June. Normal.	First week of July. Normal.	The decrease in area is due to unfavourable weather conditions. The outturn is below normal owing to unfavourable weather conditions.
Birbhum	643,600	632,800	595,100	133	83	First part of June. Normal	Last part of July. Late.	The decrease in area is due to untimely rainfall. Character and effect of weather has been fair. Outturn will fall below normal for want of timely rainfall.
Bankura	440,000	420,100	396,700	125	92	End of May. Normal.	End of June. Normal.	The decrease in area is due to want of rainfall at the sowing time. Weather was not favourable at sowing time but since then has become favourable.
Midnapore	1,537,100	1,379,800	1,408,000	133	92	End of May and beginning of June. Normal.	Beginning of July. Normal.	The weather has been favourable.
Hooghly	411,800	270,000	270,000	100	83	Last week of June. Normal.	End of July. Normal.	Weather has been favourable after sowing time. About 4 annas damage is reported in Arambagh subdivision.
Howrah	92,000	100,000	101,500	100	92	End of June. Late.	End of July. Late.	The increase in area is due to the good outturn of the crop last year and to the restriction of jute cultivation. There was want of adequate rains at the sowing time. Weather has become favourable afterwards. The present estimate of outturn is below the normal due to unfavourable condition at the beginning.
Rajahmahi	822,700	729,000	719,000	83	83	April. Normal	July. Normal ..	Weather was not unfavourable but more rain is wanted. Some damage has been done to the crop and the expected outturn is below normal.
Dinaipur	1,085,800	801,300	823,800	100	83	Middle of June. Normal.	First week of August. Late.	The increase in area is due to utilisation of fallow and jute lands as well as propaganda. Owing to late rains outturn is expected to fall below the normal.
Jaipalguri	467,400	398,800	290,800	133	75	....	July. Normal ..	The decrease in area is due to drought during sowing time. The weather has however become favourable later for growth. Drought and late rain will cause the outturn to fall below the normal.
Darjeeling	60,000	57,600	57,000	92	92	May. Normal ..	July and August. Normal.	Weather has been fair.
Rangpur	692,000	680,000	685,000	95	100	Middle of March. Normal.	June. Normal ..	Effect of weather has not been favourable due to scarcity of rains.
Bogra ..	337,000	390,000	390,000	100	75	March. Normal	July. Normal ..	Weather has been unfavourable and rain water insufficient for transplantation.

District.	Estimated normal area under winter rice.	Estimated area under winter rice.		Estimated out-turn as a percentage of the normal yield per unit of area.		Date by which the sowing of broadcast winter rice generally commenced this year and whether that date was early, normal or late.	Date by which the transplanting of winter rice commenced this year and whether that date was early, normal or late.	Remarks by District Officers.

	Acres.	Acres.	Acres.					
Pabna ..	505,300	502,500	496,800	92	83	End of April in Berajganj and middle of June in Sadar. Late.	Beginning of August. Late.	The decrease in area is due to insufficient rainfall at sowing time. About 3 annas damage by drought is reported from the Berajganj subdivision. Outturn will fall below normal.
Malda ..	304,000	136,000	121,000	100	75	End of July. Normal.	Beginning of August. Late.	The decrease in area is due to late rain. Outturn is expected to fall below normal as the sowing was late.
Dacca ..	672,400	656,600	666,700	98	93	April: A little late.	August. Normal	The increase in area is due to decrease in jute. Weather was not very favourable at sowing time but has become favourable afterwards.
Mymensingh.	1,457,300	1,415,100	1,430,400	100	75	May. Late ..	July. Late ..	The slight increase in area is due to jute restriction. There was drought at sowing time. Want of timely rain affected early growth, but this was compensated subsequently.
Faridpur	868,500	809,000	861,200	87	96	April. Normal	June to August. Late.	The increase in area is due to decrease in area in jute as well as that of sugarcane. Weather on the whole has been favourable. Drought at the sowing time and subsequent heavy rainfall slightly affected the crop.
Bakarganj	1,300,000	1,430,000	1,430,000	110	83	April and May. Normal.	August. Late ..	The weather was not favourable. There was excessive rains and floods at the time of preparing paddy seedling. It was, however, favourable for lowlying tracts where broadcasting is done. Pamari has done considerable damage to young seedlings followed by flood and its effect has been very serious in the South where transplanting has been delayed and scarcity of seedlings experienced. It is apprehended that all the lands available for transplanted paddy may not be put under the crop and the outturn as such cannot be expected even normal this year.
Chittagong	429,000	442,000	438,000	100	80	May. Normal ..	July. Normal ..	The decrease in area is due to drought at the time of sowing. Weather has not been favourable.
Tippora	803,800	813,000	812,600	100	92	April. Late ..	July. Normal ..	There was drought at sowing time but weather has now become favourable.
Noakhali	705,000	589,000	589,000	95	80	May. Normal ..	August. Normal	Weather has been favourable.
Chittagong Hill Tracts.	44,300	43,300	43,300	100	92	Middle of June. Rather late.	Second week of August. Normal.	Weather has been fair. Some damage done in a small area.
Total Bengal.	17,018,500	15,803,600	15,798,800	106	86

**DEPARTMENT OF AGRICULTURE,  
BENGAL.**

Dacca, the 27th September 1937.

**Preliminary forecast of the Bhadoi Crops of  
Bengal, 1937-38.**

(*Note.*—On an average of the five years ending 1935-36, the area under autumn rice in Bengal has represented some 7.9 per cent. of the total area under rice in British India.)

*Character of the season.*—Rainfall in February was sufficient for the preparatory tillage. March and April were dry and sowings proceeded slowly in the lowland tracts of East and North Bengal, while elsewhere the operation was delayed owing to scanty rain. In May rainfall was general in East and North Bengal and the sowing was nearing completion, while in West Bengal the progress was slow for want of rainfall. Insufficient rainfall in the months of June and July affected the highland crops. Insect pests also did some damage in the district of Bakarganj and also in some other tracts.

On the whole the season was satisfactory for lowland crops.

*Acreage.*—The total acreage sown with different *Bhadoi* crops this year is reported to be 6,605,600 acres as against 6,490,700 and 6,494,100 acres, respectively, in the corresponding and final forecasts of the last year.

Of this, the area under autumn rice is estimated at 5,855,100 acres as against 5,754,600 and 5,756,600 acres, respectively, in the corresponding and final forecasts of last year.

*Outturn.*—According to the District Officers' estimates, the outturn of the different *Bhadoi* crops for the Presidency works out at 82 per cent. of the normal this year as against 80 and 82 per cents., respectively, in the corresponding and final forecasts of last year. Autumn rice is estimated to yield an outturn of 82 per cent. of the normal for the province this year as against 80 and 81 per cents., respectively, in the corresponding and final forecasts of last year.

Local Self-Government Department.**

**Local Self-Government (Local Boards).**

CALCUTTA, THE 30TH SEPTEMBER 1937.

RESOLUTION—No. 5396L.S.-G.

READ—

Reports of the Commissioners of Divisions on the working of the union boards during 1935-36.

The year under review was marked by further progress in the growth and development of union boards in the province. The number of union boards rose from 4,737 to 4,810 and altogether 74 new boards came into existence. Of these, 43 were in the Asansol subdivision of the Burdwan district to which the Village Self-Government Act had been extended for the first time in the preceding year; 23 in the Jalpaiguri district, 5 in Midnapore, 2 in Bakarganj and 1 in the 24 Parganas. In the district of Bogra, on the other hand, one union board was abolished as a result of amalgamation with another board, while the area of another union board was transferred to the Dinajpur district. The most important events of general interest in the year under review in the sphere of village self-government were the formation of union boards for the first time in the Asansol subdivision of the Burdwan district and the re-introduction of the Village Self-Government Act in the Midnapore district from which it had been withdrawn in the year 1921-22. The number of union boards in the other districts remained unchanged.

**2. Franchise.**—The number of voters of union boards increased from 2,620,000 to 3,478,000, owing mainly to the reconstitution of several union boards under

the extended franchise conferred by the amended Village Self-Government Act and to the establishment of the new boards mentioned above. The increase was shared by all the divisions but it was most marked in the Dacca and Rajshahi Divisions where the number of voters rose by nearly 330,000 and 217,000, respectively. The total number of members of union boards also increased from 42,467 to 43,043.

The growing popularity of the union boards was evident from the keen contest at almost every election and by-election, and also from the fact that a larger percentage of voters exercised their franchise than in the previous years. There were signs to indicate that the ratepayers are learning by experience to appreciate the value of their votes. There was also a growing appreciation of the usefulness of these institutions in the rural life of the province.

**3. Finance.**—The total income of union boards, excluding opening balances rose from Rs. 90·28 lakhs in 1934-35 to Rs. 93·96 lakhs during the year under review. The total receipts from the union rates amounted to Rs. 70·04 lakhs, of which a sum of Rs. 11·84 lakhs was derived from rates imposed under section 37(b) of the Village Self-Government Act and Rs. 58·20 lakhs from the chaukidari rate, as compared with Rs. 11·24 lakhs and Rs. 56·90 lakhs, respectively, in the preceding year. The other important receipts of union boards comprised Rs. 2·51 lakhs from rents of chaukidari chakran lands, Rs. 2·24 lakhs from pounds and ferries, Rs. 3·33 lakhs from fees and fines realised by the union courts and benches and Rs. 1·64 lakhs and Rs. 3·20 lakhs, respectively, from grants received from the district boards under section 33 and 45 of the Village Self-Government Act as compared with Rs. 1·61 lakhs and Rs. 2·84 lakhs, respectively, in the preceding year. A sum of about Rs. 1·40 lakhs was received by union boards out of the Provincial grants for rural water-supply and anti-malarial works placed at the disposal of District Magistrates and district boards while Rs. 2·22 lakhs was received as contributions from other sources.

The total expenditure of union boards rose from Rs. 91·17 lakhs to Rs. 94·31 lakhs of which Rs. 49·80 lakhs, or about

52·8 per cent., was spent on the maintenance and equipment of the rural police. Out of the expenditure incurred on works of public utility, during the year under review, a sum of Rs. 7·83 lakhs was spent on water-supply, of which Rs. 6·99 lakhs represented original works. A sum of Rs. 6·56 lakhs was spent on roads; Rs. 2·61 lakhs on drainage, conservancy and other sanitary measures; Rs. 2·91 lakhs on schools and Rs. 1·92 lakhs on dispensaries. The most notable increases in the expenditure on works of public utility during the year were Rs. 1·56 lakhs on water-supply, and Rs. 14,000 on dispensaries. The continued economic depression and the acute distress caused by floods and failure of crops in certain districts, particularly in the Burdwan and the Presidency Divisions, stood in the way of any large expansion of the activities of the union boards, but it is gratifying to note that, generally speaking, the collection of union rates was not seriously affected and the normal activities of the boards did not suffer any real setback from these causes.

The accounts of the union boards were audited, as usual, by the Circle Officers. Five cases of embezzlement of union funds were reported by the Commissioner of the Rajshahi Division. Two of these, which occurred in the Dinajpur district, ended in the conviction of the President and the tax-collector, respectively. As regards the remaining three cases all of which were in the Pabna district, no criminal proceedings were started in two cases as the Presidents concerned subsequently made good the deficits, while in the third case the President of the union board was committed to the sessions for trial on charges of forgery, misappropriation and falsification of accounts. Two cases of defalcation were detected by the District Magistrate of Dacca but the persons concerned could not be prosecuted for want of sufficient evidence. The District Magistrate states that particular difficulties are often experienced in bringing such people to justice. No cases of serious irregularities or defalcation of union funds are mentioned in the reports from the other divisions.

A definite improvement in the position regarding the deposit of union funds in the post-office savings banks is reported to have been effected in the Rajshahi Division mainly through the efforts of

the District Officers. Inadequacy of postal communications in remote areas and their inaccessibility during the rainy season are reported to be the main drawbacks which stand in the way of the universal application of rule 3 of the Union Board Account Rules and Government have noted the suggestion made by the Commissioner of the Rajshahi Division that the proviso to this rule should be modified for application in special localities.

#### 4. Activities of Union Boards.—

It is pleasing to note that, in spite of adverse economic conditions which prevailed in a number of districts, the union boards succeeded in doing a considerable amount of valuable work for the improvement of rural areas and Government have noticed with pleasure the achievements of the union boards of which special mention has been made in the Commissioners' reports.

As in previous years, the major portion of the income of union boards available for expenditure on works of public utility was devoted to water-supply and the maintenance and improvement of communications—

(i) *Water-supply*.—The union boards in the Burdwan district co-operated with the district board in the work of removing the scarcity of good drinking water and spent a sum of Rs. 55,000 on water-supply against Rs. 50,000 in the preceding year. The union boards in the Birbhum, Bankura and Howrah districts also substantially increased their expenditure on water-supply, while the union boards of the Hooghly district are reported to have displayed commendable energy in dealing with the problem of water-supply with the help of Government grants and private donations and to have spent Rs. 69,000 under this head as compared with Rs. 60,000 in the preceding year. In the Nadia and Khulna districts, sums of Rs. 34,000 and Rs. 31,000, respectively, were spent by the union boards on schemes of water-supply.

The union boards of Dacca and Mymensingh spent the largest amounts on water-supply, viz., Rs. 82,000 and Rs. 75,000, respectively, as compared with Rs. 78,000 and Rs. 53,000, respectively, in the preceding year. The other districts in which large amounts were spent by the union boards on water-supply were Faridpur (Rs. 61,000), Tippera (Rs. 40,000) and Rangpur

(Rs. 47,000). In Tippera, union boards are reported to have taken a particularly keen interest in this problem and to have sunk many tube-wells, while a substantial portion of the income of the union boards in the Rajshahi Division was spent on this object.

(ii) *Communications*.—The union boards of the Bakarganj district again spent the largest amount, viz. Rs. 70,000, on the construction and maintenance of roads as compared with Rs. 60,000 in the preceding year. The union boards of Tippera and Faridpur came next with an expenditure of Rs. 53,000 and Rs. 48,000, respectively.

(iii) *Public Health*.—Although the question of improvement of public health in rural areas engaged the attention of the union boards, their resources were, generally speaking, quite inadequate for coping with this vast problem. The public health activities of the union boards generally took the form of measures for the improvement of drainage and conservancy and other sanitary and anti-malarial measures, such as clearing of jungles, filling up of insanitary ditches, removal of weeds from tanks and rivers and distribution of quinine. The union boards of the Burdwan and Birbhum districts spent Rs. 12,693 and Rs. 12,773, respectively, on conservancy and other sanitary measures, while those of Howrah spent Rs. 4,708 on drainage and Rs. 8,315 on conservancy and other sanitary measures. A feature of special interest in the district of Howrah was the eradication of water-hyacinth from the bed of the river Saraswati in Bally and Damjur thanas mainly with the aid of voluntary labour the value of which was estimated at Rs. 4,000. The union boards of Tippera are reported to have taken adequate steps for clearing jungles from their respective areas and particularly in the clearance of water-hyacinth. A large number of union boards in the Rangpur district undertook anti-malarial works. Anti-malarial societies were formed in five unions in the Pabna district. A number of union boards, especially in the Rajshahi Division, maintained conservancy arrangements. The Ishurdi union board (Pabna) incurred capital expenditure in building a public latrine, besides erecting *methars*' quarters. The Siliguri union board and the Naogaon union board (Rajshahi) also spent a large amount on conservancy arrangements.

(iv) *Medical relief*.—A sum of Rs. 1.92 lakhs was spent by the union

boards for the provision of medical aid in rural areas, as compared with Rs. 1.77 lakhs in the preceding year. None of the divisional reports, except that of the Rajshahi Division, however, give details of the activities of the union boards in this direction. In the Rajshahi Division, a number of joint union board dispensaries was maintained including one in the Jalpaiguri district, seven in Rangpur and eight in Bogra. New dispensaries were also started by two union boards in Jalpaiguri, one in Pabna and four each in Rangpur and Malda districts. The Mirganj union board in Rangpur established a leper clinic. Malanchi and Khokshabari union boards in the Pabna district constructed buildings for their dispensaries, with an operation hall in the case of the former. New dispensary buildings were also under construction in five other unions in the same district out of the Government of India's grant for rural development.

(v) *Primary education*.—The total amount spent by the union boards for the promotion of primary education during the year increased from Rs. 2.86 lakhs to Rs. 2.91 lakhs. Thirty-nine lower primary schools, four upper primary, four lower primary boys' *mukhtabs* and two lower primary girls' schools were maintained by the union boards in the Birbhum district, besides one lower primary school for Sonthals, at a total cost of Rs. 24,016. Schemes of free primary education were introduced in five unions in the Khulna district with the help of a contribution of Rs. 6,589 from the district board.

The union boards of the Burdwan, Presidency, Dacca and Rajshahi Divisions spent Rs. 74,000, Rs. 59,000, Rs. 71,000 and Rs. 77,000, respectively, on primary education and those of Chittagong spent Rs. 10,000 under this head. Fourteen free primary schools maintained by the union boards in the Chandpur subdivision of the Tippera district are reported to have been doing good work in backward areas under the management of qualified teachers. The union boards in the Gaibandha subdivision of the Rangpur district and the Domar union board in the same district granted aid to primary and other schools for the education of children. The union boards of Pabna spent the whole of their net income from pounds towards the maintenance of primary schools in their respective areas.

(vi) *Some features of special interest.*—The union boards in Brahmanbaria (Tippera) co-operated with the Rural Reconstruction Society formed there for the work of rural development. Improved agricultural implements were made available to cultivators and "moving libraries" were conducted with the help of union boards. The boards also rendered valuable co-operation in connection with the construction of the "Anderson Khal" which was opened on the 11th July 1936, by His Excellency the Governor of Bengal. The union boards in the Chandpur subdivision maintained an agricultural demonstrator under whose guidance the cultivation of new crops on improved methods was introduced in rural areas. The Khaleya and Lakshmitari union boards in Rangpur excavated canals out of the amounts received from the Government of India's grant for rural development with a view to reclaiming low-lying areas by drainage. A small canal was constructed by the Harinathpur union board in the same district to drain off polluted water as a sanitary measure, while the union boards of Gazaria, Uria, Udakhali and Kanchipara, in the Gaibandha subdivision of the same district, constructed two *bandhs* across the inlets of the Brahmaputra with a view to protecting their areas from floods. Street lighting arrangements were maintained by a number of union boards, especially in the districts of Rangpur, Bogra and Pabna. The Naogaon union board in Rajshahi, the Harishchandrapur union board in Malda and the Siliguri union board in the Darjeeling district also maintained such arrangements. The Kurigram union board in Rangpur maintained a road-watering system with a portable oil engine and a pump, the water being taken out of road-side tube-wells. Some of the union boards in the Dinajpur district purchased stud bulls for the improvement of live-stock.

**5. Working of union benches and courts.**—(i) *Union benches.*—The total number of union benches was 1,400 against 1,370 in the previous year. The number of offences reported to these benches was 82,269 showing an increase of 2,821 on that of 1934. The cases disposed of by them were mostly of a petty nature. Their working is reported, on the whole, to have been satisfactory and they afforded an appreciable amount of relief to the Stipendiary Magistrates.

The benches are also reported to be growing in popularity as providing a system of justice which affords the opportunity of local trial at little or no cost and which dispense with the adoption of any elaborate legal procedure.

(ii) *Union courts.*—The total number of union courts was 1,237 against 1,187 in the previous year. The number of suits instituted in these courts was 120,572, showing a decrease of 20,625 over that of 1934. Of the total number of applications for disposal during the year under report under the proviso to section 88 of the Bengal Village Self-Government Act, 112 cases were either dismissed or not prosecuted. The lower courts' orders were confirmed in 178 cases, modified in 14 and reversed in 129 cases; while 54 cases were remanded for retrial. The courts are reported to have afforded appreciable relief to the munsifs in the majority of districts in which they were in existence and substantial benefit to poor villagers who were without means to incur the expense of instituting suits in civil courts.

**6. Relations between district boards and union boards.**—The relation between the district boards and the union boards continued on the whole to be satisfactory, although there was still considerable room for improvement, specially in the matter of financial assistance to the union boards. The total grants made by the district boards under section 45 of the Village Self-Government Act increased from Rs. 2.84 lakhs to Rs. 3.20 lakhs and represented 27 per cent. of the amount raised by the union boards by way of taxation under section 37 (b) and a proportion of 34.6 per cent. of the total augmentation grants received by the district boards from Government as compared with 25 per cent. and 31 per cent. respectively, in the preceding year. Credit for this improvement belongs entirely to the district boards of Rajshahi and Dacca Divisions, as the district boards of the Burdwan, Presidency and Chittagong Divisions actually reduced the amount of their contributions to the union boards. It was stated in the resolution on the working of the union boards during 1934-35, that the district boards of Bankura and Howrah did not appear to have made any grants during that year under section 45, although the union boards realised substantial amounts from the rates imposed under section 37 (b). An explanation for this was called for from the district

boards of Bankura and Howrah and it has been now ascertained that the boards actually paid Rs. 6,660 and Rs. 18,864, respectively, to the union boards.

The total receipts of the union boards from pounds, which practically represent a transfer of district board revenue to union boards, rose from Rs. 1·99 lakhs to Rs. 2·22 lakhs. The amount paid to the union boards under section 33 of the Village Self-Government Act for the management of works and institutions transferred to them by the district boards also increased from Rs. 1·61 lakhs to Rs. 1·63 lakhs.

**7. General remarks.**—Government have noticed with pleasure the cordial relations which subsisted between the union boards and the district authorities and they take this opportunity of expressing their appreciation of the valuable help rendered by the Presidents and members of union boards in all matters concerning rural welfare. Apart from the performance of their normal duties, the Presidents of union boards are reported to have actively co-operated with the local officers in carrying on the campaign for jute restriction, and for the destruction of water-hyacinth and removal of jungles. The Presidents also rendered useful assistance in holding enquiries in criminal cases and in regard to the registration of births and deaths and the service of processes through union boards.

The relations between the police and the union boards continued to be satisfactory and thana co-operation meetings were regularly held in certain districts. These meetings, which were mostly presided over by the District Magistrates, enabled the local officers of all branches under the Government to come into close touch with the Presidents, Vice-Presidents and prominent members of union boards and of the general public and furnished them with opportunities for understanding local needs and problems.

Some of the union boards organised Village Defence Parties which are reported to have been of considerable help to the police in the detection and prevention of crime.

Generally speaking, the Presidents and members took an increasing interest in the affairs of the boards and there were signs of a greater realisation on their part of the responsibilities and privileges conferred on them by the Village Self-Government Act. On the other hand, instances were numerous in which members failed to attend meetings regularly and in which the Presidents often evinced a tendency to usurp power which should have been exercised by the boards. There was also a general reluctance on the part of the Presidents to assess themselves and their relations adequately and to take prompt steps for the realisation of arrears of rates and for the punctual payment of the salaries of the dafadars and chaukidars and of the cost of their equipment. In not a few cases, party faction among members of union boards hampered their normal development, while lack of a sufficiently high level of education among a large proportion of the members also offered a serious impediment to any rapid advancement of the standard of the administration of village self-government. The Commissioner of the Rajshahi Division has observed that while a high standard of efficiency was noticeable in some cases owing mainly to the control exercised by Presidents of outstanding ability, the advice and guidance of the Circle Officer was found indispensable in the case of the majority of the Boards.

By order of the Governor,

*By-laws under clause (a) of section 375 of the Bengal Municipal Act, 1932, for the regulation of conduct of business in places used for the purposes mentioned in clauses (iii), (iv), (vi) and (vii) of subsection (1) of section 370.*

1. The licensee shall not use or allow to be used any portion of a place licensed under section 370, for residential or sleeping purposes, nor shall use or allow to be used any room within a building, in such place as a living or sleeping room, unless it is separated from the remaining portion of the said place by a substantial wall and contains a window opening directly to the sky and of dimensions not less than one-tenth of the superficial area of the room.

2. The licensee shall not employ any person suffering from any contagious or infectious disease at the place licensed under section 370.

3. The licensee shall store all materials which have been received on the place licensed under section 370 and which are not required for immediate use in the trade in such a manner and in such a condition as to prevent the emission of noxious or injurious effluvia therefrom.

4. The licensee shall thoroughly cleanse and wash at the close of every working day all floors or pavements in the place licensed under section 370 and shall collect all fragments of gut or other matter detached in the process of scraping and all garbage, filth or other offensive matter and place them in suitable vessels or receptacles to be forthwith removed with their covers affixed from the said place to a safe place of disposal appointed by the Commissioners or to be disposed of in a manner approved by the Commissioner. Each such vessel shall be constructed of galvanised iron or of some other non-absorbant material and furnish with a closely fitted cover and shall contain a sufficient quantity of a deodorant solution.

5. The licensee shall at the close of every working day thoroughly cleanse with water

containing a deodorant every bench, table, tub, vessel, utensil or implement which has been in use during the day in the place licensed under section 370.

6. The licensee shall at the close of every working day remove by scraping or other effectual means all filth or refuse which has been splashed upon any inside portion of the place licensed under section 370.

7. The licensee shall keep every vessel or receptacle in a place licensed under section 370 thoroughly clean even when such vessel or receptacle is not in use.

8. The licensee shall adopt the best practicable means for rendering innocuous all gas or vapour emitted during any trade process either from the articles operated upon or from the contents of any cask, tank, vat, pan, trough or other receptacle upon the place licensed under section 370.

9. The licensee shall thoroughly wash within each first ten days of March, June, September and December of every year the interior of the place licensed under section 370 above the floor or pavement with hot limewash if such place has been in use since the last occasion on which it was so washed:

Provided that this by-law shall not apply to any part of such place as is covered with impervious material, in which case it shall be sufficient thoroughly to cleanse the same by washing with water.

10. The licensee shall not allow facility for the absorption of any liquid filth, refuse or other noxious or injurious matter in the interior of a place licensed under section 370 by reason of want of repair to the surface thereof.

11. The licensee shall adopt all appliances or means which the Commissioners may from time to time require for the purpose of preventing, abating, or minimising any nuisance or annoyance to the neighbourhood or to the public from the use to which a place licensed under section 370 is put and shall at all times maintain them in good and efficient order.

12. The licensee shall trap and connect the drains in a place licensed under section 370 with sewers with the consent of the Commissioners. Where there are no sewers or where permission to connect drains with the existing sewers has been refused by the Commissioners the licensee shall collect waste water from such place in properly constructed cesspools. These should be periodically cleansed and the contents thereof treated in a manner to render them inoffensive or in such other way as the Commissioners may require before disposal in the way recommended by them.

13. A breach of any of the provisions of by-laws 1 to 12 shall be punishable with fine which may extend to fifty rupees and when the breach is a continuing one, with a further fine which may extend to five rupees for every day after the date of the first conviction during which the offender is proved to have persisted in the offence.

*By-laws under clause (a) of section 375 of the Bengal Municipal Act, 1932, for the regulation of conduct of business in places used for dyeing mentioned in clause (viii) of sub-section (1) of section 370.*

1. The licensee shall not use any part of a place licensed under section 370 for residential or sleeping purposes, nor shall use any room within a building in such place as a living or sleeping room, unless it is separated from the remaining portion of such place by a substantial wall and contains a window opening directly to the sky and of dimensions not less than one-tenth of the superficial area of the room.

2. The licensee shall not employ any person suffering from any contagious or infectious disease on a place licensed under section 370.

3. The licensee shall store all materials which have been received on the place licensed under section 370 and which are not required for immediate use in the trade in such a manner and in such a condition as to prevent the emission of noxious or injurious effluvia therefrom.

4. The licensee shall thoroughly cleanse and wash at the close of every working day all floors or pavements in the place licensed under section 370 and shall collect all residual waste or other offensive matter and place them in suitable vessels or receptacles to be forthwith removed, with their covers affixed, from the said place to a place of disposal appointed by the Commissioners or to any safe place for deposit, wherefrom the same shall subsequently be removed by the Commissioners for disposal.

5. The licensee shall adopt the best practical means for rendering innocuous all vapour emitted during any trade process either from the articles operated upon or from the contents of any cask, tank, vat, pan or other receptacles upon the place licensed under section 370.

6. The licensee shall keep at all times all floors and pavements in a place licensed under section 370 in good order and repair so as to prevent the absorption of any liquid filth or refuse or any noxious or injurious matter which may fall or be deposited thereon.

7. The licensee shall keep the dyeing ground and all the ground surface of the place licensed under section 370 smooth and free from hollows or inequalities so as to prevent any accumulation thereon of any liquid filth or refuse.

8. The licensee shall maintain at all times every drain or means of drainage upon or in connection with the place licensed under section 370 in good order and efficient condition. The licensee shall trap and connect drains of dyeing houses in the said place with sewers with the consent of the Commissioners. Where there are no sewers or where the permission to connect drains with the existing sewers has been refused by the Commissioners, the licensee shall collect the waste water from such place in properly constructed cesspools. These should be periodically cleansed and the contents thereof treated in a manner to render them inoffensive

or in such other way as the Commissioners may require before disposal in the way recommended by them.

9. The licensee shall provide air-tight lids or covers for every tank, cask or other receptacle, whether in daily use or not, kept for the purpose of dyeing in a place licensed under section 370. All such receptacles should be covered with air-tight lids overnight so that mosquitoes may not have the chance of gaining entrance into the receptacles.

10. Whenever dyeing is temporarily suspended the licensee shall fill all unused pots in a place licensed under section 370 with sand and shall cover them with mull or gauze tied tightly round their necks to prevent mosquito breeding in them during the period of such suspension.

11. The licensee shall keep every vessel or receptacle in a place licensed under section 370 thoroughly clean even when such vessel or receptacle is not in use.

12. The licensee shall thoroughly wash within each first ten days of March, June, September and December of every year the interior of the place licensed under section 370 above the floor or pavement with hot limewash if such place has been in use since the last occasion on which it was so washed:

Provided that this by-law shall not apply to any part of such place as is covered with impervious material, in which case it shall be sufficient thoroughly to cleanse the same by washing with water.

13. The licensee shall adopt all appliances or means which the Commissioners may from time to time require for the purpose of preventing, abating, or minimising any nuisance or annoyance to the neighbourhood or to the public from the use to which a place licensed under section 370 is put, and shall at all times maintain them in good and efficient order.

14. A breach of any of the provisions of by-laws 1 to 13 shall be punishable with fine which may extend to fifty rupees and, when the breach is a continuing one, with a further fine which may extend to five rupees, for every day after the date of the first conviction, during which the offender is proved to have persisted in the offence.

*By-laws under clause (a) of section 375 of the Bengal Municipal Act, 1932, for the regulation of conduct of business in places used for purposes mentioned in clause (ix) of sub-section (1) of section 370.*

1. The licensee shall see that a place licensed under clause (ix) of sub-section (1) of section 370 has sufficient room therein for the loading or unloading of materials.

2. A breach of any of the provisions of the by-laws shall be punishable with a fine which may extend to fifty rupees, and when the breach is a continuing one, with a further fine which may extend to five rupees for every day after the date of the first conviction during which the offender is proved to have persisted in the offence.

*Executive Instructions.*

1. Any license granted under clause (ix) of section 370 (1) may impose such conditions as in the opinion of the Commissioners appear necessary for the safety or convenience of the public or any portion of the public.

2. Every application for the grant of a license under these by-laws shall contain full particulars of the situation and boundary of the place for which the license is required and of the materials for which the license is required. An application for renewal shall be accompanied by the license to be renewed.

*By-laws under clause (a) of section 375 of the Bengal Municipal Act, 1932, for the regulation of conduct of business in places used for the purposes mentioned in clause (xi) of sub-section (1) of section 370.*

1. The licensee shall not store in any place licensed under clause (xi) of sub-section (1) of section 370 kerosene, petroleum, naphtha, or any inflammable oil or spirit in excess of the following quantities, namely:—

*Petroleum.*—Maximum quantity 12 gallons; provided that petroleum is contained in closed tins, drums or bottles.

*Naphtha.*—Maximum quantity 1 quart.

*Spirit.*—Maximum quantity 2 gallons.

*Other inflammable oil.*—Such quantities as the Commissioners may from time to time prescribe; provided that such quantity shall not be in excess of the quantity prescribed under the Indian Petroleum Act, 1899.

2. The licensee shall not store other goods of a combustible nature in a place licensed under clause (xi) of sub-section (1) of section 370 for the storage of petroleum.

3. The licensee shall not open a cask or other receptacle containing petroleum nor shall draw off the oil inside the place in which petroleum is stored.

4. The licensee shall not permit smoking nor introduce any artificial light or fire, in any form, within the place licensed under clause (xi) of sub-section (1) of section 370.

5. The licensee shall keep all petroleum stored in a place licensed under clause (xi) of sub-section (1) of section 370 in properly sealed tins, drums or casks and if any tin, drum or cask be opened, shall close it securely again in such a manner that no vapour may be given off.

6. The licensee shall see that the place used for the storage of petroleum is properly ventilated.

7. The licensee shall keep in stock ready for use sufficient number of fire extinguishers and also dry sand in such quantity proportionate to that of the inflammable articles stored as the Commissioners may direct, ready for use in case of any accidental outbreak of fire.

8. A breach of any of the provisions of the by-laws 1 to 7 shall be punishable with a fine which may extend to fifty rupees, and when the breach is a continuing one, with a further fine which may extend to five rupees for every day after the date of the first conviction during which the offender is proved to have persisted in the offence.

*By-laws under clause (a) of section 375 of the Bengal Municipal Act, 1932, for the regulation of the conduct of business in places used for the purposes mentioned in clause (xii) of sub-section (1) of section 370.*

1. The licensee shall not store more than 1,000 maunds of hay, straw, wood, thatching grass, jute or other dangerously inflammable material in one place under a license issued under clause (xii) of sub-section (1) of section 370.

2. The licensee shall see that the area of the place to be used for storing hay, straw, wood, thatching grass, jute or other dangerously inflammable material is as follows:—

N. B.—Intending purchasers are invited to examine the sections before sale.  
All information and (provided at least three days' notice is given) a man to accompany him to point out the boundaries of any given section will be given by the Coupe Officer.

#### Conditions.

1. The officer holding the auction is not bound to accept the highest or any offer for any section. The sale of an section the value of which exceeds Rs. 5,000 only shall not be completed until confirmed by the Conservator of Forests Bengal.

2. If the officer holding the auction accepts any offer for any section the purchaser who has made the accepted offer shall deposit an earnest fee of Rs. 100 or at the Divisional Forest Officer's option 10 per cent. of the offer in Government currency notes or cash. This sum will be returned if the sale is not confirmed, and will be retained as part of the security deposit if the sale is confirmed.

3. A security deposit of 10 per cent. of the purchase-money must be paid by the purchaser within 15 days of confirmation of the sale.

4. No purchaser shall be permitted to commence work in his section until he has paid in full the first instalment of the purchase-money in addition to the security deposit.

5. Purchasers will be required to sign agreements in the printed form for outright sales, a copy of which may be seen at the Forest Office, Khulna, or at the Coupe Office.

6. The following are amongst the conditions of the agreement:—

(a) Felling and extraction to be completed on or before the 31st March 1938.

(b) The purchase-money to be paid in four instalments on or before the following dates:—

1st instalment of	10 per cent.	on or before	1st day of December 1937.
2nd	40	" "	1st " of January 1938.
3rd	40	" "	1st " of February 1938.
4th	10	" "	1st " of March 1938.

(c) No claim for reduction in respect of trees found short of the number given in the printed lists will be entertained unless made within two months of the date of the auction sale.

(d) All trees marked are to be felled by the purchasers. Removal of tops and branches of the trees is prohibited.

7. Failure to complete payment of the security deposit by the prescribed dates will render the purchaser liable to forfeiture of the earnest money, and failure to sign the agreement within one month of confirmation of the sale will render the purchaser liable to forfeiture of the security deposit.

The lot or lots so affected shall be resold by public auction at the discretion of the Divisional Forest Officer and the purchaser shall be liable for any loss, short of his bid on such resale.

S. CHAUDHURI,

Deputy Conservator of Forests, Sundarbans Division.

Khulna, the 22nd September 1937.

The conditions of sale approved.

The Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are (1) that widowed daughters incapable of re-marriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. For forms of application and rules of the Fund apply to the Accountant-General, Bengal, Imperial Secretariat Buildings, Calcutta.

## PART VI

**Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.**

### GOVERNMENT OF INDIA.

#### Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 27th August, 1937:—

L. A. BILL No. 31 OF 1937.

*A Bill further to amend the Dangerous Drugs Act, 1930, for a certain purpose.*

WHEREAS it is expedient further to amend the Dangerous Drugs Act, 1930, for the purpose hereinafter appearing; It is hereby enacted as follows:—

Short title.

1. This Act may be called the Dangerous Drugs (Amendment) Act, 1937.

Amendment of section 2, Act II of 1930.

2. To clause (i) of section 2 of the Dangerous Drugs Act, 1930, the following words shall be added, namely:—

“ and includes the bringing into any port or place in British India of a dangerous drug intended to be taken out of British India without being removed from the ship or conveyance in which it is being carried”.

## STATEMENT OF OBJECTS AND REASONS.

By acceding to the Dangerous Drugs Convention, 1925, the Government of India undertook, in view of the provisions of Article 15, to secure that no consignment of substances covered by the Convention exported from one country to another country should be permitted to pass through British India, whether or not removed from the ship or conveyance in which it was being conveyed, unless a copy of the export authorisation (or diversion certificate) which accompanied the consignment was produced to the competent authorities in British India. The provisions of section 7 of the Dangerous Drugs Act, 1930, give the Government of India ample power to enforce this control in the generality of cases; but it has been held that they are not adequate to cover the case of dangerous drugs conveyed in a vessel that calls at a British Indian port if the drugs are not transhipped or discharged at such port but are retained on board and are so manifested. It is therefore proposed to amend definition (i) in section 2 of the Dangerous Drugs Act, 1930, so as to cover such cases.

## SUPPLEMENT.

### Official Papers.

Report on Public Instruction in Bengal for the year 1935-36.

### CHAPTER I.

#### General

1. (i) The year 1935-36 was notable for the fact that the Government of India, from funds voted by the Legislative Assembly, gave generous grants to the various provinces for the work of rural reconstruction. The Department of Education in Bengal received Rs. 2

lakhs which was used for the establishment of village halls, libraries and playgrounds, for grants to the Boy Scout, Girl Guide and Bratachari movements and for the establishment of agriculture farms or workshops to be attached to schools and madrasahs.

(ii) The publication of a Government Resolution on Educational Reform provoked much criticism by the revolutionary nature of its recommendations—an indication in itself of the increased and more intelligent interest displayed in educational matters.

(iii) Ten District School Boards, viz., Mymensingh, Chittagong, Pabna, Dinajpur, Noakhali, Bogra, Birbhum, Dacca, Nadia and Murshidabad, formed under the Bengal Rural Primary Education Act of 1930, worked satisfactorily during the year, and one of them, Mymensingh, passed a resolution requesting Government to bring into operation in the district those provisions of the Act which relate to the imposition of an educational cess. These School Boards, the newly-created instruments for the control and expansion of primary education in the countryside, are faced with tremendous problems, problems of finance and organisation, but for the present, and until Government is able to secure for them more money, they will have to limit their energies to consolidating present activities and preparing for the future.

(iv) Towards the close of the year, an Education Week and Exhibition was held in Calcutta, under the auspices of the Hon'ble Minister for Education and the Department of Public Instruction. The Exhibition was an unqualified success, and the greatest credit is due to those who by their generosity in time, labour or money made this success possible.

(v) The Sakhawat Memorial School—a high school for Moslem girls—in Calcutta, was made a Government institution in January 1936.

(vi) Another notable event of the year was the inauguration by the University of Calcutta of a "short-course" training class for secondary school teachers.

(vii) The scheme for the establishment of an Advisory Board for Women's Education in the province was sanctioned by Government at the close of the year.

2. (i) The following tables give comparative figures for 1935-36 and the preceding year:—

## CHAPTER II.

### Administration and Control.

1. Education in Bengal is controlled mainly by the Education Department, the two Universities of Calcutta and Dacca, the Board of Intermediate and Secondary Education, Dacca, district boards, municipalities, district school boards constituted under the provisions of the Bengal Rural Primary Education Act, 1930, and a number of societies—Indian, non-Indian, missionary and secular. The control of general education vests ultimately in the Minister of Education who is an elected member of the Legislative Council.\* Throughout the period under review the Hon'ble Khan Bahadur M. Azizul Haque was in charge of the Education portfolio. European Education was, as previously, administered by a Member of His Excellency the Governor's Executive Council.

\*Medical schools and colleges are under the control of the Local Self-Government Department, and agricultural, technical and industrial (except engineering) institutions of the Agriculture and Industries Department.

2. The Education Department consists of the following kinds of services:—

- (i) Indian Educational Service (Men's Branch).
- (ii) Bengal Senior Educational Service (Men's and Women's Branches).
- (iii) Bengal Educational Service (Men's and Women's Branches).
- (iv) Subordinate Educational Services.
- (v) Officers holding (a) special posts, and (b) posts not included in any of the services mentioned above.

In terms of notification No. 1665 A., dated 14th February 1936, a new service called the Bengal General Service was created in which the posts mentioned at (v) above have been included.

(i) *Indian Educational Service*.—The Indian Educational Service is fast disappearing, recruitment to it having been stopped some years ago by the Secretary of State for India. The Superior Branch of the Bengal Educational Service, viz., Bengal Senior Educational Service which was constituted in the preceding year, will eventually replace the Indian Educational Service. Excluding the post of the Director of Public Instruction, Bengal, the Men's Branch of the Indian Educational Service was reduced from 25 to 19, owing to the abolition of certain posts from this cadre or the inclusion of some posts in other services. Of these 19 posts 3 were in the higher selection grade, 10 in the lower selection grade and the remaining 6 in the ordinary time-scale of the service. There was only one post in the Women's Branch of the Indian Educational Service during the previous year which has since been abolished, and this post has been filled by a woman officer in the Bengal General Service.

(ii) *Bengal Senior Educational Service*.—Fifty-three posts were created in the Men's Branch of the Bengal Senior Educational Service from 1st April 1934. Of these 53 posts 19 were occupied by officers in the Indian Educational Service, 26 were filled in the Bengal Senior Educational Service, 4 in the Bengal General Service and the remaining 4 were left vacant. Five posts were created in the Women's Branch of the Bengal Senior Educational Service and appointments to 3 of them were made. The remaining 2 posts were filled by appointments in the Bengal General Service—Education.

(iii) *Bengal Educational Service*.—After the reorganisation of the Bengal Educational Service 189 permanent posts were allotted to the Men's Branch of the service during the year under review. There were also 2 temporary posts in this cadre against 16 such posts in the previous year. The variation in the number of the temporary posts is due to the fact that remaining posts were either merged in or abolished from the cadre while the service was reorganised in terms of Government notification No. 3896 Edn., dated the 9th November 1935. In the Women's Branch there were 23 permanent posts during the year as sanctioned after reorganisation. This number excludes one temporary post which was created to provide for the appointment of a Professor of English, Bethune College, Calcutta, against the vacancy in the post of Professor of Philosophy in the Men's Branch of the Bengal Educational Service.

(iv) *Subordinate Educational Service*.—At the beginning of the year, the appointments in the Subordinate Educational Service numbered 2,119. During the period under review, there were certain changes in all branches consequent on the abolition of certain posts and the creation of new ones. The total number of posts was raised to 2,143 at the end of the year as detailed below:—

				1st April 1935.	31st March 1936.
Teaching	..	..	..	1,324	1,341†
Inspecting	..	..	..	311	312

Ministerial	..	..	..	397	400
Total				2,119	2,143

†Including 80 posts held in abeyance.

\*Including 6 posts held in abeyance.

Besides the above there were certain other temporary wholetime or part-time posts on 31st March 1936 which are detailed below:—

**Wholetime posts—**

(i) Lecturers	..	..	..	..	12*
(ii) Physical Instructress, Bethune College and Collegiate School					1
(iii) Teachers of the School Final Classes attached to Darjeeling Government High School	..	..	..	..	3

(v) *Bengal General Service*.—The “special posts” and “posts not within the classified lists” have been merged in the service called the Bengal General Service—Education—created under Government notification No. 1665 A., dated 14th February 1936, in terms of which 48 posts were created; to these one has been added under Government order No. 52 T.—Edn., dated 19th April 1936.

Besides the above, there were certain part-time gazetted posts on fixed rates of pay during the year under review as detailed below:—

- (1) Professor of Geology, Presidency College.
- (2) Professor of Geology, Bengal Engineering College.
- (3) Lecturer in Accountancy, Bengal Engineering College.
- (4) Honorary Lecturer on Irrigation, Bengal Engineering College.
- (5) Honorary Lecturer on Railways, Bengal Engineering College.
- (6) Honorary Lecturer on Water-supply and Sewerage, Bengal Engineering College.

3. **Direction.**—The Director of Public Instruction, Bengal, is the executive head of the Education Department of the Government of Bengal. During the year under review, Mr. J. M. Bottomley, M.A., I.E.S., who held charge of the office of the Director of Public Instruction, Bengal, was on leave for the period from 29th November 1935 to 16th May 1936 during which time Dr. W. A. Jenkins, I.E.S., acted as Director of Public Instruction, Bengal. The Director of Public Instruction was assisted by Mr. A. K. Chanda, M.A. (Oxon.), Assistant Director of Public Instruction, Bengal, up to 6th December 1935, by Mr. Jitendra Mohan Sen, B.Sc., (Calcutta), M.ED. (Leeds), Teachers' Diploma (London) and Diploma in Education (Oxford), from 7th December 1935, by Khan Bahadur Mr. Md. Maula Baksh, B.A., Assistant Director of Public Instruction for Muhammadan Education, Bengal, by Mr. J. Buchanan, M.A. (Glas.), Physical Education Diploma (Dumfermline), Director of Physical Education, Bengal, and by Khan Bahadur Maulvi Tasadduq Ahmed, B.A., B.T., M.ED. (Dacca), as Special Officer for Primary Education, Bengal.

4. **Inspection.**—The following table indicates the strength of the departmental inspecting staff as it stood on 31st March 1936. There was no change in the duties of the inspecting officers:—

	Presidency Division.	Burdwan Division.	Dacca Division.	Rajshahi Division.	Chittagong Division.	Total.

5. **Extra-departmental agencies.**—The interest shown in education by executive officers, viz., District and Subdivisional Officers, continued unabated. The District and Subdivisional Officers, many of whom are presidents of managing committees of secondary schools in their jurisdiction, constantly assisted the department with valuable advice and active co-operation. As Chief Executive Officer in the district, the District Magistrate has a very important voice in the grant-in-aid to schools and the constitution of their managing committees. Thanks are also due to chairmen and vice-chairmen of district boards, municipalities, district school boards and union boards for the zeal which they have evinced in developing primary and technical education in their respective areas. Special mention should also be made of the various Christian Missionary Bodies, Ram Krishna Missions and Brahmo Samajes, the Society for the Improvement of Backward Classes and Nari Siksha Samiti who have rendered yeomen service in fostering education among girls and the members of backward communities. Finally, the railway authorities help the cause of education by maintaining schools at important centres. These schools are open to children of all classes, although they are meant chiefly for the sons and daughters of railway employees.

### CHAPTER III.

#### Primary Education.

1. **General statistics.**—There was a decrease in the number of primary schools for boys and girls, mainly as a result of a policy of concentration. An increase in the number of pupils attending these schools clearly shows that this policy was not altogether ineffective. It is also a hopeful sign that the number of upper primary schools increased during the year. The following table gives figures for these and also for the cost of maintaining the schools:—

			1934-35.	1935-36.
Total number of primary schools	..	..	64,309	62,150
Number of upper primary schools	..	..	10,330	11,593
Number of pupils in primary schools	..	..	2,378,750	2,426,344
Cost	..	..	Rs. 81,18,121	83,05,241

2. **Primary education for Indian boys.**—(The primary education of Indian girls and Europeans is dealt with in other chapters).

*Schools.*—The number of primary schools for Indian boys fell during the year from 45,588 to 44,495. The decrease in the number of schools was mainly due to the amalgamation of weaker institutions.

The table below indicates the number of primary schools for Indian boys in the presidency:—

Division.	1935-36.						1934-35.
	No. of schools managed by Government.	No. of schools managed by district boards.	No. of schools managed by municipal boards.	No. of schools receiving aid from public funds.	No. of schools not receiving aid from public funds.	Total.	Total No. of schools returned in the previous year.

Total ..	82	4,045	290	35,582	4,496	44,495	45,588

*Pupils.*—On 31st March 1936 primary schools for Indian boys had in them 1,916,794 pupils (including 159,716 girls), as compared with 1,865,977 pupils (including 136,637 girls) on the corresponding date of the previous year. If account is taken of pupils studying in primary classes of schools classed as secondary, the totals for 1935-36 and for the preceding year are 2,114,435 and 2,078,079. Not much satisfaction, however, can be got from these figures. Bengal's population is increasing rapidly, and the stagnation in the lower classes of primary schools is so great that 70 per cent. of the pupils that enter them never attain the stage of education that can be described as literacy.

It is difficult to see how any real improvement can take place until money is available in sufficient amount to make it possible to give schools better paid and better trained teachers so that parents will realise that education is a boon; at present, and with good reason, they do not.

3. **Relative progress of Hindus and Muhammadans.**—Classified according to communities, there were altogether 872,377 Hindu and 1,056,379 Muhammadan boys reading in the primary stage at the close of the year under report as compared with 851,003 and 1,044,577, respectively in the previous year.

4. **Expenditure.**—The total cost of maintaining primary schools for Indian boys increased during the year under review from Rs. 65,26,878 to Rs. 66,62,424. Of this amount Rs. 38,12,967 or 57·2 per cent. was from public funds and Rs. 28,49,457 or 42·8 per cent. from private sources. In the previous years public and private funds contributed 56·5 per cent. and 43·5 per cent., respectively, of the total direct expenditure on primary schools for Indian boys. The expenditure from public funds was made up of Rs. 22,25,780 from provincial revenues and Rs. 8,07,752 and Rs. 7,79,435 from district funds and municipal funds, respectively, against Rs. 21,49,948, Rs. 8,28,146 and Rs. 7,08,159, respectively, in the previous year. Thus expenditure incurred from provincial revenues and municipal funds increased while that from district funds decreased. The larger expenditure from district funds

in the previous year was mainly due to the payment of arrear salaries of the year 1933-34 during the year 1934-35 in the districts of Dinajpur and Rangpur.

5. **Panchayati union schools.**—The number of panchayati union schools managed by the district boards and the district school boards fell from 1,081 in 1934-35 to 1,080 in 1935-36. A sum of Rs. 1,41,768 was sanctioned during the year under review for the maintenance of panchayati union schools for boys and girls. These schools are not so popular as one would expect them to be.

6. **Primary schools under Mr. Biss' scheme.**—Pending the introduction of the Primary Education Act, 1930, any extension of this scheme to rural areas has been suspended. In the year under review sanction was accorded to the payment of an additional recurring grant of Rs. 234 per annum with effect from 1st April 1936 towards the maintenance of the Indrajmal Biss Primary School within the Jalpaiguri Municipality. The number of schools of this type was 283. These schools are more popular and more efficiently managed than panchayati union schools.

7. **Primary schools in Calcutta.**—The number of boys' primary schools in Calcutta rose during the year from 510 to 512 and that of pupils attending them from 40,252 to 40,378. Of these pupils 27,118 were Hindus and 13,089 were Muhammadans. The total cost of maintaining boys' primary schools rose during the year under review from Rs. 6,94,369 to Rs. 7,43,917, of which Rs. 6,24,512 was borne by public funds. The free primary schools for boys managed by the Corporation of Calcutta, which are included in the above figure, were 145 in number, a decrease of one from the preceding year. In Ward No. IX of the city primary education was made compulsory between the ages of 6 and 10.

8. **Night and continuation schools.**—On the 31st March 1936 there were 880 night schools in the presidency which taught 24,253 pupils. They usually teach the lower primary course and are held in the evening for about two hours daily and are attended mostly by adults who cannot attend day schools on account of their occupations.

Continuation schools, which exist only in Presidency Division and Calcutta, are of two types. Both are held in the evening. Schools of the first type teach only the 3 R's and are attended by boys who have to work during the daytime. Schools of the second type teach up to the middle standard and add to the ordinary middle curriculum some technical subject—usually tailoring, carpentry, hat-making, book-binding or typewriting. On 31st March 1936 there were altogether 254 continuation schools in Bengal attended by 8,298 pupils.

9. **Examination.**—During the year under report 24,702 boys appeared in the Primary and Maktab Final Examination, and of these 17,956 were successful.

10. **Double-shift system.**—The double-shift system of attendance of pupils continued as in previous years in 5 Biss' type schools in the district of Bogra. The average number of pupils per school was 164 against 165 in the previous year. All these schools teach up to the final primary standard. Although the double-shift system can hardly be considered a satisfactory device, it is interesting to notice that the District Inspector of Schools, Bogra, is of opinion that the general tone of these schools is superior to all other primary schools of the district, where the teachers are paid much less.

11. **School post offices.**—The number of primary school teachers who worked as post masters during the year under review was 281 against 282 in the previous year. The remuneration for postal work varied from Rs. 5 to Rs. 16 a month.

12. **Control by district boards and district school boards.**—The optional scheme framed by Government under the Rural Primary Education Act, 1930, which shifted control of primary education from district boards to newly created district school boards, has been in operation in the districts of Mymensingh, Chittagong, Pabna, Dinajpur, Noakhali, Bogra, Birbhum, Dacca, Nadia and Murshidabad. Two more school boards were constituted in Rangpur and Jalpaiguri just after the close of the year. As has already been stated, the District School Board of Mymensingh contemplates imposing an educational cess in 1937.

13. **Curricula.**—There was no change made during the year in primary school curricula, but Government appointed a committee to consider the questions of the revision and of the introduction of religious teaching in schools.

14. **Teachers and their training.**—The fatal weakness of primary education in Bengal is the scarcity of trained teachers, and to increase the supply without, at the same time, giving something more in the way of salary than the miserable pittance which such men at present enjoy, will not effect a cure.

Bengal has 85 training institutions for primary teachers and the number of students in them was 2,267 against 2,195 in the previous year. During the year the old guru training schools at Burdwan and Mithani were abolished and in their place a guru training school of the new type was started at Burdwan. A training class under the management of the Roman Catholic Mission was opened at Bandhura in the district of Dacca. It was also decided to abolish (1) the old type guru training schools at Nalhati and Bolpur and to start one of the improved type at Sriniketan, Bolpur, and (2) the old type guru training schools at Sonamukhi and Vishnupur and to start an improved type of guru training school at Vishnupur in the district of Bankura.

The total maintenance charges amounted to Rs. 3,64,444 against Rs. 3,48,152 in the previous year. The demand for admission into guru training schools and the educational qualifications of these who apply continues to increase.

## CHAPTER IV.

### Secondary Education.

1. **General.**—The following table gives comparative figures for the years 1934-35 and 1935-36 in respect of all secondary schools for boys and girls:—

			1934-35.	1935-36.
High English schools	..	..	1,249	1,271
Middle English schools	..	..	1,893	1,924
Middle vernacular schools	..	..	52	49
Number of pupils	..	..	480,966	501,519
Cost of maintenance	..	..	Rs. 15,87,355	1,63,72,605

The figures indicate an increase both in the total number of schools and pupils. As in the previous year, the decline occurs only in the case of middle vernacular schools.

*Secondary education for Indian boys.*—(The secondary education of Indian girls and of Europeans is dealt with in other chapters.)

2. **Schools and pupils.**—The total number of secondary schools for Indian boys rose during the year under review from 3,012 to 3,050. High English schools increased from 1,151 to 1,168 and middle English schools from 1,815 to 1,838, while middle vernacular schools declined from 46 to 44. Pupils reading in high schools rose from 278,240 to 290,083 or by 11,843; those in middle English schools from 162,039 to 169,188 or by 7,149, but the number in middle vernacular schools fell from 3,281 to 3,036 or by 245. The decrease in the number of pupils in middle vernacular schools was due to the general unpopularity of purely vernacular education, which was aggravated by the inability of purely vernacular passed candidates for admission to normal schools.

3. **Expenditure.**—The total direct cost of maintaining secondary schools for Indian boys rose during the year from Rs. 1,31,21,179 to Rs. 1,35,07,992. Of the total expenditure Rs. 21,70,698 or 16:1 per cent. came from public funds and Rs. 1,13,37,294 or 83:9 per cent. from private sources as compared with Rs. 21,25,807 or 16:2 per cent. and Rs. 1,09,95,372 or 83:8 per cent., respectively, in the previous year. High English schools cost during the period Rs. 1,05,97,387, middle English schools Rs. 28,68,205 and middle vernacular schools Rs. 42,400; the corresponding amounts in the previous year were Rs. 1,02,03,713, Rs. 28,70,525 and Rs. 46,941, respectively.

4. **Manual instruction.**—Sixty-two high and middle schools have opened classes in some form of handwork, viz., carpentry, weaving, dyeing, smithy, etc. These classes add variety to the curriculum and are useful in their own way but do not, except in rare cases, claim or aim at vocational value.

5. **Agriculture education.**—In pursuance of the programme of work outlined in the scheme for the introduction of agricultural education in non-Government secondary schools the monthly allowance of Rs. 10 each payable to the trained teachers was renewed in favour of 50 teachers according to the recommendation of the Director of Agriculture. The schools which suffered loss on working of their farms or gardens also got a grant up to the maximum of Rs. 100 in case of a farm and Rs. 20 in case of a garden. The existing scheme was allowed to continue until further orders. The proposals for opening of continuation classes in the rest of the middle English schools participating in the scheme and training of further batches of teachers from the existing schools in order to create a reserve of teachers for filling up vacancies caused by death or resignation of existing trained teachers had been administratively approved by Government.

6. **School Final Classes (Science Side).**—Though the importance of School Final Class from the utilitarian point of view cannot be over-estimated, yet it fails to appeal to the public in general as a course of study, and only those boys who lag behind in the general course of instruction of a high school join the School Final Class and consequently the results are not proportionate to the amount of energy and labour spent on it. The Science Course Classes attached to 7 Government high schools in the presidency had an enrolment of 88 pupils on 31st March 1936. Out of 39 students who were sent up for the School Final Examination 22 were successful.

**7. Results of Matriculation Examination.**—The number of boys who appeared at the Matriculation Examination of Calcutta University and the similar School Leaving Examination of the Dacca Board of Intermediate and Secondary Education was 24,168. Of these 16,092 passed. The corresponding number in 1935 were 23,892 and 14,272, respectively.

**8. Curriculum.**—The curriculum for secondary schools introduced in 1931 was followed in all schools during the year under review. The revised Matriculation Regulations received the sanction of Government. The outstanding features of these Regulations may be enumerated as follows:—

- (1) Institution of vernacular as the medium of instruction and examination in all subjects excepting in English.
- (2) Provision for the study of Science subjects.
- (3) Alternative course of studies for girl students.
- (4) Provision for physical training of students.
- (5) Provision for imparting training in special subjects, such as agriculture and gardening, carpentry, smithy, etc.

The date from which these Regulations would come into operation remained to be settled. The age-limit of the Matriculation Examination was, however, removed. It is hoped that the new Regulations will go a great way in improving the quality of school work.

**9. Grant-in-aid system.**—This is generally acknowledged to be of great value in maintaining the efficiency of schools participating in the system. The principles of distributing the Government grants remained unaltered, but the peculiar circumstances brought about by the widespread economic depression made it necessary to relax the rules in favour of certain deserving schools. The reduction of 10 per cent. cut on grants-in-aid and fall in the income from subscriptions and donations in many schools affected the efficiency and morale of secondary schools.

**10. Teachers.**—There were 26,161 male teachers in secondary schools on 31st March 1936. Of them 5,064 were trained as against 21,097 untrained. The teachers in many private schools are generally obliged to resort to private tuition or other occupation to supplement their meagre salary.

**11. Training of teachers.**—The two Government training colleges at Calcutta and Dacca which train English teachers of secondary schools together registered 171 pupils on 31st March 1936. All the students read the B.T. course. The cost of upkeep of the two colleges amounted during the year under report to Rs. 1,36,098 as compared with Rs. 1,13,422 in 1934-35. Out of 212 students who appeared at the B.T. Examination 158 came out successful.

During the year under report the Calcutta University also made arrangements for short training and vacation courses in order to provide some additional facilities for the training of teachers in secondary schools. Thirteen selected Calcutta schools co-operated by providing facilities for practice teaching. Seventy-six students were admitted to the training department. The final examination for the certificate for the short term training course for teachers was held in September 1935.

Out of 69 students who appeared in the examination 41 came out successful. In November and December 1935 three weeks' extra practical training was arranged for those who failed in the practical portion of the Final Examination.

On 31st March 1936 there were 5 normal or first grade training schools in Bengal. All these schools, of which there is one in each division, are maintained by Government. These schools are for those intending to become vernacular teachers in secondary schools. The normal schools registered 392 pupils on 31st March 1936. The cost of upkeep of these schools amounted during the year under report to Rs. 1,16,103 nearly the whole of which was contributed from provincial revenues. Out of 186 students who appeared at the examination, 170 passed. The revision of the existing curriculum is considered by most inspecting officers as a necessity to suit the requirements of the present day times.

12. **General.**—The condition of secondary schools in Bengal is depressing. The ideal by which the system is dominated at present needs a change. The passing of an examination should not be the only aim in education. Real education consists in the development of attitude of good citizenship, in the inducement of pursuits, intellectual or manual, creative or appreciative, for their own sake, with joy and pleasure after school life. The problem of secondary education cannot be solved satisfactorily until further Government grants are available for aiding secondary schools and the recognition of high schools is placed in the hands of an independent Board.

## CHAPTER V.

### College and University Education.

1. **Colleges.**—The total number of arts colleges in the presidency fell during the year from 54 to 49; of these 43 were for men and 6 for women. The decision of the authorities of the Diocesan College Calcutta, to close down both their departments of University standing—an arts college and a training college for women—was a great blow to women's education in Calcutta. It was fortunate that the Scottish Church College was able to open a training department for women and thus continue the excellent work done by the Diocesan College.

The enrolment of arts colleges increased from 24,403 to 25,202 and the cost of their maintenance rose from Rs. 36,17,893 to Rs. 37,78,218. Of the 43 men's colleges, 10 (including Islamic intermediate colleges) were maintained by Government and 20 received aid from Government. The following tables give comparative figures of enrolment and cost of upkeep for the years 1934-35 and 1935-36:—

		Number of students.	
		1934-35.	1935-36.

Other sources ..	2,91,931	3,18,623
Total ..	34,46,470	36,01,514

Government subsidies to private colleges during the year amounted to Rs. 2,17,852. Financial stringency was responsible for the continuance of the 10 per cent. cut on all grants. As in the previous year, a sum of Rs. 45,000 was distributed among non-Government colleges on the recommendation of the University of Calcutta for the improvement of libraries, laboratories and gymnasia as against the original assignment of Rs. 1,29,000.

2. **Government Colleges.**—There were 10 Government colleges with 3,969 students on 31st March 1936 as compared with 3,855 on the corresponding date of the previous year. The cost of maintaining these colleges amounted during the year under report to Rs. 14,27,802 towards which provincial revenues contributed Rs. 9,52,848, so that the average annual cost per student was Rs. 396, of which Rs. 246 was met from provincial revenues. The system of tutorial supervision over students by college teachers continued to produce good results, bringing the students and teachers in closer personal touch and thus creating a healthy atmosphere in these colleges.

The following table gives statistics relating to Government colleges for men † :—

\*Information regarding colleges for women is given in Chapter VII of this Report.

†Islamic intermediate colleges maintained by Government are dealt with in Chapter IX.

‡Includes post-graduate students.

A committee was constituted to investigate the quality of work at present done in the Presidency College and to suggest improvements. The committee held several meetings, but its labours were not concluded during the year under review. A long-felt want has been removed by the construction of a Muslim hostel for Krishnagar College. In Hooghly College an interesting experiment was tried during the year: general talks on Science were given by members of the Science staff to the First Year Arts students once a fortnight or so throughout the year in order to increase the general knowledge of the students and stimulate their interest in scientific subjects. Chittagong College laboratory was provided with a workshop, and this removed a long standing defect of the Science Department of the college. Owing to an outbreak of small-pox in an epidemic form Dacca Intermediate College and other institutions in the town of Dacca were closed early for the summer vacation. The hostel buildings of Dacca Intermediate College which had been lent for the accommodation of the British troops in Dacca (whose barracks had been destroyed by cyclone) were handed back by the military authorities during the year. The Duty Fund of Islamia College continued to extend help to a number of poor and deserving students of the college.

**3. Non-Government colleges.**—Besides the colleges maintained by Government, there were 33 other arts colleges for men in the province; of these 20 received grants from public revenues, and 13 were maintained entirely from private sources.

In the aided colleges the number of students rose from 10,633 to 10,815 and the cost of maintenance from Rs. 12,94,754 to Rs. 13,13,590, of which Rs. 2,31,552 was borne by provincial revenues. A Rover Class and a Class of the St. John Ambulance Association have been introduced in St. Paul's College, Calcutta. The work of "Little Brothers of the Poor" of the Brajamohan College is being carried on with unabated zeal. A Physical Instructor was appointed in the Bankura College and an attempt was made to introduce regular compulsory physical training.

In the unaided colleges the total number of students rose from 9,258 to 9,713 and the cost of maintaining them from Rs. 8,27,560 to Rs. 8,60,112. Affiliation in I.A. and B.A. (Pass) Pali and B.A. (Hons.) Mental and Moral Philosophy was obtained by Ripon College and in B. A. Hindi as a second language by Vidyasagar College with effect from the commencement of the session 1935-36. Uttarpada College was granted extension of affiliation in Civics and Ia Martiniere in French and Commercial Geography up to I.A. Standard.

**4. Calcutta University.**—Mr. Syamaprasad Mookerjee, M.A., B.L., Barrister-at-law, etc., was Vice-Chancellor of Calcutta University during the year under review. Dr. Harendracoomar Mookherjee, M.A., Ph.D., University Inspector of Colleges, made another endowment of Rs. 50,000 to supplement the object of his previous endowment for the foundation of the Lalchand Mookerjee Scholarship. Mr. Profulla Chandra Ghosh, M.A., Lecturer in the University and Professor of English, Presidency College, offered a sum of Rs. 30,000 in 3½ per cent. Government promissory notes for creating an endowment in memory of his father, the late Rai Sahib Ishan Chandra Ghosh. The

following table shows the number of students (both post-graduate and under-graduate) reading in the University of Calcutta during the last 2 years :—

	1934-35.	1935-36.
In M. A. Classes .. .. .	723	762
In M. Sc. Classes .. .. .	252	231
Under-graduate students .. .. .	169	178
Women students .. .. .	40	32

A notable event during the year was the revival of the arrangement for Tibetan and Chinese studies. The Senate sanctioned Rs. 85,000 for the extension of the building of the University College of Science.

5. **Dacca University.**—Mr. A. F. Rahman, M.A., was the vice-Chancellor of the Dacca University during the year. The University Classes were suspended from the 25th February 1936 and the long vacation commenced from 1st March 1936 and extended up to the 26th May 1936 owing to a serious outbreak of small-pox in Dacca town. The University examinations which were originally arranged for March were postponed until June. The Indian Economic Conference met at Dacca under the auspices of the University on the 2nd, 3rd and 4th January 1936 under the Presidentship of Mr. Monoharlal of the Punjab. The Hon'ble Minister for Education opened the Conference, and himself took a prominent part in its deliberations. The number of students of Dacca University rose from 986 to 1,042; of this number 577 (including 46 women students) were reading for Arts Degrees, 262 for Science Degrees, while 122 were in the Law Department, 60 in the Commerce Department and 21 engaged in research. The halls (including the women's hostel) had 415 students in residence on 31st March 1936.

6. **Board of Intermediate and Secondary Education, Dacca.**—The Dacca Board has completed the 16th year of its existence. Khan Sahib Maulvi Abdul Khaliq made over charge of his office as Secretary to the Board on 29th February 1936 to join his new appointment as Assistant Inspector of Schools for Muhammadan Education, Presidency Division, and Mr. J. N. Roy, Assistant Inspector of Students' Residence, Dacca, was appointed temporarily to act as Secretary to the Board from 1st March 1936, in addition to his own duties. The cost of maintaining the Board amounted during the year under report to Rs. 40,274.

Excluding the Islamic intermediate colleges at Dacca, Chittagong and Rajshahi, the number of intermediate colleges remained stationary at 5. Two of these colleges, viz., Dacca Intermediate College and Eden Intermediate College for Girls, Dacca, are maintained by Government; the Jagannath Intermediate College, Dacca, received aid from the department.

## CHAPTER VI

### Professional and Technical Education.

1. **Law colleges and classes.**—Arrangements for imparting legal education existed, as previously, by three institutions in the Presidency, viz., the University Law College, Calcutta, the Ripon Law College, Calcutta, and the Law Department of the Dacca University. The number of students reading in the three institutions fell from 1,990 to 1,950. The upkeep of the University Law College, Calcutta, and the Ripon Law College amounted during the year under report to Rs. 1,85,099 as compared with Rs. 2,05,996. The expenditure incurred for the maintenance of the Law Department of Dacca University, which has not been shown separately in the University returns, is included in the general tables under the head "Universities." Out of 1,006 candidates who appeared at the Final B.L. Examination from the three institutions, 428 were successful.

2. **Medical colleges and schools.**—Advanced medical instruction was provided by three institutions, viz., Calcutta Medical College, the Carmichael Medical College, Belgachia, and the School of Tropical Medicine and Hygiene. The three institutions together had 1,454 students (including 23 women) on 31st March 1936 as compared with 1,461 (including 16 women) on the corresponding date of the previous year. Of the total roll strength, 50 were Europeans and Anglo-Indians 1,316 were Hindus and 72 were Muhammadans, and the rest belong to other communities. The cost of maintaining these institutions rose during the year under review from Rs. 9,32,462 to Rs. 9,42,405. In the Final Examination the three institutions presented altogether 517 students, of whom 235 were declared successful.

As in the previous year, there were 9 recognised medical schools in Bengal attended by 2,389 students (including 45 women) against 2,535 (including 40 women) in the previous year. The cost of maintaining medical schools rose during the period from Rs. 5,84,173 to Rs. 6,12,557. Altogether, 1,673 candidates appeared from these schools in the Final Examination, of whom 786 were declared to have passed.

3. **Veterinary College, Belgachia.**—The Veterinary College, Belgachia, had 174 pupils on 31st March 1936 as against 170 in the previous year. Of the total enrolment, 106 were Hindus and 44 Muhammadans; the rest came from other communities. The total cost of maintenance rose from Rs. 1,74,760 to Rs. 1,79,693 which was borne entirely from provincial revenues. Out of 171 students who sat for the Annual Examination, 132 were successful.

4. **Bengal Engineering College.**—The number of students under training in the Bengal Engineering College, Sibpore, rose during the year from 260 to 268 (of whom 148 were in the Civil Engineering Department, 68 in the Mechanical and Electrical Engineering Department and 52 in the Industrial Department). Of these students 5 were Europeans and Anglo-Indians, 212 were Hindus, 48 were Muhammadans and 3 of other communities. The cost of maintaining the college

rose during the period from Rs. 3,53,859 to Rs. 3,68,370, of which Rs. 3,08,732 against Rs. 2,94,336 was met from provincial revenues. The average annual cost of educating each student was Rs. 1,341, of which Rs. 1,130 was borne by Government. The results of the college in the various examinations held during the period under review are indicated below:—

Examinations.	Examinees.	Passes.
B. E. (Civil Engineering) .. ..	29	25
B. E. (Mechanical Engineering) .. ..	7	6
B. E. (Electrical Engineering) .. ..	3	3
I. E. (Civil Engineering) .. ..	56	40
Associateship in Mechanical and Electrical Engineering	2	1
Diploma in Mechanical and Electrical Engineering ..	5	5

It is gratifying to note that the Degree Classes in Electrical Engineering started from the opening of the college session, *i.e.* from November 1935.

5. **Ahsanullah School of Engineering.**—In the Ahsanullah School of Engineering roll strength fell during the period from 395 to 392 (168 in the Overseer Classes, 151 in the Sub-Overseer Classes and 73 in the Artisan Classes). Classified according to race or creed there were 306 Hindus, 83 Muhammadans and 3 of other communities. The cost of maintaining the school rose during the period under review from Rs. 1,36,469 to Rs. 1,40,986, of which Rs. 1,04,590 came from provincial revenues. The school passed 78 out of 111 candidates sent up for the Overseer Examination, and 61 out of 77 for Sub-Overseer Examination.

6. **Bengal Survey School.**—In the Bengal Survey School, Mainamati, enrolment fell during the period from 55 to 47. The cost of upkeep of the school rose during the period from Rs. 18,995 to Rs. 19,175, of which Rs. 15,004 came from provincial revenues. In the Survey Final Examination 15 students and in the Amin Examination 33 students appeared respectively and all of them came out successful.

7. **Art schools.**—On 31st March 1936 there were 5 arts schools in the province, the chief of which was the Government School of Art, Calcutta. Of the other schools 3 were in receipt of aid from public funds. The Government School of Art, Calcutta, had 269 students in the various departments, against 281 in the previous year. Of these students 258 were Hindus, 8 Muhammadans and the rest being of other creeds. The cost of maintenance of the school decreased during the period from Rs. 52,211 to Rs. 44,722, of which Rs. 31,088 was met from provincial revenues. Thirty-three students appeared at the Final Examination and all of them came out successful.

The Commercial Section of the school which was sanctioned on a temporary basis meets a definite purpose of the commercial city of Calcutta. It is the most popular section of the school and has got the highest number of students on its rolls.

**8. Commercial institution.**—Facilities for advanced commercial education were provided, as before, by the two Universities and the Commerce Department of Vidyasagar College, Calcutta. Students who obtained the B. Com. Degree of the Universities of Calcutta and Dacca last year numbered 151 and 20 respectively, the number of examinees being 273 and 31 respectively. In the I.A. Examination of the Dacca Board with Commerce as a special subject 62 candidates appeared, of whom 36 were successful.

The number of commercial schools in Bengal returned on 31st March 1936 was 20, of which one was managed by Government, 3 were aided and the rest unaided. The roll strength of the Government Commercial Institute, Calcutta, decreased during the year from 441 to 382, of whom 359 were Hindus, 15 were Muhammadans, the rest belonging to other communities. The cost of maintenance fell during the period from Rs. 58,877 to Rs. 51,141 towards which provincial revenues contributed Rs. 26,252. Of the 133 students that appeared in the Final Commercial Course Examination, 88 were successful. In the Special Commercial Course Examination 34 students passed out of 81 who presented themselves. The Government Commercial Institute, Calcutta, sustained a loss by the retirement of Mr. D. L. Dutt who was associated with the institute from its very inception as Lecturer in Shorthand and latterly acted as its Principal.

**9. Weaving schools.**—The weaving schools in the Presidency continued, as before, to be controlled by the Director of Industries. Some of them are permanently located and some are peripatetic. The chief of these schools is the Government Weaving Institute, Serampore, which imparts training in all aspects of cotton textile technology and in the improved methods of handloom weaving. It had 181 pupils under training on 31st March 1936, against 161 in the previous year. Of the total enrolment 152 were Hindus, 22 were Muhammadans and 7 were Indian Christians. The cost of maintaining the school rose during the year from Rs. 41,382 to Rs. 41,411, of which Rs. 40,229 was borne by provincial revenues. Sixty-two out of 67 candidates passed the examination of the institute. Six women passed out of the Female Industrial Class last session; this class has been working on a temporary basis since its inception.

**10. Music schools.**—The number of music schools in the presidency remained stationary at 7, of which 5 received aid from public funds. These schools altogether had 419 pupils on 31st March 1936, as compared with 340 in the previous year.

**11. Agricultural schools.**—An account of steps taken by the department for the introduction of agricultural education in general schools is given in the chapter on secondary education. Of the five agricultural schools in the presidency 2 were directly managed by Government and 3 received aid. These schools had 167 pupils on 31st March 1936, against 278 in the preceding year. The agricultural school attached to the Maninag Primary School in Tippera which had been the only school of its kind in the Chittagong Division ceased to exist during the year under report.

12. **Other technical centres.**—Most of the technical and industrial schools in Bengal are controlled, as previously, by the Director of Industries, Bengal. Among them the following schools may be specially mentioned:—

- (i) In the Calcutta Technical School roll strength rose from 182 to 211. The cost of maintaining the school also rose from Rs. 57,242 to Rs. 70,119, of which Rs. 31,000 was met from provincial revenues. In the Annual Entrance Examination, 47 candidates came out successful out of 71 registered. Ten students appeared at the Final Examination of the Electrical Wiremen Course, of whom 4 came out successful.
- (ii) In the Kanchrapara Technical School roll strength dropped from 78 to 63. The cost of upkeep fell during the period from Rs. 84,727 to Rs. 82,112, of which Rs. 34,612 was met from provincial revenues. Forty-seven candidates appeared at the Board of Apprenticeship Training Annual Examination held in December 1935, of whom 29 were declared successful.
- (iii) The Bengal-Nagpur Railway Technical School, Khargpur, returned 57 apprentices against 55 in the previous year. Of these 38 were Europeans and Anglo-Indians and 19 Indians. During the year under review 7 boys completed their apprenticeship and 36 boys passed the Annual Examination.

## CHAPTER VII.

### Education of Indian Girls and Women.

1. **Institutions and pupils.**—During the year ending 31st March 1936 the total number of educational institutions of all types and grades meant exclusively for Indian girls fell from 19,217 to 18,120 and that of the pupils attending them from 555,835 to 554,290. These figures do not, however, present a true picture of the position of girls' education, as there was a large increase in the number of girls reading in boys' schools. If account is taken of these, the number of girls under instruction increased from 689,141 to 713,652; of these 307,390 were Hindus and 391,998 were Muhammadans.

2. **Controlling agency.**—The women inspecting staff of the department consisted, as in previous years, of 2 Inspectresses and 12 Assistant Inspectresses of Schools divided equally between East and West Bengal.

3. **Collegiate education.**—During the year the number of arts colleges for Indian women (including the women's section of Vidyasagar College, Calcutta, which is regarded as a separate unit), fell from 7 to 6. The decrease was due to the closing of the Diocesan College, Calcutta. Two colleges—Bethune College in Calcutta and Eden Intermediate College at Dacca—are directly managed by Government. The number of students in these women's colleges rose from 657 to 705 in the year, but there were also 627 women students in men's colleges

and in University Classes. The subjoined table shows the enrolment and the cost of maintenance of each of the women's colleges:—

Colleges.	Number of students.				Cost of maintenance.			Average Cost per student.

\*Asutosh College not having kept separate accounts for maintenance cost of the Women's Department, it cannot be shown as a separate unit in all the references made in this chapter.

The staff in Philosophy of the Bethune College was strengthened by one additional member. The difficulties which the college has had to face through insufficient hostel accommodation have been relieved in some measure by the opening of a college women's hostel in an excellent building adjacent to the college compound which has accommodation for about 60 boarders. The Music Classes are held under the auspices of the Sangit Sammilani and both vocal and instrumental music is taught.

Altogether 632 students sat for the I.A. and I.Sc. Examinations, 288 for the Bachelor's Degree Examinations and 26 for the M.A. Examination during the year under review, of whom 436, 185 and 20 were declared successful.

4. **Secondary schools.**—(i) *High schools.*—The number of high English schools for Indian girls rose in the year under report from 54 to 59. Of these schools 6 were managed by Government, 45 were aided institutions and the rest unaided. The total number of girls reading in high schools increased from 16,404 to 17,327. In the Matriculation Examination held in 1936, 1,110 girls out of 1,865 were successful. The scheme for the establishment of a high school for Muslim girls in Calcutta under Government materialised during the year and the Sakhawat Memorial Girls' High School was provincialised from the beginning of the year 1936. The desire for the education of Indian girls is so keen that the authorities of several boys' high schools, e.g., the Oriental Seminary, Metropolitan Institution and Bharati Bidyalaya in Calcutta and the Santipur Municipal High English School in the district of Nadia have opened separate sections for girls. In the towns of Faridpur and Serajganj girls' classes have also been opened in the boys' high schools. Such expedients can never be regarded as satisfactory, for so long as co-education among boys

and girls in secondary schools is not an acceptable policy, boys' schools can provide neither the right atmosphere nor the proper sort of teaching for girl pupils.

(ii) *Middle schools.*—The number of middle English schools for Indian girls rose from 76 to 84. Girls reading in middle English schools also rose from 11,764 to 13,293. The number of middle vernacular schools for girls, however, declined from 6 to 5; these schools taught 692 girls as compared with 798 girls in the preceding year.

High schools for girls cost Rs. 10,05,322 and middle schools Rs. 3,61,844 during the year under report; of these amounts Rs. 3,51,250 and Rs. 1,44,588 respectively came from public funds.

5. **Primary schools.**—During the year the number of primary schools for Indian girls fell from 18,703 to 17,638, but the number of girls reading in primary schools rose from 638,915 to 658,259. The Calcutta Corporation free primary schools for girls decreased from 86 to 82 and the pupils reading in them from 13,360 to 13,017. The decrease in the number of Corporation free primary schools is due to the separation of the Garden Reach Municipality from the Corporation of Calcutta with effect from 1st April 1935. The number of panchayati union schools for girls, which are better housed and equipped than ordinary aided primary schools, remained unchanged at 168. There are 22 peasant girls' schools, all of which are located in the Presidency Division. These schools are maintained entirely at Government expense and are specially meant for the children of cultivators. Private agencies such as Nari Siksha Samiti, the Society for the Improvement of Backward Classes, Bengal and Assam, Brahmo Samajes, and Christian Missionary Societies have continued to work well in connection with the spread of female education. The Uttarpada Hitakari Sava continues to function as an examining body. Primary schools for Indian girls cost Rs. 15,67,366 during the year and of this amount Rs. 10,63,659 was contributed by public funds.

6. **Special schools.**—On 31st March 1936, the presidency had 45 technical, industrial and other special schools for Indian girls which were attended altogether by 3,579 pupils; the corresponding numbers in the previous year were 54 and 3,298 respectively. These schools, besides giving a general education, teach needlework of various kinds, lace-making, tailoring and weaving. They are proving a blessing to many destitute women who after their training can have an opportunity of earning an independent livelihood.

7. **Needle-work.**—The standard of needle-work in girls' schools has very obviously improved under the guidance of trained mistresses. The Lady Carmichael needle-work diploma is a great stimulus towards this improvement.

8. **Training of teachers.**—There is no Government training college for women. Women teachers of secondary schools continued to receive professional training at the training departments of Scottish Church College and Loreto House, Calcutta. The combined capacity of these is 59.

The number of training schools for women teachers rose from 10 to 11. These schools afford training facilities to women teachers employed in primary schools. Of these schools 3 were directly

managed by Government and 8 by Christian and Brahmo Missions. The women's training schools reported a total enrolment of 287 pupils on 31st March 1936 as compared with 271 on the corresponding date of the previous year. The total expenditure incurred for the upkeep of these schools amounted during the year under report to Rs. 85,229, of which Rs. 63,728 was met from the provincial revenues.

These training institutions are working satisfactorily and are turning out good teachers. The demand, however, is still much greater than the supply.

The following table shows the number of trained women teachers in high, middle and primary schools:—

				Women teachers.	
				Total No. of teachers.	No. of trained teachers.
Primary schools	..	..	..	5,857	710
Middle schools	..	..	..	489	253
High schools	..	..	..	655	210

9. The scheme for the establishment of an Advisory Board for Women's Education in Bengal was sanctioned by Government at the end of the year under review. It has been decided that the Board should start work from the year 1936-37 and should be constituted in the first instance for a period of one year. The aims and objects of the Board will be to furnish the department with practical suggestions consistent with the policy of Government and to render such active assistance as will facilitate the working of that policy for the improvement of all grades of girls' education in the province.

## CHAPTER VIII.

### Education of Anglo-Indians and Europeans.

1. **Schools.**—The number of institutions for the education of Anglo-Indians and Europeans was again 67. Of the 67, 4 are for special and 63 for general education as compared with 3 and 64 in the previous year. The increase of one special institution is due to the recognition of the Fendell Home, Calcutta, from January 1936 and the exclusion of the Christian English Free School at Chinsurah, now defunct, is responsible for the decrease of one institution for general education. The 4 institutions which impart special instruction are (1) the Commercial and Technical Classes attached to the Young Women's Christian Association, Calcutta, (2) the Dow Hill Training College, Kurseong, (3) the Children's House, Kurseong, and (4) the Fendell Home, Calcutta. The 63 institutions for general education include 24 secondary, 19 higher grade, 19 primary, and 1 ungraded school. These schools are mainly concentrated in important centres like (1) Calcutta and Howrah, (2) Darjeeling, Kurseong and Kalimpong, (3) Dacca, (4) Chittagong, (5) Asansol and along the different railway systems. Three of the institutions, viz., Victoria

Boys' School and Dow Hill Girls' School, Kurseong, for general education and the Dow Hill Training College, Kurseong, for the training of school mistresses are directly managed by Government; the rest are managed by various religious and philanthropic societies and the railway authorities.

2. **Pupils.**—The subjoined table shows the classification of the European schools of the presidency according to management together with their roll strength:—

	1934-35.		1935-36.	
	No. of schools.	No. of pupils.	No. of schools.	No. of pupils.
Government .. ..	3	416*	3	369
Church of England .. ..	9	1,885	9	1,869
Church of Rome .. ..	30	6,835	30	6,844
Non-conformist .. ..	4	834	4	828
Undenominational .. ..	16	1,385	16	1,471
Jews .. ..	3	363	3	378
Armenians .. ..	1	108	1	114
Seventh Day Adventist .. ..	1	27	1	47
Total .. ..	67	11,853	67	11,920

The total number of pupils reading in schools for Anglo-Indians and Europeans thus rose during the year under report from 11,853 to 11,920 or by 67. Of the 11,920 pupils 6,483 were boys and 5,437 were girls as compared with 6,505 boys and 5,348 girls in the preceding year; thus although the number of girls increased by 89 that of boys decreased by 22. Non-European pupils reading in European schools numbered 2,662 against 2,667 in the preceding year; of these 1,060 were Indian Christians, Jews, Armenians and others.

3. **Expenditure.**—The total cost of upkeep of the schools for Anglo-Indians and Europeans amounted during the year under review to Rs. 35,93,148 including boarding charges of Rs. 10,53,305 as compared with Rs. 10,26,276 in the previous year.

The following comparative table indicates the sources from which this amount was derived:—

	1934-35.	1935-36.
	Rs.	Rs.
(1) Provincial revenues ..	9,87,878	8,42,118
(2) Municipal grants ..	37,936	16,866
(3) Fees ..	15,74,950	15,79,542
(4) Subscriptions and donations	11,62,471	11,54,622
Total ..	37,63,235	35,93,148

The apparent decrease in expenditure for 1935-36 is mainly due to the fact that a special earthquake grant of Rs. 10,445 was paid in the year under review against the earthquake grant of Rs. 1,67,330 paid last year and payments of municipal grants for 1935-36 to some schools after the close of the year.

4. **Scholarships.**—A sum of Rs. 27,397 as compared with Rs. 28,383 in the previous year was expended for the award of scholarships to pupils of European schools. This figure represents the amounts actually drawn by the pupils and excludes the amounts of scholarships which were awarded by other provinces but paid in Bengal.

5. **Teachers.**—In all 810 teachers were employed in European schools in Bengal on the 31st March 1936 as compared with 797 employed during the previous year. Of the 810 teachers, 160 were graduates, 469 (including 94 graduates) were trained and 341 (including 66 graduates) were untrained.

6. **Training of teachers.**—Owing to the financial stringency no European or Anglo-Indian male teacher was deputed to the Chelmsford Training College at Ghoragali, Punjab, for training during the year 1935-36. A scheme for the deputation of two Anglo-Indian or European male teachers annually to the Chelmsford Training College, Ghoragali, Punjab, and two to the Training Department of the St. Xavier's College, Calcutta, had been approved by Government. Steps had been taken to include the necessary provision in the budget of 1936-37. Government had also approved of a proposal by which teachers in Manual Training may be deputed by European schools to the Bengal Engineering College, Sihpore, to undergo a course of training in the subject.

The Dow Hill Training College, Kurseong, which affords training facilities to European and Anglo-Indian female teachers enrolled 18 students on the 31st March 1936, as compared with 19 on the corresponding date of the previous year. In the Annual Examination of the second year students in November 1935, 9 senior students presented themselves and all of them were successful.

7. **Examinations.**—The following table shows the result of the various examinations held in 1934-35 and 1935-36:—

	1934-35.				1935-36.

**8. Education of subnormal children.**—The Children's House, Kurseong, which adopts special methods of training for mentally and physically defective European children had 24 pupils on 31st March 1936 as compared with 23 pupils in the previous year. Stipends amounting to Rs. 2,520 were awarded towards the maintenance and education of children living in the House. A Board of Visitors to this institution has been formed.

**9. Reformatory school.**—The Fendell Home, Calcutta, is an institution which has now been recognised by the department as a non-Government Special School. It is a Rescue Home for destitute European and Anglo-Indian girls who are maintained and are given such training as will befit them for a career in life. On the 31st March 1936 there were 30 girls in residence. The Home received a Government grant of Rs. 900 and a special grant of Rs. 1,180 from His Excellency the Governor of Bengal during the year under review. The total expenditure incurred by the school amounted to Rs. 15,049 during the year.

**10. Trust funds.**—(1) *Sussex Trust.*—The income of the fund was Rs. 28,364-14-3 during the year 1935-36 and the expenditure for the same period was Rs. 17,705-8-3. Six overseas scholars and 19 local scholars profited by the scholarships awarded.

(2) *Doveton Trust.*—The total receipt (including the opening balance on 1st April 1935 and the interest on Government securities accrued during the year) derived from the Doveton Trust Fund amount to Rs. 9,787-12-11, and the total expenditure during the same period was Rs. 6,983-8-6, leaving a closing balance of Rs. 2,804-4-5. Altogether 48 scholarships were awarded during the year under review.

**11. Controlling agency.**—During the year Mr. R. Wolfenden continued to work as Inspector of European Schools, Bengal. The Inspector of European Schools, Bengal, is also administrator of the Doveton Trust Fund.

**12. European School Code.**—Owing to financial stringency it was not possible during the year under review to give full effect to the provisions of the Revised Code of Regulations (1929) for European Schools, which led as in the previous year to a reduction in the amount admissible for maintenance, teaching staff and fixed grants to European schools in the presidency.

**13. His Excellency the Governor's Calcutta European Schools' Emergency Fund.**—During the year under review 174 children reading in 21 schools were helped to the extent of Rs. 15,630. His Excellency the Governor decided that the fund should not be continued and so no appeal has been made to the European Clubs for subscriptions this year, but it has been decided to continue the payment of the old stipends as long as the accumulated funds for the purpose permit. The fund has done really valuable work for European and Anglo-Indian children whose parents were thrown out of employment owing to financial depression.

**14. Earthquake.**—Out of the total sum of Rs. 1,77,775 a sum of Rs. 1,67,330 was paid to four hill schools from the Viceroy's Earthquake Fund last year. The balance of Rs. 10,445 was paid during the year under review to the Loreto Convent, Darjeeling.

### 15. Provincial Board of Anglo-Indian and European Education.—

The Provincial Board of Anglo-Indian and European Education which was constituted last year as a result of the recommendation made by the Sub-Committee of the Round Table Conference on the education of the Anglo-Indian and Domiciled European community in India held six meetings during the year under review. Many matters of great importance relating to the education of Anglo-Indians and Europeans were discussed at the meetings of the Board. Several recommendations made by the Bengal Board have already been accepted by Government. The Board also examined closely the budget provision for Anglo-Indian and European Education before it was finally sent to the Joint Meeting of Members and Ministers. The Provincial and Inter-Provincial Boards of Anglo-Indian and European Education are doing excellent work for the benefit of the education of the community.

## CHAPTER IX.

### Education of Special Communities.

1. **Education of Muhammadans.—Statistics.**—In the year under review the total number of Moslem students reading in all grades of educational institutions for Indians rose from 1,598,675 to 1,626,511. Of the total number 1,234,513 were boys and 391,998 girls, as compared with 1,162,623 Hindu boys and 307,390 Hindu girls returned on 31st March 1936. The proportion of Muhammadan students to the total number of pupils under instruction at the end of the year was 51·1 per cent. as compared to 51·9 per cent. in the preceding year. The following table gives figures for the two years 1934-35 and 1935-36 in different grades of institutions:—

	1934-35.		1935-36.	
	Number of Muhammadan students.	Percentage.	Number of Muhammadan students.	Percentage
Arts colleges ..	3,600	13·7	3,883	14·3
Professional colleges	569	11·03	583	11·07
High stage ..	31,363	21·4	34,599	22·4
Middle stage ..	31,227	24·1	33,127	24·2
Primary stage ..	1,418,318	55·1	1,440,167	55·0
Special schools ..	84,198	70·3	86,744	70·4

2. **Special institutions for Muhammadans.**—(a) There are a number of educational institutions of all grades which offer special facilities to Moslem students. Those of University standing are Islamia College in Calcutta—a first grade college affiliated to Calcutta University—the Arabic Department of Calcutta Madrasah, and three Islamic intermediate colleges at Dacca, Chittagong and Serajganj. The work and examinations of these intermediate colleges are controlled by the Dacca Board of Intermediate and Secondary Education. The number of students in the 3 intermediate colleges rose from 166 in 1934-35 to 181 in the year under review.

(b) Analogous to middle and high schools are junior and high Madrasahs of the reformed type. These institutions, established in accordance with the policy of Government enunciated some 23 years ago, provide a compromise—some think an unhappy compromise—between modern studies and the old-fashioned curriculum of orthodox madrasahs. The following table gives figures relating to both types of madrasahs:—

		Number of madrasahs.	Number of pupils.	Cost of maintenance.	Cost from public funds.
				Rs.	Rs.
(a) Reformed senior (high)	..	38	6,661	2,89,259	1,39,506
(b) Reformed junior	..	545	51,729	9,25,951	2,58,414
(c) Old type senior	..	62	7,591	2,14,919	99,196
(d) Old type junior	..	81	4,690	31,103	5,267
Total	..	726	70,671	14,61,232	5,02,383

The curriculum and examinations of high madrasahs are regulated by the Dacca Board—of Junior Madrasahs by the Department of Public Instruction.

Orthodox or old type madrasahs, of which the largest and most important is the Arabic Department of the Calcutta Madrasah, are still popular, especially in Chittagong Division, and their studies and examinations are controlled by the Central Madrasah Examination Board in Calcutta.

(c) During the year the number of maktabas or Muslim primary schools fell from 26,649 to 26,071; of these 16,746 were for boys and 9,325 for girls. The decrease was mainly due to the elimination and amalgamation of weak and inefficient schools. The number of pupils decreased from 965,987 to 965,195 and of these 674,566 were boys and 290,629 girls against 675,778 and 290,209 respectively in the previous year. The total direct expenditure incurred for the upkeep of the maktabas rose from Rs. 21,56,542 to Rs. 22,11,038, of which Rs. 11,73,244 (against 11,08,729) was met from public funds.

Quoran schools are unsecularised maktabas which teach the recitation of the Holy Quoran and one or two books on the rituals of Islam through the medium of Urdu. On the 31st March 1936 there were 288 Quoran schools in the presidency as compared with 364, showing a fall of 74: these Quoran schools are gradually being replaced by Muslim primary schools.

(d) There are in the province 6 muallim training schools, institutions parallel to guru training schools, but training teachers for maktabas alone.

3. **Education of Muhammadan girls.**—During the year under review the number of Muhammadan girls reading in all classes of recognised institutions in the presidency rose from 376,231 to 386,729. Of this total 30 were in colleges, 284 in the high stage, 521 in the middle stage, 383,788 in the primary stage, and 2,106 in special schools; the corresponding numbers in the previous year were 27, 253, 479, 373,741 and 1,731 respectively. The scheme for the establishment of a high school for Muslim girls in Calcutta under Government management materialised during the year and the Sakhawati Memorial Girls' High School, Calcutta, was provincialised from January 1936.

4. **Special facilities.**—During the year under review Moslem students were offered the same facilities in education as were enjoyed by them in previous years, viz., reservation of places in Government and aided schools, the grant of special scholarships and stipends and free studentships to the extent of 15 per cent. of their own enrolment.

5. **Advisory committee.**—The Report of the Muslim Education Advisory Committee which was submitted to Government is now under the consideration of Government.

6. **Chiefs and nobles.**—In Bengal there is no school specially set apart for the education of the sons of chiefs and nobles, but in the Nawab Bahadur's Institution at Murshidabad there are special arrangements for teaching the boys of the Nizam family. These boys reside in a separate hostel under the supervision of the Headmaster assisted by an Ataliq. The number of Nizam boys under instruction on 31st March 1936 was 18 against 26 in the previous year. The upkeep of the hostel cost Government Rs. 4,637, against Rs. 5,521 in the previous year.

7. **Education of the children of backward classes.**—The number of boys and girls belonging to educationally backward classes under instruction in the various types of schools and colleges in Bengal on 31st March 1936 (as indicated below) will give some idea of what progress has been achieved by them in education during the period under report:—

Class of institutions.	Boys.	Girls.	Total.
Arts colleges .. ..	1,467	4	1,471
Professional colleges ..	336	1	337
Secondary and primary schools	408,293	89,016	497,309
Special schools .. ..	7,734	333	8,067
Unrecognised schools ..	7,427	2,092	9,519
Total .. ..	425,257	91,446	516,703

The corresponding figures on the same date of the previous year were 388,462, 83,073 and 471,535 respectively. The following paragraphs indicate the educational progress that was noticeable among the children of the educationally backward classes in each division of the Presidency:—

(i) *Calcutta.*—In the year under report there were 32 primary schools with 1,191 pupils against 27 schools with 1,044 pupils chiefly intended for the education of the children of the backward classes. Of the 32 schools 8 were managed by the Christian Missions and 24 by the Hindu Missions. For the maintenance of these schools a sum of Rs. 5,267 was met from public funds. The Harijan Relief Society managed an industrial school with 105 pupils for the maintenance of which the society receive a sum of Rs. 1,300 out of municipal funds.

(ii) *Presidency Division (outside Calcutta).*—During the year under review there were 108,361 boys and 21,893 girls of the educationally backward classes against 100,966 and 18,933 respectively in the previous year. The number of schools specially intended for the

education of backward classes during 1935-36 was 11 high, 58 middle and 771 primary. The Tararat Upper Primary, Digha Lower Primary and Dhaniram Chak Girls' Lower Primary Schools were maintained out of the Sussex Trust Fund.

(iii) *Burdwan Division*.—The number of pupils of the educationally backward classes under instruction in all kinds of schools rose from 134,206 to 148,889 in the year under review. There were 247 primary, 1 high, 2 middle and a few industrial schools chiefly intended for the education of the Sonthals. The funds allotted for their education were administered by the Boards of Sonthal Education in the districts of Midnapore and Bankura and by the District School Board in Birbhum. The Sonthal High School at Bhimpur under the management of the American Baptist Mission enrolled 169 pupils against 180 in the previous year. The total expenditure on this school amounted to Rs. 13,881, of which Rs. 2,520 came from provincial revenues. The middle vernacular school for girls at Bhimpur had 148 pupils on its rolls on 31st March 1936 against 134 in the previous year. The cost of maintenance of this school amounted to Rs. 2,325 towards which provincial revenues contributed Rs. 720. The industrial school for females at Bhimpur enrolled 6 pupils on 31st March 1936 and the expenditure incurred was Rs. 180 met from Mission funds. The Methodist Mission Body in Bankura had under their management 1 middle vernacular school for boys, 1 guru training school, 2 industrial schools and 81 primary schools including one for girls. There were altogether 247 Sonthal primary schools with 7,129 pupils at the end of the year under review against 258 schools with 7,390 pupils in the preceding year, the decrease being due to pupils leaving schools owing to acute scarcity in the district of Bankura. The total cost of education for Sonthals amounted to Rs. 57,591, of which Rs. 38,117 came from provincial revenues. There was one peripatetic weaving school for Sonthals in the district of Birbhum, chiefly meant for Sonthals. It had 10 pupils on its rolls and the total cost was Rs. 2,126 against Rs. 1,546 in the preceding year.

(iv) *Dacca Division*.—The number of pupils belonging to the educationally backward classes rose from 111,329 to 117,786 during the year under review. There were 9 primary schools for muchis, 3 for methors, 23 for fishermen, 1 for Harijans and 2 middle and 50 primary schools for aboriginal tribes comprising altogether 88 as compared with 74 in the previous year. High schools meant for Kapalis and Namasudras remained stationary at 8, but middle English schools meant for Namasudras rose from 25 to 30. The number of primary schools intended for Magh settlers in the colonisation area of the district of Bakarganj was 12 as in the previous year, but the number of Magh pupils rose from 68 to 110 during the year under report.

(v) *Chittagong Division*.—The number of boys of backward classes receiving instruction in various classes of schools increased by 7,657 and that of girls by 1,836. The whole of the district of Chittagong Hill Tracts is a backward area inhabited by 15 hill tribes. There were in the Hill Tracts 1 high, 4 middle, 1 training and 143 primary schools including 2 schools for girls besides 38 Kayang schools. There were altogether 3,228 pupils of hill tribes in these institutions, of whom 2,947 were boys and 281 were girls. There were 5 Burmese primary schools managed by Government in the Cox's Bazar subdivision. They are intended for Arakanese Buddhists of the subdivision. Besides there were an aided middle English school at Ramu and two aided primary

schools intended for the education of the Magh pupils in the Cox's Bazar Municipality. In addition to these there were 39 Kayang schools. These schools impart free education to the Burmese boys in the vernacular.

(vi) *Rajshahi Division*.—The total number of pupils of the educationally backward communities enrolled on 31st March 1936 was 72,673 against 69,987 in the previous year. The Board of Sonthal Education in the districts of Rangpur and Malda had under their control 41 primary schools in 1935-36. The Board of Sonthal Education for Dinajpur district was abolished last year from the date of the establishment of the District School Board there and the grant which was hitherto placed at the disposal of the Sonthal Board of Education has been placed under the District School Board and will be utilised as usual in making special grant to the schools intended for the Sonthals. Schools chiefly intended for education of children of aboriginal races other than Sonthals in the districts of Jalpaiguri and Darjeeling numbered 34 during the period, viz., 2 middle English and 32 primary, and were subsidised from district fund and participated in the 1 per cent. khas mahal grant.

8. **Education of criminals.**—The industrial school maintained by the Salvation Army at Nilphamari for the education of the children of the Karwal Nuts had 41 boys and 30 girls on 31st March 1936 against 33 boys and 36 girls in the preceding year. The school is a residential one and there are separate hostels for boys and girls. The upkeep of the school cost Rs. 10,000, which was borne by provincial revenues. There is a school for criminal classes at Kaktengai in the Kishoreganj subdivision, Mymensingh district, with 22 pupils against 21 in 1934-35. The cost of maintenance of the school amounted to Rs. 237 which was met wholly from public funds.

9. The Reformatory and Industrial Schools, Alipore, had 249 inmates on 31st March 1936 as compared with 222 in the previous year. The upkeep of the institution cost Rs. 31,653, which was met entirely from provincial revenues. The education of pupils is conducted through the medium of Bengali, Urdu and Hindi and the course is up to the Upper Primary Standard. Also vocational training is given to every boy in any of the trades—weaving, blacksmithy, tinsmithy, carpentry, tailoring and gardening. Regular moral instructions were given to the boys every Saturday. In accordance with a scheme approved by Government, 27 boys were allowed to go home for one day quite unattended two or three times during the last quarter of their detention, and they regularly returned to the school in time. This shows that the results of the experiment were satisfactory.

The Borstal Institution at Bankura which educates juvenile offenders, aged 15 to 21, had 366 pupils on 31st March 1936 against 277 on the corresponding date of the previous year. Besides general education, the inmates were taught in various crafts and industries in order to make the boys self-supporting after their release. In the year under report 7 boys were sent up for the Matriculation Examination of whom 5 came out successful. A sum of Rs. 27,715 was spent for the maintenance of the school which was met entirely from provincial revenues.

10. **Education of defectives.**—The Children's House, Kurseong, which adopts special methods of training for mentally and physically defective European and Anglo-Indian children had 24 pupils on 31st

March 1936 against 23 pupils in the previous year. Stipends to the value of Rs. 2,520 were awarded by the department for the education and maintenance of the defective children living in the House. The Blind School at Behala (24-Parganas) had 84 pupils including 19 girls. The cost of upkeep of the school amounted to Rs. 30,826 of which Rs. 6,756 came from provincial revenues. The Deaf and Dumb School at Calcutta which teaches up to the primary final course besides carpentry, painting, book-binding, tailoring, clay-modelling, wood-work, metal-plating, embroidery and needle-work (for girls) enrolled 224 pupils on 31st March 1936 against the same number in the previous year.

As in the previous year, there were 3 aided deaf and dumb schools in the Dacca Division—one at each of the district headquarters of Dacca, Mymensingh and Bakarganj—with 69 pupils against 61 in the previous year. The maintenance cost of these schools amounted to Rs. 9,872, of which Rs. 3,726 was met from public funds. The Deaf and Dumb School at Chittagong had 19 pupils against 18 in the previous year. The total expenditure on the school was Rs. 1,718, of which Rs. 888 was met from public funds. The Deaf and Dumb School at Rajshahi had 17 pupils on the roll against 15 in the previous year. Of the total expenditure of Rs. 748 on this school, Rs. 717 came from public funds. The school for defective children at Jhargram in Midnapore which was started by the Bodhan Samity had 15 pupils and the cost of maintenance was Rs. 5,515, of which Rs. 930 was borne by public funds.

11. **Education of factory and colliery children.**—In the coal mine areas of the Burdwan district there were 11 primary schools with 291 pupils. These schools are specially meant for the education of the miners' children. Some mills in the Hooghly and Howrah districts maintained or subsidised primary schools meant for the children of millhands. Two such schools—one a Hindi and a Telegu primary school—were maintained by the Banga Laksmi Cotton Mills, Limited, district Hooghly. The authorities of the Bansheria Mills maintained 3 primary schools for Hindi, Telegu and Urdu-speaking boys of the millhands entirely at their own cost. There were 6 primary schools exclusively intended for the education of the factory children in the mill areas of the 24-Parganas. These schools had 611 pupils against 554 in the previous year. The Hindi primary schools and maktabas in the mills and factory areas of Titagar, Ichapore and Kankinara are attended mostly by children of millhands and factory labourers. For the children of Madrassi millhands there is a Telegu Class attached to departmentally aided primary school at Titagarh.

12. **Tea garden schools.**—These schools are intended for the education of the children of the labourers working in the tea estates of Jalpaiguri and Darjeeling; they teach primary course. There were altogether 165 tea garden schools with 3,930 pupils, against 153 schools with 3,658 pupils in 1934-35. Of the total expenditure of Rs. 25,358 on these schools, Rs. 11,437 came from public funds.

13. **Education of Jains.**—There were altogether 764 Jain students reading in different grades of educational institutions in the Presidency on 31st March 1936 as compared with 1,151 pupils in the previous year. Of the total number of pupils, 738 belongs to primary and secondary schools and 26 to colleges.

14. **Cantonment schools.**—In the cantonment areas of Barrackpur, district 24-Parganas, there were 8 primary and secondary schools against 9 in the previous year which were attended by 780 pupils, as compared with 773 pupils in the preceding year. For the maintenance of these schools a sum of Rs. 26,293 was spent during the year under review towards which provincial revenues contributed Rs. 6,914.

15. There were on the 31st March 1936, 3 primary schools—one in Jalapahar and 2 in Lebong cantonment area of the Darjeeling district—with 160 pupils against 3 schools with 130 pupils in the previous year. The total cost for the upkeep of these schools amounted to Rs. 2,473, of which Rs. 1,914 came from the cantonment fund.

## CHAPTER X.

### Unrecognised Institutions.

Under the name "Unrecognised institutions" are grouped different types of schools which do not belong to any recognised category; such institutions are as a rule similar only in that they do not follow the curricula prescribed by any constituted educational authority. Many of them are small, indigenous religious schools, tols or Quoran schools or Kyangs or Buddhist monastic schools; others are undeveloped secondary schools or primary schools with less than ten pupils or not teaching the full curriculum. Most of these schools are in the course of development, aiming at ultimate recognition either by the University or the department. A few aim and reach higher and, while preserving their independence as a matter of principle, provide wide and advance courses of instruction.

In the year under report the total number of unrecognised schools fell from 1,419 to 1,350 and their enrolment fell from 64,427 to 62,882. Of the total roll number 49,974 were boys and 12,908 were girls.

Usually the condition of the more elementary unrecognised schools is not satisfactory. The building, staff, equipment, accommodation, teaching and discipline are generally poor. There are, however, some notable exceptions.

The most conspicuous among these schools are the College of Engineering and Technology, Jadavpur, and the group of institutions founded by Dr. Rabindra Nath Tagore at Bolpur and Surul in the district of Birbhum, which have secured the co-operation of distinguished foreign scholars and where much prominence is given to the artistic side of education and to the best Indian traditions with the up-to-date system of Western education. The Kabiindra College, Goila, Bakarganj, is a centre of higher Sanskrit studies of Ayurved and Hindu Philosophy. The Mahakali Pathshala, Mymensingh, is a girls' school, in which there are arrangements for the teaching of religious subjects on orthodox lines besides imparting general instruction.

## CHAPTER XI.

**Residence of Students and their Physical and Moral Training.**

1. **Hostels.**—During the year 1935-36 the number of boarders residing in the hostels and boarding houses attached to educational institutions in the presidency rose from 30,675 to 31,546. Of the total number of boarders returned on 31st March 1936, 26,501 resided in hostels for Indian and 5,045 lived in boarding houses meant for Europeans and Anglo-Indians. Of the inmates of Indian hostels 23,141 were males and 3,360 were females. Of the European and Anglo-Indian boarders 2,971 were boys and 2,074 were girls.

The year 1935-36 saw the construction of a new hostel for Muhamadan students of the Krishnagar College. Two Brahma Samaj hostels for girls in Calcutta were amalgamated and the amalgamated institution under a new name—College Women Students' Hostel—was located in a very decent commodious building at 8, Bethune Row rented for the purpose. The management of this hostel was placed in the hands of a managing committee specially constituted at the instance of the department. This arrangement considerably improved the condition of residence of girl students in Calcutta.

2. **Messes.**—The majority of students prefer messes to hostels on account of their cheapness and absence of strict supervision. Messes (including non-collegiate hostels) administered by the Students' Residence Committee of Calcutta University numbered 35 during the year under report which accommodated 1,856 boarders. The number of messes managed by the Board of Intermediate and Secondary Education, Dacca, through the Assistant Inspector of Students' Residence was 25 and they provided accommodation for 634 students of different institutions in the town of Dacca. In both Calcutta and Dacca the major portion of the expenditure incurred for the maintenance of messes occupied by members of the backward classes is provided by Government.

3. **Physical education.**—The importance of physical exercises cannot be overestimated, as it is an admitted fact that a healthy constitution is necessary for success in life. The desirability of undergoing regular course of physical exercises by the pupils has been appreciated by all concerned. Organisation of Inter-School Association, introduction of House system, Scout and Bratachari movement and recent Rural Development Scheme of Government have given an additional impetus to physical education. The Government grant of Rs. 200 per month is given to the Y. W. C. A. in order to maintain a Physical Directress who has been helping the girls' school in organising games and sports. A sum of Rs. 300 was also sanctioned for the travelling allowance of the Physical Directress.

The temporary Physical Training Centre at Ballygunge completed the fourth session in March 1936. Twenty-one students were under training in the Physical Training Centre, of whom two withdrew during the year. The remaining 19 students appeared at the Final Examination, of whom 18 were awarded diplomas. During the period under review a sum of Rs. 16,056 was sanctioned by Government for the

following objects in connection with the improvement of Physical Education :—

Objects.	Allotment.	Number of teachers trained.	Number of schools aided.	Number of play centres and aided clubs.	Number of sports associations aided.
	Rs.				
(i) Training of teachers of middle English schools and junior madrasahs ..	1,000	64	..	..	..
(ii) Grants of girls' schools ..	1,500	..	26	..	..
(iii) Grants to play centres and clubs ..	7,000	..	..	65	..
(iv) Grants to school sports associations ..	2,250	..	..	..	25
(v) Refresher course for trained instructors ..	1,186	..	..	..	..
(vi) Grants to colleges for stipends and employment of trained physical instructors ..	3,120	..	..	..	..

As reported previously, Western games like football, tennis, badminton, etc., continued to be played in towns, while indigenous games, such as, kapati, hadodo were preferred in rural areas swimming and rowing were also encouraged where provision could be made for them. Want of suitable playgrounds, trained physical instructors and necessary apparatus and implements and difficulty in obtaining midday tiffin appear to be the main obstacles in the way of the progress of physical education. The innovations introduced by Mr. J. Buchanan, Director of Physical Education, Bengal, in drill, have been much appreciated by school authorities.

The Bratachari movement which was introduced by Mr. G. S. Dutt, I.C.S., is gaining ground. The folk dances and folk songs under this movement have infused a new life in the student community. During the year under review a sum of Rs. 6,000 was sanctioned by Government for the Bratachari movement. Besides, Rs. 20,000 was also sanctioned during the year for Boy Scouts, Girl Guides and Bratachari movement out of the grant of Rs. 2,00,000 which was made available from the Government of India in the shape of Rural Development Grant. The major portion of this grant was also distributed for the establishment of village and school playgrounds, village halls and libraries, etc. This has undoubtedly put a great incentive to the cause of physical and intellectual education in the countryside.

4. **Boy Scouts.**—During the scout year 1935 there were in the Presidency altogether 9,453 scouts, 4,175 cubs, 632 rovers, 220 pack officers, 445 troop officers and 140 local association officers. The annual Government grant of Rs. 6,000 was paid as before to the Boy Scout Association, Bengal, for the encouragement of this movement in the Presidency. A sum of Rs. 4,000 was also distributed to Government

and non-Government institutions for the development of scout movement in them. A special grant of Rs. 1,000 was also placed at the disposal of the District Magistrate of Noakhali in connection with the scout movement of the district. Government also sanctioned a non-recurring grant of Rs. 2,500 for the construction of a permanent camp site for the Boy Scout Association.

5. **Girl Guides.**—Girl Guide Companies are in existence in most of the important high and middle English schools in the Presidency.

6. **Medical supervision.**—No funds were available in the year under report for giving effect to the scheme of medical examination and supervision of pupils of Government high English schools and senior madrasahs outside Calcutta. With regard to the medical inspection of the pupils of Government and aided secondary schools for boys in Calcutta the work was carried on by 3 part-time medical officers. During the year 1935-36 the Medical Board attached to the Students' Welfare Committee of Calcutta University visited 5 colleges and 3 high schools in and around Calcutta and examined 1,933 students. Nearly 1,300 defect cards were issued from the office of the committee to students with a view to remedial action being taken. Two hundred and forty-one students were recalled for special examination of their health. The District Health Officers with their subordinates in some districts have been doing useful work for general improvement of the health of the pupils.

7. **Hygiene.**—The subject was taught in schools as a compulsory one, except in the two top classes of high schools. Lectures on hygiene and sanitation illustrated by lantern slides were delivered by the Health Department of some district boards. In some places officers of the Public Health Department also delivered valuable lectures on hygiene with the help of lantern slides and cinemas. Bratachari activities in some cases were helpful in giving the subject a practical shape, students being encouraged to clear jungles, tanks and help in drainage.

8. **Discipline.**—The state of discipline during the year was on the whole satisfactory. The block system for the supervision of pupils outside school hours which was introduced in some schools worked generally successfully. The pamphlets issued by the Publicity Department were discussed in the class rooms and seminars. Colleges and schools were encouraged to develop their corporate activities.

Scouting and Bratachari activities were, however, helpful to some extent in inculcating the right sort of discipline.

9. **Religious and moral instruction.**—Religious instruction continues to be given only in denominational schools like tols, madrasahs, makhtabs and mission schools. In other schools an attempt is made to give instruction through lessons contained in the text-books. Many schools had their opening prayer on hymns. In school the development of moral qualities of students comes largely through the personal influence of the teacher and the environment of the school in general.

10. **National schools.**—During the year there were in the Presidency 4 national schools in Bengal with 864 pupils, against 932 pupils in the previous year. The influence of these schools is steadily diminishing and they are now an almost negligible factor in education.

## CHAPTER XII.

### Conferences and Committees.

The most important educational meeting of the year was the Bengal Education Week and Exhibition which were held in Calcutta, under the patronage of His Excellency the Governor of Bengal, from 31st January to 8th February 1936. It was the first of its kind in Bengal. The object was to demonstrate to teachers throughout the province as to how they should tackle, in the fittest manner, the problem of education. The scheme among others included—

- (a) the invitation of prominent educationists and public men of the province and outside to deliver special lectures and addresses;
- (b) symposia and demonstration lessons on various subjects; and
- (c) the holding of sports physical displays, excursions, dramatics, etc.

This Exhibition, in the opinion of all qualified to speak, was an unqualified success and had a great educational value. As an immediate effect of this Week and Exhibition a keen desire is in evidence throughout the province to organise exhibitions on similar lines and the 1,800 delegates who attended the Week appear to have returned to their work inspired with the idea that something should be done to improve the quality of education in their own schools.

The Muslim Education Committee which was constituted in 1931 to advise Government with regard to the policy to be pursued for the advancement of Muslim education in the Presidency submitted its report during the previous year. The recommendations of the committee are now under the consideration of the department.

During the year under review a committee was constituted to investigate the quality of work at present done in the Presidency College and to suggest improvements. The committee held several meetings, but its labour was not concluded during the year under review.

A Conference of the Divisional Inspectors of Schools and a few selected Head Masters of Government High Schools was held on the 30th January 1936 at Writers' Buildings, Calcutta. The following subjects were discussed at the Conference:—

- (1) arrangements to be made for improvement of teaching of school subjects and provision of extra academic activities in Government High Schools, and
- (2) consideration of a proposal for payment of grants-in-aid into six monthly instalments instead of monthly instalments as at present and revision of the certificate now granted by the controlling officers.

A Conference of higher inspecting officers (viz., Divisional Officers and District Inspectors) was held at the headquarters of the Presidency and Burdwan Divisions, in which various topics on educational matters

were discussed. The District Inspecting Officers met at some centres and discussed questions of local interest. The Conference of Assistant Inspectresses of Schools was held at Calcutta, when questions like central scholarship examinations and modifications of grant-in-aid rules were discussed.

During the year under review the North Bengal Education League held its second session at Rangpur. Papers on the teaching of the school subjects were read and discussions were made as to how to improve the condition of non-Government secondary schools. In November 1935 head masters of high schools in the district of Pabna met at a Conference at Serajganj. Conferences of subordinate inspecting officers and primary school teachers were held at various centres to discuss among other things matters regarding survey of primary schools, establishment of upper primary schools, restoration of training allowance to trained teachers and other important educational topics.

The All-Bengal Teachers' Association held its fifteenth session at Comilla in April 1936. The resolutions passed at the meeting dealt *inter alia* with the following important subjects, *e.g.*, restoration of the emergency cuts in the grants-in-aid, introduction of compartmental system of examination, modification of certain rules for Government Provident Fund for teachers in non-pensionable service, and establishment of at least one compulsory free primary school in every union board.

The All-Bengal College and University Teachers' Association held its eleventh session in Calcutta in April 1936 under the presidency of Principal, R. N. Ghosh. The resolutions passed at the meeting dealt among other things with the following important subjects, *e.g.*, deprovincialization of Government institutions, improvement of secondary and primary education, representation on University bodies and opening of technical and industrial classes.

### CHAPTER XIII.

#### Text Book Committee.

Pending the sanction of new set of rules, the Provincial Text-Book Committee with the special permission of Government was reconstituted for one year only with effect from the 1st September 1935.

In accordance with the programme sanctioned by Government, text-books on all subjects for primary schools and maktabas, which had been called for in 1934, were taken up for consideration by the Text-Book Committee during the year under review. Two thousand and twenty-seven books on various subjects were received for consideration. Of these, 78 books on different subjects were rejected at the preliminary examination and the rest were circulated to the members and co-opted members for scrutiny. One thousand and eighty-four books were recommended by the sub-committees for approval by the Director of Public Instruction, Bengal, for use in primary schools and maktabas in this presidency. A sum of Rs. 16,216 was realised as fees from the authors and publishers. The remuneration paid to the reviewers of books amounted to Rs. 10,306.

In view of the large number of books received for consideration, the services of 32 co-opted members were utilised to complete the work of examination within the prescribed time.

During the year, only one essay was received for Babu Braja Mohan Dutta Prize for Indian Ladies of the value of Rs. 45, and it was examined by a small group of three members of the Provincial Text-Book Committee. They were of opinion that the essay was not up to the mark and deserved no consideration. The General Committee of the Provincial Text-Book Committee at its meeting held on 25th April 1936 accepted their views and no award was made for the essay for the year 1934-35.

#### CHAPTER XIV.

##### Education in the Legislative Council.

At the meeting of the Bengal Legislative Council held on 13th February 1936 a resolution was moved by Mr. S. M. Bose that the grant for primary and secondary education for women be raised immediately by twenty thousand rupees. The object of this resolution was to focus the attention of the public as well as that of the Government on the vital question of women's education. On an assurance being given by the Hon'ble Minister in charge of Education that some additional money would be provided in the next budget for women's education, the resolution was withdrawn by the mover. Another resolution was moved by Maulvi Abul Kasem that the post of the Assistant Director of Public Instruction for Muhammadan Education and of the posts of the Assistant Inspectors of Schools for Muhammadan Education be forthwith abolished. The resolution was also by leave of the Council withdrawn. The demands for educational grants in March 1936 provided, as usual, opportunities to members to discuss among other things questions about the grant for European Schools in relation to the 10 per cent. cut, the inadequacy of the existing grant to Calcutta University and the conditions attached to it, indifference to vocational education and the needs of primary education. In addition questions were asked with a view to elicit information about more detailed matters and their variety showed that the members of the Legislative Council continued to take a keen interest in the Educational problem of the province.

**Resolution reviewing the Reports on the working of Municipalities in Bengal during 1935-36.**

**GOVERNMENT OF BENGAL.**

**Department of Public Health and Local Self-Government.**

**Municipal.**

CALCUTTA, THE 6TH OCTOBER 1937.

**RESOLUTION No. 5664M.**

AD—

Reports of the Commissioners of Divisions on the working of municipalities in the Bengal Presidency (except Calcutta) during the year 1935-36.

**The number of municipalities and revision of boundaries.**—The total number of municipalities in the Presidency (including the Calcutta Corporation) rose from 117 to 118 owing to the establishment of a new municipality at Garden Reach in the district of the 24 Parganas, after its separation from the Corporation of Calcutta, on the 1st April 1935. The adjustment of the common boundary between the Champdani and Bhadreswar municipalities, was finally notified during the year under report while preliminary notifications were issued regarding the revision of the boundaries of the Bansberia and Burdwan municipalities. The revision of boundaries of the municipalities in the district of the 24 Parganas effected by the survey and settlement operations was almost completed.

There was no important variation in the actual limits of any other municipality during the year but proposals for revision of the boundaries of a few municipalities were still under the consideration of Government when the year closed.

The Bengal Municipal Act of 1884 remained in force in the two hill municipalities of Darjeeling and Kurseong throughout the year but the new Act of 1932 was brought into force at these places with effect from the 1st April 1936.

**2. Elections.**—The municipalities of Pirojpur and Chittagong, which had still to fall into line with the other municipalities of the province by reconstituting themselves under the new Municipal Act, held their first general elections in accordance with the provisions of the new Act. At Pirojpur, the rate-payers showed a keen desire to exercise their franchise and a large proportion of the voters attended the polls. In Chittagong the election was contested in all the wards. The election in a particular ward of the municipality having been set aside by the civil court, a fresh election was held. A general election was held in the Debhatta municipality and partial elections to complete the general election held in 1933-34 took place in Budge Budge. By-elections were also held in a number of municipalities.

**3. Municipal meetings.**—The total number of meetings held rose from 2,994 to 3,124. The Hooghly-Chinsura municipality held the largest number of meetings, viz., 73, although no fewer than 32 of these had to be adjourned. It was closely followed by Bhola with 72 meetings. Among other municipalities which held a large number of meetings were Rajshahi (58), the new municipality of Garden Reach (53), Nabadwip (50), Budge-Budge (47), Howrah (42) and Burdwan (38). Three municipalities, viz., Kanchrapara, Netrokona and Kurseong on the other hand, failed to attain even the statutory minimum of at least one meeting per month, the smallest number of meetings, viz., 10, being held by the last named municipality.

The attendance of commissioners at meetings was on the whole satisfactory.

In 3 municipalities, viz., Kamarhati, Champdany and Baduria, the average attendance was 80 per cent. or over. The percentage fell below 50 per cent. in 11 municipalities as compared with 13 in the preceding year. The percentage of average attendance was highest (85·08) in Baduria and lowest (33) in Bogra.

The number of adjourned meetings decreased from 288 to 274 and the number of meetings which failed to transact business for want of a quorum also fell from 102 to 76.

4. **Ratepayers.**—The total number of ratepayers increased from 343,603 to 360,377 and the ratio of ratepayers to the total urban population was 15·32 per cent. as against 15·28 per cent. in the preceding year. The percentage varied from 49·98 in Baraset (24-Parganas) to 3·3 in Bhatpara, a factory town with a large labour population, the bulk of which does not contribute anything to the rates.

In the municipalities of Darjeeling and Kurseong the percentages were 7·54 and 6·4, respectively. Other municipalities in which rates were paid by less than one-tenth of the population were Mymensingh (7·7), Barisal (9·8), Jalpaiguri (9·2) and 10 mill municipalities, of the Presidency and Burdwan Divisions.

In Shérpur (Bogra) and Darjeeling, the percentage fell from 20 to 15·5 and from 9·58 to 7·54, respectively, owing to a marked falling off in the number of ratepayers.

5. **Rates and taxes.**—The total receipts from municipal rates and taxes rose from Rs. 74·29 lakhs to Rs. 76·60 lakhs and the average incidence of taxation per head of population also rose from Rs. 3·3·9 to Rs. 3·4·6. As in the previous year the incidence of taxation was highest in the hill municipalities of Darjeeling (Rs. 11·7·6) and Kurseong (Rs. 8·12·7). Of the municipalities in the plains, Howrah, as usual, headed the list with an average incidence of Rs. 7·2·1 and was followed by Dum Dum (Rs. 6·14·11), Tollygunj (Rs. 5·8·4) and Uttarpara (Rs. 5·1·5). In twelve other municipalities, viz., Burdwan, Hooghly-Chinsura, Bally, Baranagar, South Dum Dum, Krishnagar, Berhampore, Jessore, Dacca, Narayanganj, Mymensingh and Jalpaiguri, the ratio was

above Rs. 4 per head. In 15 municipalities, on the other hand, the incidence was between one rupee and 8 annas; while it was below 8 annas in five municipalities, viz., Ramjibanpur (Rs. 0·7·9), Sonamuki (Rs. 0·7·1), Dhulian (Rs. 0·7·0), Baduria (Rs. 0·6·1) and Debhatta (Rs. 0·5·9).

General or partial revision of assessment took place in a large number of municipalities. The general revision produced marked increase in the demand at Bhatpara (Rs. 43,403), Naihati (Rs. 24,672), Kamarhati (Rs. 10,698), North Barrackpore (Rs. 10,495), Berhampore (Rs. 9,105), Khulna (Rs. 8,886), Rajpur (Rs. 7,344), Dinajpur (Rs. 6,092), Jiaganj-Azinganj (Rs. 6,108) and Burdwan (Rs. 5,992).

The tax on persons was replaced by a rate on holdings in accordance with the provisions of the new Municipal Act at Sonamukhi (Bankura) and produced an actual net increase of Rs. 794 only while Rishra-Konnagore sustained a loss of Rs. 622 as a result of the introduction of a general conservancy rate in place of the sliding scale of latrine fees. Partial revision of assessment and imposition of conservancy rate accounted for an increase of Rs. 8,118 at Baranagar. Uttarpara added Rs. 7,344 to its income under the head "Conservancy rate" but there was a loss of income amounting to Rs. 7,137 under the holding rate in that municipality.

The results of the general revision at Pabna and Serajganj are reported to have been extremely unsatisfactory in view of the large number of objections against the new assessment. At Pabna, there were numerous complaints against the work of the assessor who made a 50 per cent. enhancement in the assessment. The municipal commissioners appointed a Revision Committee which reduced it to about 25 per cent. but the Appeal Committee practically restored the previous assessment in almost all cases without making detailed enquiries, with the result that the actual increase in income accruing from the revision was very small. At Serajganj, there was a general feeling of discontent against the assessment. Numerous petitions were filed for its review and were mostly acceded to. The Darjeeling municipality reduced its holding rate in order to give relief to the poorer ratepayers, while the water and lighting rates were also reduced on account of heavy credit balance in these subsidiary funds.

**6. Collection.**—The total collection of municipal rates in the Presidency rose from Rs. 70.79 lakhs to Rs. 73.38 lakhs; the percentage of collections on the current demand, however, fell from 93.5 to 91.3. Thus collections did not keep pace with the growth in the current demand with the result that the arrears outstanding at the close of the year accumulated to Rs. 30.2 lakhs as against Rs. 28.81 lakhs in the preceding year.

The total collections in the Burdwan Division fell from Rs. 29.29 lakhs to Rs. 28.14 lakhs and the percentage of total collection on current demand also fell from 90.9 to 86.4, the lowest ratio being returned by Vishnupur (10.4). This general decrease is attributed partly to economic depression but mainly to laxity in supervision over the work of the collecting staff. The total collections exceeded the current demand at Khirpai (111.7 per cent.) and Rishra-Konnagar (101.04 per cent.). As in the preceding year, Bhadreswar and Champdany collected practically the whole of their demand after granting small remissions.

In the Presidency Division, collections showed an increase of Rs. 3,46,411. More than half of this increase, however, represented collections made by the new municipality of Garden Reach and the balance was mainly shared by Bhatpara, South Suburban and Tollyganj. Garulia, which had no outstanding balance in the preceding year, again collected the whole of the current demand without granting any remission. Kanchrapara came next with a collection of 98.2 per cent. of the total demand. No other municipality in the division was able to collect 95 per cent. of the total demand and only three other municipalities, viz., Titagarh, Berhampore and Chakdah collected more than 90 per cent., the lowest ratio, viz., 25.5 per cent. being returned by Rajpur, where good collections were impossible owing to party-faction which brought the administration of the municipality to a stand-still. The Collection Department of the South Suburban municipality remained in charge of the Sadar Subdivisional Officer, 24 Parganas, for nearly the whole of the year under review and the outstanding balances were reduced by about Rs. 24,000.

In the Dacca Division, collections increased by about Rs. 42,000 and in 9 municipalities the collections exceeded the amounts of their current demands.

In the Chittagong Division, there was an increase of about Rs. 1,000 only while in the Rajshahi Division, collections actually fell by about Rs. 15,000. The percentage of collection improved considerably in Comilla (108.1), Brahmanbaria (108.6) and Old Malda (106.2).

The amount of total remissions increased from about Rs. 6 lakhs to Rs. 6.17 lakhs and represented 7.7 per cent. of the current demand as compared with 7.9 per cent. in the preceding year. Among the municipalities which granted considerable remissions were Howrah (Rs. 1,58,061), Dacca (Rs. 45,556), Asansol (Rs. 26,701), Bankura (Rs. 24,895), South Suburban (Rs. 22,559), Scrampore (Rs. 21,383), Darjeeling (Rs. 18,763) and Chittagong (Rs. 17,991). Bankura remitted as much as 34.4 per cent. of its current demand while Tangail and Rajbari remitted 32.1 per cent. and 25.8 per cent., respectively.

Out of the total balance of Rs. 30.2 lakhs outstanding at the close of the year Howrah alone was responsible for Rs. 12.22 lakhs. Other municipalities with large outstanding balances were Mymensingh (Rs. 1,11,573), Hooghly-Chinsura (Rs. 99,682), Dacca (Rs. 85,738), Tollyganj (Rs. 82,667), Bankura (Rs. 60,800), Barisal (Rs. 60,603), Burdwan (Rs. 58,296), Asansol (Rs. 54,786), Comilla (Rs. 52,063) and Darjeeling (Rs. 51,983). The exceptionally heavy outstandings at Howrah call for special notice and demand earnest and vigorous action on the part of the municipal executive for the speedy collection of the arrear dues.

**7. Income and expenditure.**—The total receipts with opening balances amounted to Rs. 127.5 lakhs against Rs. 113.9 lakhs in the preceding year, the increase occurring chiefly under the head "Realisations under Special Acts."

The total municipal expenditure also rose from Rs. 99.6 lakhs to Rs. 108.1 lakhs, the increase being mainly distributed over the heads "Public Instruction" and "Extraordinary and debt". The total balance at the close of the year amounted to Rs. 19.47 lakhs against Rs. 14.39 lakhs in the preceding year. The new municipality of Garden Reach had the largest closing balance, viz., Rs. 2,52,000, and was closely followed by Darjeeling with a balance of Rs. 2,47,172. Other municipalities with large closing balances were Dacca

(Rs. 2,07,265), Howrah (Rs. 1,98,147), Baranagar (Rs. 66,167), Bhatpara (Rs. 53,042) and Budge Budge (Rs. 48,397). Several municipalities, on the other hand, failed to keep a minimum working balance sufficient to cover two months' expenses as required under the rules and in many cases the balances left were quite insufficient to meet the outstanding liabilities. The worst case in this respect was that of Midnapore with a closing balance of Rs. 5,071 against outstanding liabilities amounting to Rs. 59,674, while Raniganj closed the year with a balance of Rs. 8,946 only to cover liabilities amounting to Rs. 30,640.

Outstanding liabilities increased in the municipalities of Rajshahi, Rangpur, Bogra and Pabna. Liabilities of the Rangpur and Bogra municipalities were 33·3 per cent. and 26·2 per cent., respectively, of their current demands as against 18·5 per cent. and 9·8 per cent. in the preceding year. Liabilities exceeded the actual closing balances in the municipalities of Bogra, Pabna, Serajganj and Dinajpur.

The Commissioner of the Rajshahi Division remarks—

“Heavy outstanding liabilities leading to financial difficulties of the municipalities could be attributed chiefly to inefficiency in collections and to the reluctance of the municipal executives to have recourse to coercive measures. Failure to make systematic provision in the budget for at least part payment of the outstanding debts led to heavy accumulation of liabilities.”

It is regrettable to note that the financial condition of the Pabna municipality, whose budget is controlled by the Commissioner, deteriorated partly owing to the new assessment and partly due to lack of supervision over the collecting staff and that the warning given by Government to the Serajganj municipality for improving its financial position had no appreciable effect owing to the presence of party faction among the municipal commissioners.

8. **Education.**—The total educational expenditure, rose from 5·78 lakhs to Rs. 6·57 lakhs including the Government contribution of Rs. 1·43 lakhs. This general increase was shared more

or less by all the divisions except Burdwan. The expenditure on primary education amounted to Rs. 4,56,889, representing an increase of Rs. 69,206 over that of the preceding year.

The total expenditure of all municipalities on education represented 4·5 annas per head of population and that on primary education 3·1 annas as compared with 4·02 annas and 2·07 annas, respectively, in the preceding year. The *per capita* expenditure on primary education from municipal funds alone averaged 2·1 annas against 1·7 annas in 1934-35.

As in previous years, Howrah spent the largest amount, viz., Rs. 65,907, on primary education. Chittagong came next with an expenditure of Rs. 59,032 which represented 41·8 per cent. of its total ordinary income. The Dacca municipality spent Rs. 28,597 for primary education, including a Government contribution of Rs. 13,950. It maintained 7 boys' free primary schools and 11 girls' schools and granted stipends to a large number of other primary schools under private management both for boys and girls. The Narayanganj municipality spent Rs. 22,790 for education and maintained 7 free primary schools, including 1 for girls, and made grants-in-aid to other primary and secondary schools, *tols* and *maktabs*. The Madaripur municipality devoted 25·6 per cent. of its ordinary income to primary education, while Faridpur and Budge-Budge spent 21·6 per cent. and 20·3 per cent., respectively, for this purpose. Thirteen municipalities, on the other hand, failed to spend on primary education even 3·2 per cent. of their ordinary income which represents the minimum amount that a municipality is ordinarily expected to devote to this purpose. Dum Dum again spent only 1·7 per cent. of its income on primary education while Netrokona spent nothing. The ratio was, however, over 5 per cent. in 60 municipalities and over 10 per cent. in 27.

In the Presidency Division the expenditure on education increased by about Rs. 42,000 of which Rs. 22,640 represented the amount spent by the new municipality of Garden Reach.

Other towns having a large share in the increase were Budge Budge, South Suburban, Bhatpara, Garulia, Dum Dum and Kanchrapara.

The Chittagong municipality spent Rs. 85,797 on education of which Rs. 21,306 was received from Government; Rs. 21,134 from school fees and Rs. 1,200 from private contributions. This municipality was the first in the province to introduce free and compulsory primary education for boys within its area and the standard of education imparted has considerably improved and the number of boys in the higher classes has also substantially increased during the year under report. There was a marked increase in expenditure in Darjeeling (Rs. 10,074) mainly due to the construction of the municipal primary school for girls which accounted for an increase of Rs. 8,135. There was also a slight increase in Rajshahi owing to the establishment of another free primary school during the year.

**9. Water-supply.**—The total expenditure on water-supply was Rs. 9.82 lakhs against Rs. 10.1 lakhs in 1934-35. There was a decrease in expenditure in the Burdwan Division amounting to Rs. 88,854 which was shared by the municipalities in the districts of Midnapore, Hooghly and Howrah. The decrease in the first-named district was chiefly due to the payment of arrear contribution by the Midnapore municipality to the waterworks depreciation fund in the preceding year, and in the Hooghly district to the fact that the Hooghly-Chinsura municipality had paid off the major portion of the liability in 1934-35. No explanation has been furnished for the reduction of expenditure in the Howrah district. On the other hand, there was an increase of Rs. 3,099 in the Burdwan district owing to the fact that the waterworks machinery, etc., of the Burdwan municipality had to be thoroughly overhauled as a result of the damage caused by the Damodar flood in September 1935. The increased electric charges which had to be paid by the Asansol municipality for extra hours of pumping on account of fall of the water-level in the suction well also contributed to the increase in the district expenditure. Several other municipalities in the division, viz., Kalna, Katwa, Raniganj, Suri, Bankura, Champdany, Rishra-Konnagore and Bansberia, increased their expenditure on water-supply by extending their pipe line or sinking more tube-wells. The Bally municipality supplied drinking water by means of a large number of tube-wells without

charging any water-rate from the rate-payers.

The independent water-supply scheme of Serampore was almost completed and the municipality applied for another loan from Government for further extension of its water-supply.

In the Presidency Division there was an increase in expenditure of about Rs. 74,000 of which the new municipality of Garden Reach alone was responsible for Rs. 40,848. Notable increases are also reported from Tollygunge (Rs. 17,394) owing to increase of capital outlay for a supplementary supply of drinking water from deep tube-wells; from Dum Dum (Rs. 13,092) owing to the payment of current and arrear dues on account of supply of filtered water by the Calcutta Corporation; from Nabadwip (Rs. 2,425) and South Suburban (Rs. 1,097) on account of payment of arrear bills; and from Garulia (Rs. 2,680) owing to the sinking of a number of tube-wells. No explanation has been furnished for the increases of Rs. 2,527 and Rs. 1,667 which occurred at Kanchrapara and Jessore, respectively. During the year under report, the joint water-supply scheme of the Baranagore and Kamarhati municipalities and the independent scheme of Halisahar were administratively approved by Government. At Bhatpara the decentralised storage system of water-supply which forms part of the town improvement scheme was still under consideration and at Kanchrapara a scheme for supply of drinking water in the non-railway area received the attention of the municipal commissioners. The water-supply extension scheme of the Khulna municipality received the approval of Government during the year under report.

In the Dacca Division, the Mymensingh municipality alone was responsible for an increase of Rs. 57,105 of which Rs. 50,000 represented capital expenditure for improvement of water-supply. The municipality deserves credit for having devoted to this purpose no less than 53.7 per cent. of its total ordinary expenditure. On the other hand, large decreases occurred in Dacca (Rs. 17,043) and Narayanganj (Rs. 3,301). No explanation has been furnished for the decrease in the latter place but the smaller expenditure at Dacca was due to some bills for the supply of coal and alum remaining unpaid at the close of the year.

The expenditure in the Rajshahi Division showed a net decrease of Rs. 50,207 due to the fact that several municipalities had incurred unusually heavy capital expenditure during the preceding year.

The execution of the Rajshahi waterworks scheme drawn up by the Chief Engineer, Public Health Department, at a total estimated cost of Rs. 2,33,000 was in progress. It was proposed to execute the scheme in three sections and Government accorded sanction to the detailed scheme in respect of the first and second sections at an estimated cost of Rs. 1,12,000 to be financed by private donations (Rs. 70,000), district board contribution (Rs. 7,000) and a loan from Government (Rs. 35,000). A sum of Rs. 70,286 was collected as private donations and the district board made a provision in its budget for its own contribution to the scheme. The waterworks at Jalpaiguri made no satisfactory progress in regard to house connections as the water was found on chemical analysis to be unsuitable for drinking purposes owing to the high percentage of iron contained in it. An iron elimination and chlorinating plant was installed towards the close of the year and the quality of water is reported to have distinctly improved as a result. The supply of water from tube-wells at Bogra continued to be unsatisfactory. Bacteriological examination has shown that most of the tube-wells are contaminated and that the water is unfit for human consumption. The municipality was asked to take up a comprehensive water-supply scheme by other means but no action appears to have been taken by the commissioners in the matter. The waterworks schemes at Pabna and Rangpur showed no signs of any progress. The establishment of an electric power house at Pabna led to the reopening of the question of water-supply from tube-wells and the municipality was asked to have the water in the tube-wells tested and a scheme prepared by the Public Health Department in two parts if it could not finance a complete scheme at once. The water of the tube-well which formed the source of supply in the English Bazar municipality turned out to be hard and this led many people to take their supply of drinking water from the river or even from dirty ponds. The Public Health Department recommended the installation of a softening plant at an estimated cost of

Rs. 22,000 but nothing was done in this direction during the year under review. The execution of the scheme for supply of filtered water to the Dow Hill area in the Kurseong municipality at a cost of Rs. 12,000 was nearing completion. The municipality also effected some economy in filtered water-supply in the Kurseong town by providing an unfiltered supply to garages in the Burdwan Road area at a cost of Rs. 600.

**10. Conservancy.**—There was a further decrease in the expenditure on conservancy which fell from Rs. 26.09 lakhs in 1934-35 to Rs. 24.23 lakhs during the year under report; but this was still in excess of the receipts from the conservancy rate which amounted to Rs. 16.49 lakhs and the deficit was, as usual, met from the general fund.

In the Purdwan Division there was a net decrease of Rs. 55,827 in the expenditure out of which Howrah alone was responsible for Rs. 52,888. Certain municipalities in the division, e.g., Burdwan, however, increased their expenditure under this head owing to the introduction of various improvements in the conservancy system.

In the Presidency Division, Bhatpara which spent Rs. 1,19,108 only, against Rs. 3,12,891 in the preceding year was mainly responsible for the decrease in the expenditure. The decrease of Rs. 5,003 in the expenditure on conservancy at Berhampore was due to the transfer of certain heads to "Drainage" while reduced expenditure on the sewerage scheme was responsible for a decrease of Rs. 1,511 at Titagarh.

The Dacca municipality spent Rs. 15,993 more on conservancy by constructing sweepers' quarters. The payment of arrear bills for fodder and purchase of a new motor-lorry for removal of night soil accounted for an increase of Rs. 6,423 in Mymensingh while the decrease of Rs. 10,323 in the expenditure at Narayanganj is explained by abnormally large payments in the previous year on account of cost of land for new sweeper lines.

The Chittagong municipality spent Rs. 73,891 on conservancy as against Rs. 70,727 in the preceding year. There was a net decrease of Rs. 8,902 in the total expenditure under this head in the Rajshahi Division, which was mainly shared by Jalpaiguri (Rs. 4,885) and

**Bogra (Rs. 2,568).** The commissioners of the Dinajpur municipality were advised by the Director of Public Health to shift the present trenching ground which is too close to the inhabited portion of the town but nothing was done in this direction during the year under review. The small municipality of Old Malda still continued to be without a latrine system owing to paucity of funds and also failed to appoint a Sanitary Inspector. The commissioners of the Kurseong municipality constructed an incinerator for the disposal of town refuse.

**11. Drainage.**—The total outlay on drainage amounted to Rs. 3.89 lakhs against Rs. 3.35 lakhs in the preceding year. The expenditure in the Burdwan Division remained practically stationary. There was an increase in expenditure of about Rs. 20,000 in the Presidency Division for which the municipalities of Garden Reach, Naihati, and Garulia were chiefly responsible. The drainage of a number of municipalities in the neighbourhood of Calcutta was extremely defective and schemes for remedying some of the defects were drawn up. The expenditure in the Dacca Division, rose from Rs. 46,044 to Rs. 68,044. The highest increase of Rs. 23,302 occurred at Dacca, owing to the purchase of a drain-flushing lorry and payments for land acquisition and construction of new drains. The Chittagong municipality spent Rs. 4,942 for the improvement of drains against Rs. 5,385 in the previous year. The drainage system in some parts of the municipality still continued to be unsatisfactory. The existing method of drainage in the Rajshahi town is reported to be far from satisfactory. It is essential that the outfall should be placed beyond the railway lines to the north. A scheme for the improvement of the town drainage at an estimated cost of Rs. 63,000 was prepared by the Chief Engineer, Public Health Department, and it is hoped that the amenities of the town will improve with the introduction of the waterworks scheme. The drainage scheme of Dinajpur did not make any appreciable progress. Although several schemes were prepared for the improvement of the Kachai and Ghagra canals, no action was taken by the municipal commissioners in the matter on account of the heavy cost as also on account of doubt as to their ultimate success. No further progress was made at Jalpaiguri in regard to the

drainage and sewerage scheme of the town. The sanitary condition of the Bogra town was extremely unsatisfactory and very little attempt was made to keep the drains clean.

**12. Lighting.**—The total amount spent on lighting was Rs. 8.08 lakhs against Rs. 7.15 lakhs in the preceding year. The Asansol municipality increased the number of electric lights in the town at a cost of Rs. 3,316. The increased expenditure of Rs. 5,100 at Hooghly-Chinsura was due to the payment of old liabilities. The electric lighting scheme of the Rishra-Konagore municipality was sanctioned by Government and necessary arrangements were in progress for the introduction of electric lighting in the main streets. Baidyabati decided to introduce electric lights in one ward and the question of introduction of street lighting by electricity was under the consideration of the Bansberia municipality.

The new municipality of Garden Reach spent Rs. 25,296 on lighting and was mainly responsible for the increase of Rs. 38,761 in the expenditure under this head in the Presidency Division. Other municipalities which showed noticeable increase in expenditure on lighting were Naihati (Rs. 4,864), Khulna (Rs. 4,134), South Dum Dum (Rs. 2,865), Kamarhati (Rs. 2,026), and South Suburban (Rs. 1,888). On the other hand, Baranagore reduced its expenditure by Rs. 1,665 while Bhatpara also spent Rs. 1,274 less than in the preceding year.

In the Dacca Division, there was an increase of about Rs. 14,000 in the expenditure on lighting which was shared by fifteen municipalities. The increase was marked at Faridpur (Rs. 3,329), Barisal (Rs. 2,763) and Narayanganj (Rs. 2,126). The increase at Faridpur was due to payment of arrear bills while at Barisal it was due to the increase in the number of electric lights. The Dacca municipality increased its number of electric lights from 915 to 1,066 and the number of kerosene lights from 849 to 869. The Narayanganj municipality also added to the number of its lights while Barisal installed 24 more electric street-lights.

The Chittagong municipality increased its expenditure on lighting by Rs. 4,660 and added 12 more electric street-lights, bringing the total number of electric lights in the town to 528.

The expenditure on lighting in the Rajshahi Division increased from Rs. 1·93 lakhs to Rs. 2·36 lakhs. The increase was mainly due to larger expenditure by the Darjeeling municipality. Most of the important roads in the Rajshahi town were lighted with electric lights which are gradually replacing the kerosene lights. The scheme for the electrification of the town of Dinajpur made no headway owing to the bad financial position of the municipality. The municipality of Jalpaiguri made some progress towards electrification of the town by increasing the number of electric lights from 116 to 154. The main streets of the Rangpur municipality continued to be lighted with electricity, while the lanes and bye-lanes were lit with kerosene oil lamps. The installation of electric lights at Kurseong greatly increased the amenities of the town.

**13. Public health.**—The total expenditure on hospitals and dispensaries rose from Rs. 3·90 lakhs to Rs. 4·29 lakhs, showing an increase of Rs. 39,000.

Generally speaking, the municipal authorities showed zeal in taking measures for the prevention and control of epidemic diseases. Small-pox broke out in an epidemic form in a number of towns in the Presidency Division of which Bhatpara, Krishnagar, Ranaghat and Berhampore were the worst sufferers. Adequate measures are reported to have been taken by all the municipalities concerned to check the spread of the disease. The situation at Bhatpara became so serious that the municipal commissioners were forced to move Government for extending the emergent regulations under the Epidemic Diseases Act to the municipality.

At Midnapore, there was a serious outbreak of small-pox which lasted for six months and which spread to Ghatal. The spread of the disease is reported to have been due to the failure of the municipal health staff to take adequate precaution at the beginning. The situation became so grave that the Public Health Department had to give special assistance.

A serious epidemic of small-pox raged in the city of Dacca practically throughout the year under review and resulted in 546 deaths. Additional vaccinators were engaged by the municipality to

attend to vaccination work and temporary inspectors were also employed for inspection of markets, offices and railway stations for intercepting infectious cases. Effective steps were taken for the segregation of small-pox cases and a temporary municipal hospital was opened which accommodated 156 patients. A similar outbreak also occurred at Narayanganj during the latter part of the year under report and resulted in about 47 deaths.

Cholera broke out in an epidemic form at Berhampore and some municipalities in the district of the 24-Parganas and sporadic cases occurred in a number of municipalities. At Berhampore, notification, segregation of indigent patients in the cholera ward of the Sadar hospital, disinfection of infected houses and materials and inspection of food-stuffs, markets, etc., were undertaken and inoculation was also resorted to. In the other municipalities prompt precautionary measures were taken to check the spread of the disease.

As in previous years, most of the municipalities took steps to improve sanitation by filling up, clearing or kerosinising tanks and khals and cutting down jungles and undergrowth on road side lands and drains. In several municipalities, notices were served on private persons for clearing their lands of weeds and jungle and for filling up insanitary ditches and most of these notices are said to have been complied with. The Asansol municipality acquired an insanitary tank, filled it up and converted it into a public park, while at Natore bamboo clumps were removed from one-third of the municipal area.

Anti-malarial measures on scientific lines were adopted by several municipalities in co-operation with the local anti-malarial societies. At Baruipore (24-Parganas) a scheme on scientific lines for anti-larval measures was drawn up and executed under the direct supervision of the Public Health Department. Anti-malarial operations were also conducted by the Raniganj, Arambagh, Krishnagar, Santipur and Kushtia municipalities with financial help from Government, while the Palli Mandali of Birnagar continued to do excellent work with the co-operation of the local municipality and with financial assistance from Government. As a result of the reclamation of the Skrine canal near Rangpur, undertaken in the preceding

year, the incidence of malaria in the town was reduced to 9 per cent. as compared with 22.2 per cent. recorded during the malaria survey in the year 1933.

Steps were also taken by several municipalities to eradicate water-hyacinth, the activities of Kushtia, Jessore, Kotechandpur, Kanchrapara, Narayanganj, Natore and Jalpaiguri municipalities being noteworthy in this direction.

Special arrangements for the treatment of kala-azar, leprosy and anti-rabic cases were made by a large number of municipalities. The kala-azar centre opened at South Dum Dum in the preceding year was maintained and patients were treated free of charge; a large number of kala-azar patients were also treated at the municipal kala-azar centre as well as at the municipal charitable dispensary at Dacca. Arrangements for the treatment of patients suffering from leprosy were made by the Sonamukhi, Krishnagar, Nabadwip, Berhampore and Dacca municipalities. Cases of rabies were treated, as in the preceding year, at the anti-rabic treatment centre at Dum-Dum under a mutual arrangement between the Dum-Dum and South Dum-Dum municipalities, while all the municipalities in the Nadia district are reported to have undertaken the treatment of such patients with satisfactory results.

Krishnagar conducted a centre for the treatment of tuberculosis, while Nabadwip maintained a maternity home and orphanage in co-operation with the local Lodging House Committee.

Maternity welfare work in the mufassal towns was still in an elementary stage but arrangements were made by some municipalities, notably Suri, Krishnagar, Nabadwip, Dacca, English Bazar and Chittagong, for the training of indigenous *dais* and much valuable work was done. The Chittagong municipality also maintained a trained midwife who attended delivery cases and gave free professional aid to the poorer people.

The administration of the Food Adulteration Act engaged the attention

of most of the municipalities throughout the province, and the Dacca, Faridpur, Barisal, Chittagong, Nabadwip, Krishnagar, Bogra and Rajshahi municipalities are reported to have been particularly active in this respect. No action was, however, taken by the municipalities in the district of Pabna or by the old Malda and Nawabganj municipalities in the district of Malda in this direction.

The Krishnagar municipality instituted a Health Week in March 1936 with good results, while Baranagar and Budge-Budge undertook considerable health propaganda. The English Bazar municipality organised a health exhibition during the Silver Jubilee celebration in May 1935, at which demonstrations on maternity, child welfare, school hygiene, cholera, small-pox and other preventable diseases were given. The Kurseong municipality also arranged to give instruction to the public on questions of general sanitation and infectious diseases with the help of honorary organisers working under the supervision of the municipal Sanitary Inspector.

**14. Public works.**—The expenditure on public works rose from Rs. 12.36 lakhs to Rs. 13.77 lakhs, the increase being mainly distributed over the heads "Roads" and "Buildings." There was a comparatively large expenditure under this head by the municipalities in the Presidency, Dacca and Rajshahi Divisions. In the Burdwan Division, there was a net increase of Rs. 15,780 on account of increased outlay on "Buildings" (Rs. 4,797), "Roads" (Rs. 16,694), and "Stores" (Rs. 3,631) and a decrease of Rs. 9,342 in the expenditure on "Establishment." As already mentioned, the Asansol municipality opened a new public park, while two such parks were opened at Burdwan. At Raniganj about 800 feet of road were painted with "Spremax."

Out of the total increase of Rs. 47,222 in the Presidency Division, the new municipality of Garden Reach was responsible for Rs. 16,343 and the balance was shared by the municipalities of Titagarh, Panihati, Berhampore, Murshidabad, South Dum-Dum, Khulna and Tollyganj.

There was a net increase of Rs. 33,966 in the Dacca Division, of which the Dacca municipality alone was responsible for Rs. 25,735 owing to larger outlay on the improvement of the Dacca-Narayanganj Road and the reconstruction of the iron suspension bridge.

The Chittagong municipality spent Rs. 61,953 on roads as against Rs. 48,279 in the preceding year, but the condition of the roads was reported to have still left considerable room for improvement. A decrease of Rs. 3,431 in the expenditure on roads in the Comilla municipality is explained by the fact that there was heavy expenditure in the preceding year on the improvement of certain roads made over to the municipality by the district board.

There was an increase of Rs. 39,946 in the expenditure on public works in the Rajshahi Division chiefly on account of an additional expenditure of Rs. 31,051 incurred by the Darjeeling municipality on roads and buildings. The municipality of Jalpaiguri spent Rs. 2,428 more than in the preceding year as road improvement.

**15. Audit of accounts.**—The accounts of all the municipalities except Asansol, Raniganj, Jaynagar, Garden Reach and Patuakhali were audited by the Examiner of Local Accounts and his staff. No cases of embezzlement or misappropriation were brought to light in any of the municipalities except at Serajganj where a temporary baliff appointed on the commission system misappropriated Rs. 176-11 out of the sums realised by execution of distress warrants. The defalcation was detected in January 1936 and the offender was convicted on prosecution. Thirty cart registration tickets were found missing from the custody of the tax daroga of the Dinajpur municipality. There was an enquiry by a committee of the commissioners on whose recommendation the officer was degraded to the post of assistant tax daroga on the ground of gross neglect of duties. The charge of misappropriation of municipal funds against the former vice-chairman of the Jaynagar municipality, reported in the resolution of the preceding year, ended in conviction. In the criminal cases instituted in connection with the defalcation in the Bhola municipality mentioned in the previous year's resolution, the

ex-chairman, the head clerk and the accountant were convicted and sentenced to various terms of imprisonment by the lower court, but were acquitted on appeal, while the sentence of imprisonment passed on the tax-collector was reduced. The head clerk, the accountant and the tax-collector were dismissed from the service of the municipality.

**16. General Remarks.**—Every municipality was more or less affected by the financial stringency which prevailed during the period under review. Though a few progressive municipal boards forged ahead within the limits imposed by the general financial situation, the majority of the municipalities did little more than marking time. The smaller semi-rural bodies found themselves in an extremely unsatisfactory position. Handicapped by the slender resources at their disposal, they were unable to provide the barest minimum needs and requirements of a municipal population. These bodies distinctly suffered by comparison with progressive union boards established at places of equal and in some cases, of even greater, importance.

Municipal finance will, continue to present a problem of perplexing difficulty so long as the municipal bodies display a reluctance to tap adequately the resources at their disposal. Unwillingness to face the unpleasant duty of fresh and enhanced taxation, laxity in the recovery of taxes, current as well as arrear, and disregard of financial canons form the main burden of the Divisional Commissioners' reports from year to year. Although the routine administration of municipalities has, on the whole, been carried on fairly well, the report of the Local Audit Department continues to reveal irregularities which are attributable, in the main, to lack of financial control, supervision and intelligent interest in the internal administration of the board and to an inadequate appreciation of the law and the rules. These defects are not difficult to remove, and it is hoped that, with greater attention to audit and account procedure and a stricter compliance with the rules, the present unsound methods and practices will cease.

It is pleasing to note that, except in a few cases, there have been distinct indications of a growing sense of civic responsibility among the Commissioners as

a whole and a general desire to improve the health and general amenities of the towns with which they were connected. These commendable ideals must, however, be reinforced by a firmer attitude and a more vigorous policy in facing unpopular duty, particularly in regard to the prompt realisation of taxes, before the general standard of administration can reach a high level of efficiency.

The names of the following gentlemen have been specially brought to the notice of Government on account of their public spirited work during the year under review :—
